This is why the Son of Man through God begs the Peoples of Humanity to kill on sight, the enemy bushite betrayers to Life. Ourselves, the innocent. These soulless grunts don't destroy such deserving commanders, Like Blount, Sattler, Russell, Wuterich, Pantano or even Kimmitt, and instead, as in Fallujah, murder every woman and child present, while stealing all our given monies for desperate life saving help. Anyone in the Air Force deserves to be justly put down, for, I've NEVER seen any legitimate bombing campaign, but for to kill People indiscriminately like NATO regularly does with radio-active toxic waste, while then sending in the dumfuk Marines, or the 'from the coast' Canadians, who of course, rightly get killed on the ground in retaliation for such blind evil stupidity. Please, I beg, help Iraqis, and kill the bushite thieves to defend our forsaken God. American children, help me my loves. Please don't allow the bushmob to escape for the treasons against America on 911, for, bushites are OPENLY traitors, as the TRUE enemies of evidenced Justice, as the Freedom to do our own things loving God on our own. Besides, most bushites aren't even registered American citizens. Bushites need to be hunted down for destruction - by the Loyal Christian American Patriot Soldier, the ones who war to win against those who torture US innocent to death as the ungodly Satanic LIAR enemies. Save the Humans, kill a bushite false accusing traitor of American Freedom To-day, and become a real Man in the presence of Johnny America, an actual Man of Men, Lord of Lords, and King of Kings.

McCain is insane
//www.codemonkeyramblings.com/2007/02/they_say_that_insanity_is.php

/ / The proposal, which Sen. John McCain is planning to introduce on Wednesday, also would require ISPs and perhaps [!?!] some Web sites to alert the government of any illegal images of real or "cartoon" minors. Failure to do would be punished by criminal penalties including fines of up to $300,000. [...]

What images must be reported? Illegal images of minors, which includes clothed teens in "lascivious" poses, according to the Justice Department. Obscene "cartoons" and "drawings" also qualify. (18 USC 1466A) \ \

Alert the USER! not tyrannical leaderless dumfuk thievers, for it is the expresser who, if any, that is guilty of a determined illegal expression. In 'The' Canadian case, they, (once proud IRRATIONAL bushiter THEIVES [pro Afghan child killers determined to help the ungodly demon Bush's 'escape' for 911]), want/HAVE to put MEN is prison for beautiful pictures of girls in panties, or bubble bathtubs being. IT IS demonization. Leaving twenty year olds to look like they could be tens in a singled out of context womanly derriere,

that our Jurys nations-wide, are generally, denied to perceive normally, if at all. McCain knows he is an enemy to God's children everywhere. McCain speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED. So, where are the North American multi-million dollar "Exploitation Units" to defend our King's children from TRAITOR pro-torture of US as the INNOCENT McCain there then eh? Units who he holds hiding behind himself somewhere in high blind praise as a rich group of child lovers I SAY??? (Is a heroin pushing bushite THIEF that supports the 'escape' of the bushmob with indiscriminate bombings in Iraq or Afghanistan, Lebanon, Haiti or Somalia, even capable.! of real human Love I torturingly ask dauh gangsta rappah? buddies where are You there in the stomach of the Beast celebrating?) McCain is a demon enemy of Life ourselves to promote the arrest of all the goodness that beauty brings in the heavenly art of our clothed teens. If it weren't for Earth Women, God's boy, Johnny Wizard, wouldn't even be here to bother. It's the reason I first picked up a guitar, it's the reason I did my early plays, then monster movies, and it's the reason I praise the orchestra of the Heavens in Dream, and well.. it's just the reason for everything. I speculate sometimes perhaps slyly that G was kinda lonely all by ourselves for zillions of years, whom, for entertainment, loved us up on the entranced exit starting - before a beginning without ending, yet, as outer there, is still the insider here, forever being we sorta, and gave us this foolish boy for the mental gymnastics. All in good fun. Rocking on to leave all as Mystery, never realized forever and a day in Eternity. You are a Servant, as so I am. Quite a place eh kid? So as it looks now presently, we're here still barely hanging on striving to survive against Mr. Bush's continuing unfair irrational tyrannies of clear injustices committed in Your Name against our Humanity, or, end ourselves dying without true representation, left falling further forsaken. [Home is home sweet home as in Chicago, as we always was going to with or without our loves heaven bound. For I'm starting a journey back to where I belong, where the food is good, the music's great, and life is truly worth living as miraculous.

Sorry everybody, but that's the way it's gotta be for my Life to have meaning terms.] Long story short: Females Rule, and wiseguy Johnny is Freedom King for this moment Being.

Please help God.

We have to overhaul how all our national news Podcasts are assimilated through corporate nazi zionist censorship. Art Bell and George Norry are enemies to ALL american teen troops

put in harms way to die as bad guy irrationally for the neocon God betrayers. Why? because they purposefully lie to have YOU die as innocent murder victim. Death to the bushite, death to God's enemies.

Be a friend if not an enemy,
Your buddy,

King Johnny

Well, gee, Iran has no nuke program, in anyway, shape, or form, but Israel wants to murder more of humanity for their ungodly lies anyway. The enriched uranium Iran is making, can not be used for a bomb because it's only enriched to 2 percent, and to get the bomb making stuff, you need a COMPLETELY different technology. But science?, in bushite america? Nazi America would rather be nazi chauvinist pigs, before admitting the Son of Man exists, or to go to the trouble of phoning someone who refuses to take our public calls for Justice. What religion is this America?, where Human life has little of no value? And Johnny's love means nothing?

How is a Zionist Jewish?, I, the King of the Jews Messiah ask my fellow brothers and sisters everywhere. How? FOUR million land mines in Lebanon a godly act is it? Jew only roads not Aparthied, nor stealing a Christian's Home I suppose..? How?

An Oath Every Soldier Swears To God With

/ / she told The Nation. "If I contribute to the Army's prosecution of Lieutenant Watada on speech-related charges, I will have colluded in suppression of speech. What could be more hostile to the ideas of a free press than that?" \ \

Again a Patriot Soldier whose only crime is that he refuses to commit a crime in Your name. Do something about it. You defend this Patriot American Citizen as if Your America depends upon it. The "Judge" who publicly forbids to hear Watada's freedom defense, an Oath every Soldier swears to God with, is a "Judge" who needs to be privately arrested for treason against YOURSELF. Support my call to demand our voices heard for Just causes, or go die silently to the grave prisonized in a military dictatorship your 'neighbor' will say quietly of, (under his bushite breath,) good riddance to caring where my pusher's overdue payment goes to??. who the kcuf are you?? ... Eiiiaaahh! Jesus kills bushite for breakfast.

- On yet another, praise be with US, Alex Jones News Podcast -

Bob Watada: "He did his own research, and he found that there was not only deception, but clearly lying by the commander. Now if YOUR boss lied to you, and put YOU out on the line, so that you can get KILLED, what would you do? You know, your certainly not going to walk out there... and this is what [Patriot] Aaron is saying, hey look Our Commander lied, and he's lying to the People. and We, the Soldiers, can not go out there and put OUR lives at risk for the oil-barons."

..by enforcing the irrationalities of 'who needs evidence' tyranny against the innocent as America Dreams. [I shouldn't have to tell you anyway, but, freedoms are crying due to The People's in-action to defend US innocent. And we wonder why repuglicons put themselves greater than our, no greater Taliban.. Corporate News Americans who are, in silence, not taking sides regarding American Women, [MY BABES], acquiescing to accept these mercury vaccines without filling questions. Without QUESTIONS! Your Loves, my Loves, God's Loves. Support my calls to be heard yourself. If your a Male, and confusedly dumbfounded as I am on the mystery, just think of yourself perhaps as a, free as a bird lesbian with rights to be respected too - through the foolish spots with lost yourself cycles on who truly Masters our Universe slaveboy, [i know women can be intimidating. (especially.. the Black Widow and old re-runs of the Shirley Temple.)] and get US personally in the what is again, Our still hanging on international News already! We all can agree, we love women. Men? not so much. Let's go Coast to Coast man! On CNN! CBC!! FOXNEWS!!!

The Fight for Survival slog match between, Johnny 'just tying his shoes' America, and Warmonger Liar, Sean Hannity - televised World-Wide!!! With Cheerleaders, beer, pizza, and beer! YEAH WAY!!!

Who's with Me?

It has been reported that some special ops out of Britain are paying for terrorist attacks to happen in Iraq to insure more Americans give their lives in praise - as criminally sacrificed - to the demon antichrist, Our Mr. bush Jr.. All unjustly suffering because corporate news america cowardly refuse to defend freedom, by defending the truly innocent. Nor, will Coast to Coast allow me to speak on "American" radio. Let's change that. Will you make it so Commander?

Cause I'm ready.

-

A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the

terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification, concluding Naturally, that all stolen Iraqi money must be returned by the will of GOD to the victims; with those responsible for stealing it, made to pay US back, with the true American Patriots to be found, backing US up 100 percent. The bush administration has teamed our kids to mercenary forces who have no loyalty to freedom but to freely die another Marine for more dying stolen values. While successful at it corporate America, just lies and lies and lies without shame, nor apology for the death of your poor cowardly kin.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin, and, Influenza is a constantly mutating virus. So, pre-determining which 'deadly' strain is going next, is only because the WHO wants to continue killing US for huge cash profit. With cult slaves, like those who forced Jones Towners to drink at gun point, are the same as those who now demand we give our girls of America from Texas such. It seems the magic TV news people don't want to trouble us on this matter of our actual survival.

You must wake up to life's demand for you to defend our dying lives my friend. Please? Make the call, be a man to defend our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

/ / State Department spokesman on 24 January, "that Iranian agents are involved in these networks and that they are working with individuals and groups in Iraq and are being sent there by the Iranian government." \ \

We all know Iran has been trying to help Iraqis openly, so then, what does such willful contempt for your life grant this 'spokesman'? Or, how about when Bush stated Iranians in Iraq deserved to be murdered? (Later, the demon re-worded himself in attempt to conceal HIS true evil identity.)

Remember the Bathists actually warred to kill and won against al-CIA-duh forces that were caught hiding in Kurdish territory. Killed "bin Laden"/bushite forces! Now, bushite tell US Sunni is in kahoots with Laden. (In otherwords, Kill a cowardly enemy of Life bushite for America to defend Iraqis as a godly act.) Death to the bushite, death to our enemies.

/ / Tariq Aziz, the Christian Iraqi Deputy Prime Minister said in mid September that Baghdad had provided assistance to America's Kurdish allies, the Patriotic Union of Kurdistan (PUK), when forces supported by al Qaeda attacked them. He said, ``We gave [Jalal] Talibani [leader of the PUK] weapons and ammunition, we helped as much as we could. We are not allowed of course to go into what is called the semi-autonomous region of Kurdistan physically, but the help we gave helped Talibani in his fight for it.'' In fact, added Aziz, ``Talibani was among the opposition leaders who went to Washington and spoke to Dick Cheney [US Vice-President] and Rumsfeld. He told them what had happened, so they [US government officials] must know.'' [Independent 9/23/02] \ \

Death to our indiscriminately murderous thieving enemies of God's Creation, who war Creation for bush's personal escape for the crimes of 911 Christ would say right, wouldn't you say so likewise my brothers and sisters, of the Muslim, Christian, and Jewish religions in belief?

-

Great words from the lawyer of the thieving bushite child killers of Haditha

/ / "There were Harriers dropping 500lb bombs on buildings. If they're dropping 500lb bombs without knocking on the door first, how can you argue the troops on the ground did anything wrong?" \ \

2000lbs of radio-active toxic waste that will murder for years more like, while after, then striking again to get the god helpers and screaming children, then even, as in Fallujah, going house to house to murder every one, young and old as the truly Satanic. Just obeying lawless orders to thieve from Humanity as bushite for neocon zionist traitors of G-D doesn't fly in the big book. When anyone kills a bushite, all humanity benefits truly from the defense. You defend a real suffering God by ending a soulless bushite threat against our species.

Bill Sattler.

/ / to think that these could have been just dumb ideas or incompetence. (L. Paul Bremer, for instance, who made the "dumb" decision about dismantling the Iraqi army, prior to becoming Iraq's occupation viceroy, had headed the nation's leading risk assessment consultancy, and surely knew what all the risks were of his various decisions.) \ \

Bushite TRAITORS got rid of the ORHA plan.

-

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People
like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill
it proudly for freedom, as an undying love for a real God and
Humanity.

Again, a Patriot Soldier whos only crime is that he refuses

George Norry and Art Bell are enemies of American chances for
survival of our dying teens. Their contempt for Justice in
America is blatantly EVIL, and worth killing before they do
another dumfuk, they hate US, zionist demon broadcast.
Traitors to God and Country George Norry and Art Bell are.
They'll laugh, sing, and cheer while KILLING your CENSORED
forsaken Son or Daughter, needlessly trapped sacrificing with
the ungodly 'lawless' bushite zionist enemies, all before
allowing any REAL Americans to SIMPLY discuss evidence as a
requirement to convince ourselves of something. Norry, that
demon fu-ker, has an endless supply of bush whore callers,
that'll tell him, he doesn't have to read the news, read his
email, or hear the screams of dying innocent murder victims.
Sure, once a year, maybe, we'll get the Patriot popular Alex
Jones, but he's too terrified of me as Puppet Master, or US,
or talking about the NO CAUSE Iraq war, that Iran doesn't have
an ability to create weapons grade uranium, or that General
Ahmad funded 911's Atta.
-

Real Americans are those of US as humanity that believe
in liberty as Justice for all. Demon bushite nazi
whores, don't like those principles of freedom through
evidentiary findings though, for their false deity,
George W. bush Jr, wouldn't be stealing from the honest
hard working blokes who live for a better day that way.

Philips have concessions in nearly two thirds of Somalia.
This quartet of oil conglomerates was granted these contracts

The US first military engagement in Somalia was fully
supported by Conoco. \ \

In the new world, these soulless bomber bushite of the air
force, responsible for blatant first degree acts of murder
against the innocent, would be hunted down by Humans, tried,
then executed gloriously in the defense of our living justly.

So, is the block head saying American soldiers so far have
died for lawless tyranny? Kill a bushite, to protect the lives
of us as innocent victims in other words, right?

/ / And the Iraqi people owe us a debt of gratitude?

Bush continued, "I believe most Iraqis express that. I mean,
the people understand that we've endured great sacrifice to
help them. That's the problem here in America. They wonder
whether or not there is a gratitude level that's significant
enough in Iraq." \ \

Is Bush saying US dumb bastards don't give enough in
sacrifices to himself as the demon antichrist?

New Recruit

Destroying enemy bushite is a gift to Humanity, it is
saying you care for the lives of the innocent a bush
bitch nazi grunt freely confesses to targeting for

murder. Liars are the bushite, who steal Iraqi resources, allow racists and rapists to commit their demon crimes in America's name un-challenged, and who absent mindedly bomb the innocent without just reason given. All the while, labeling themselves, "pro-Iraqi". snpd

Real Americans are those of US as humanity that believe in liberty as Justice for all. Demon bushite nazi whores, don't like those principles of freedom through evidentiary findings though, for their false deity,

George W. bush Jr, wouldn't be stealing from the honest hard working blokes who live for a better day that way.

The Iraqi children did nothing to deserve such awful suffering and fright and death at the hands of the enemy bushite. The bushite: who the demon anti-Christ states, are un-accountable to any rules of law in this Universe, like with his extremely foolish criminal decree, 13303. I kill mindless parasite bushite nazi enemy soldiers just for that alone as eternal defender, and I do it for to win some mercy for a real living God, who the fascist enemy bushite hold in their ungodly contempt as LIARS.

I have the backing of every real man alive on this planet, and we all know it. No voices of reason have apposed my factual claims in FREE Usenet, and Art Bell makes no attempt to defend himself as internationally painted enemy traitor, and that says a whole lot to Talk America. Why? Because Mr. Bell, the bushite propagandist, knows too, I speak and act truthfully, honorably, and righteously, while the talk radio american bushite lies, cheats and steals from America's America, that as bushite, leave undefended for criminal plunder in Your name call censored from classed enrollment. You have just as much a right to be here as I do, and the demon bush, he ain't no better than any of US when he is "excused" for the murder of well more than a hundred thousand confessed as completely innocent people on this planet called Earth.

The fascist control bushite, don't like You to think independently for Yourself, for we independents out here make them look as stupid as they are. Thank you very much for that not so secret info.

Through the pronounced bush demon's gaffes, embarrassments, and told complete total ignorance on subjects like the science of economics, the whys of constitutional law, or when the bushite takes credit for

indiscriminate killing of our families and friends while parading it's all done in bush's name for our freedom, or for 9/11, doesn't fool me, and should get you thinking about reaching for your guns too, for bushite rapists and torturers will not walk this world freely un-accountable, for as long as we remain alive to hunt them down and kill them if so be. As the soulless disciples of the enemy anti-Christ, Our Mr. bush Jr., their "officially" granted legal immunity from all prosecution means nothing to me as a honorable man defending my humanity, or as living Creator, who brought all into this new world to be free, and can just as soon, take you all nazi bushite out the old school way.

How The Demon Bush Misled God's World

How Bush misled the world
//www.theage.com.au/handheld/articles/2004/02/05/1075853996640.html

/ / Once the document was declassified after the war it became known that it contained 40 caveats - including 15 uses of "probably", all of which had been removed from the previously published version. Tenet further ingratiated himself by remaining silent about the OSP. "That's totally unacceptable for a CIA director," said Thielman. \ \

Thielman meant "totally unacceptable" as in HIGH TREASON. Could it be any higher? Deliberately caught misleading whore-dumb Congress to wage his immoral neocon 'escape' with a unjustified criminal brutality against God as all of our Humanity. A great deal more than a million innocent people have been victims to the 'targeted' Zionist killings of the irrational bushite enemy. Lawless enemies to Creation, spreading their toxic waste who thieve, rape and murder without reprimand from corporate news america, shall, I pray daily, die justly in vengeances by the will of a real undying Love for our victimized innocent family. Justice for Humanity.

Please, help US.

The guilty party of Haditha have confessed that targeted killing of innocent children is fair game in their worlds, and as confessed, they 'got away' committing the same Satanic acts - going house to house in fallujah murdering more than two hundred thousand innocent folks for LIAR E-N-E-M-Y Sattler. Bushite corporate america, has stated in silence, the bushite enemies of Haditha will never face public execution for such offences, YOU apparently WILL NOT GRANT IT, too cowardly, and in all likelihood, (like those of the Saudi Blount's third infantry) will be allowed to walk freely down american streets after being found guilty as politically supporting the robbing and murder of innocent men, women, and children all because

we're rag-heads or niggers. The, deserving to die as illiterately intolerable bushite drone soldiers HAPPILY, WITHOUT QUESTION, co-operate with ANY lawless mercenary forces such as south african death squad goons in finding the enemies of themselves. Purposelessly ungodly bushite soldiers are told they are DYING to defend Iraqis, while breaking out of prison, mercenaries caught trying to kill innocent Iraqis for fun and profit. While, at the same time, actually having SLAVES from India preparing their lunches!!! And guess what? they're coming to live bushite america as the patriots after they get killed you're forsaken American Son or Daughter teen! With millions of stolen American dollars to set up new 'freedom' operations.

Shirley, bin Laden would be sided with the fundamentalist Shiites, before, everyone-is-an-equal Sunnis, who as Bathists, had no problem WARRING al-Qeada, while counting as members of their party, Christians, Jews, Muslims, and Atheists. But corporate bushite liar america says no, bin Laden supports Sunni IRRATIONALLY, and that is why bushites have to sacrifice in partnership with those who blow up PEOPLE indiscriminately as the 'good guy' 'heroes'. Similarly like in Somalia, where bushite forces are working to directly arm those who murdered American GIs during Clinton. Those war criming repuglicons responsible for the bombing need to be tried and executed for committing first degree acts of mass murder in America's name. CBC, in Canada reported that Pentagon sources allege their isn't any evidence whatsoever to what bushite news america has reported to the dumfukked populace. [Peter Lance will tell you [mind you, half assly] on behalf of investigating officers of our LAWS, it was a dishonorable LIAR Green Beret actually, a Green Beret who set the bombs and blew them up to KILL AMERICANS, but says Laden ordered him to it though, so he gets to go free on his own apparently. An individual EVERY AMERICAN should hunt to kill with Americxan Law firmly established already. Why? Zionists murder Americans for profit, by simply lying un-challenged through corporate mind control, and culted soldiers to this day, would thoughtlessly call the ungodly lawless bushite traitors to freedom, 'good guys' and 'heroes'.

Let US demand open radio
communications on the mathimatical facts to save our own selves further victimhood to their personal contempt for the true value of YOUR life. Thanks.

Can you help us speak this outrage to your local media outlets?

thanks again bud.

- "The months preceding September 11 [see] a shifting of the
US military's focus ... Over several months beginning in
April [2001] a series of military and governmental policy
documents [are] released that [seek] to legitimize the use of
US military force in the pursuit of oil and gas." Michael
Klare, an international security expert and author of Resource
Wars, says the military has increasingly come to "define
resource security as their primary mission." In April, Tommy
Franks, the commander of US forces in the Persian Gulf/South
Asia area, testifies to Congress in April that his command's
key mission is "access to [the region's] energy resources."
The next month US Central Command begins planning for war with
Afghanistan, plans that are later used in the real war.
[Sydney Morning Herald, 12/26/02]

See? It's admitted that the zionists planned to STEAL the
rights of Afghans for Enron, by LYING to SOLDIERS to get them
killed as the American Pension thieving bad guys. Too
COWARDLY parasitic to hunt those responsible for murdering
thousands of "Americans". So, as a consequence, they, as
loveless bushite drones, die cowardly with the once great

America as enemy corporate fascists to Freedom's Justice, Our Living God.

John's truth. Killing a THIEVING bushite is to save the lives of the innocent they target for murder. The cowardly bushite, dies sacrificed - all to help IT slavishly escape those responsible for 'getting away with' murdering thousands of Americans in New York City on 911. Sorry George W. Bush and company, enemy traitors to God and America, not under our eternal watch. The People has spoken forever on this subject of direct accountability. Death to the godless bushite, death to America's lawless enemies

DUMFUK BUSHITE ENEMY OF GOD "This is not a job in anyway shape or form, this is not a job. this is a lifestyle. and we choose this type of lifestyle."

Traitor LIAR Hannity "Knowing the danger?"

DUMFUK BUSHITE ENEMY OF GOD "Yeah."

Traitor LIAR Hannity "Well, isn't that the definition of Bravery?"

The DUMFUK ENEMY OF CHRIST "Uhhuh."

See, TRAITOR Hannity [who deserves to be executed for the treasonous DOCUMENTED lies he tells America almost daily] would claim any and all serial murderers and rapists in

America are the definition of bravery. Bushite dumfuks deserve to die as enemies of America because they openly, purposefully target the innocent to rob from and murder, as bushite did on 911. They bomb cities. Thus is why Christ [ME] tells loving children to gladly help Life kill their own godless fathers or brothers who CHOOSE to commit these war crimes against our humanity with their contempt for Justice, Johnny and America. {Especially those in George W. Bush's air force.] A bushite's hatred for America is blatant with every monosyllabic grunt they make. In nazi zionist america, they have a Zionist national radio program that forbids the nation to know they're presently being victimized for criminal sacrifice, and apparently, Americans would rather DIE, than hunt George Norry, or Art bell for questioning. A nation of fascist nazi cowards, who go silently to their graves in their support of torturing innocent people to death for the thieving EVIL bushite's pleasure.

Death to the godless bushite, death to America's lawless enemies.

Bushite Zionist atheists believe that I, as the Son of Man, Couldn't be anything but their worst nightmare. No, WE, as Humanity, will religiously really kill bushite continuously to hasten the day when America actually fights to win, free communications for Justice's claim. General Ahmad funded 911's Atta.

AFFIDAVIT

AFFIDAVIT OF JOHNNY WIZARD

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01] The individual who makes the wire transfer at Ahmad's direction is Saeed Sheikh, later convinced for kidnapping and murdering reporter Daniel Pearl in February 2002. ABC News later reports, "federal authorities have told ABC News they've now tracked more than $100,000 from banks in Pakistan to two banks in Florida to accounts held by suspected hijack ringleader Mohamed Atta." [ABC News, 9/30/01] CNN also reports the $100,000 transfer, and the New York Times specifies that it came in 2000. [CNN, 10/1/01, CNN, 10/6/01, New York Times, 7/10/02] Ahmad's order must have preceded June 2000, since that's when Atta and others started opening bank accounts and receiving the money ($109,910 is received by Atta and Marwan Alshehhi between June 19 and September 18). [MSNBC, 12/11/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy

documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegations, thereby guaranteeing criminal invasion. Only workable if Laden pleads innocence to a crime that hadn't yet taken place, a crime serious enough to "justify" sacrificing American GIs truly for a liquefied natural gas pipe line for pension thieving Enron. ["The Dahbol Working Group" and Bridas] Any evidence for any offense would have been sufficient to have Muslim fundamentalists hand Laden immediately over, as they had offered [as others of other nations had also] repeatedly during the Clinton years.

CBC and CNN have still, to this day, consciously refused to do any follow up on the intelligence, deciding instead on behalf of dying people everywhere, our public devolvement of a just society.

RTÉ News - US rejects Taliban bin Laden evidence calls
21 September 2001 17:41

The White House has rejected requests from Afghanistan's ruling Taliban for proof that Osama bin Laden was responsible for last week's attacks. According to the US Secretary of State, Colin Powell, the United States has enough evidence to try bin Laden in an American court.

The US Government said there would be no negotiations.

After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" Daschle flatly contradicted Cheney: "Yes, he did, Tim, on Jan. 24, and then on Jan. 28 the president himself at one of our breakfast meetings repeated the request."

...."[T]hat request was made" by Cheney not only on Jan. 24 and by Mr. Bush four days later, but "on other dates following" as well.

October 9 2001 - The Times of India

"While the Pakistani Inter Services Public Relations claimed

that former ISI [the "Pakistani CIA"] director-general Lt-Gen Mahmud Ahmad sought retirement after being superseded on Monday, the truth is more shocking. Top sources confirmed here on Tuesday that the general lost his job because of the "evidence" India produced to show his links to one of the suicide bombers that wrecked the World Trade Center. The U.S. authorities sought his removal after confirming the fact that $100,000 were wired to WTC hijacker Mohammed Atta from Pakistan by Ahmad Umar Sheikh [Omar Saeed] at the instance of General Mahmud [Ahmad]. Senior government sources have confirmed that India contributed significantly to establishing the link between the money transfer and the role played by the dismissed ISI chief. While they did not provide details, they said that Indian inputs, including [Omar Saeed's] mobile phone number, helped the FBI in tracing and establishing the link."

8.

No evidence was brought against Laden for nine eleven, none. [So according to Bush's official top secret Presidential directives] While Laden himself claimed he played no part in 911. Still, to save the lives of third worlders on the brink of starvation, Laden agreed to hand himself over, but Bush refused the offer, while CBC and CNN denied to report on that fact for the behalf of now dying dismembered American GIs. Once the indiscriminate bombing began, targeting almost every

building in the country of Afghanistan, Laden then claimed he had no choice but to fight back to defend US innocent from the ungodly enemies of Creation/Freedom. Then the clear to all fake video came out with an actor who's face wasn't even close to looking remotely like Laden, but for almost the facial hair. [Bridge of the Jamaican actor's nose is HALF as long in proportion to Laden's for example, and surely frightfully shocking for some, the actor doesn't even take blame for 911 either!] Photos comparing the two faces never aired on CBC and CNN available in about twelve seconds with the power of the Internet.

13.

The honorable Argentinean oil company Bridas' relationship can not be understated as the Bush Administration's primary motive on criminal invasion of Afghanistan to save his biggest corporate backers, the American pension thieving Enron.

HANS BLIX: "And at this juncture, we are able to perform professional no-notice inspections all over Iraq and to increase aerial surveillance..."

With complete, one hundred percent access to go where ever the Bush Administration pleased without delay, left a situation of an unjust war only detrimental to an ability to bring about any good or better thing. American soldiers are being sacrificed for no better good or reason understood, for if progress will ever be made, it will be when they work to bring about a political situation that was there in Iraq before the Bush Administration starting murdering innocent people for nothing . Well, not completely, for Bremer shipped 19 billion to Greenspan early on, then, hundreds of millions were sent back.

Tony Blair Speaking To House of Commons Liaison Committee

36.

The Washington Post, 23 September 2001.

At American urging, Ahmed traveled ... to Kandahar, Afghanistan. There he delivered the bluntest of demands. Turn over bin Laden without conditions, he told Taliban leader Mohammad Omar, or face certain war with the United States and its allies.

Mahmoud's meetings on two separate missions with the Taliban were reported as a "failure." Yet this "failure" to extradite Osama without providing a shred of eidence was part of Washington's documented design, providing a pretext for a military intervention which was already in the pipeline. If Osama had been extradited, the main justification for waging a war "against international terrorism" would no longer hold. Nor would the ready to go Patriot Act. Incidentally, when MSNBC contacted the Whitehouse regarding the top secret invasion of Afghanistan plan, it was confessed that the plan

had been "fully implemented"

Still more spin.

Simple question (again):

You say mikey is a "nutjob" and a "loon" for *quoting* the original poster spewing the vulgarity. I then asked you a valid, legitimate question as to what you thought this made the -original- poster. For two iterations, you've dodged the question.

A simple question. Are you too simple to answer?? Or possibly it's unanswerable and you know you've been called on it and can do nothing else but spin and dodge...

Appreciate your detailed comments, thanks. Yes, there is no perfect radio. For me the DE1103 has several plusses when it comes to raw listening ability. But the memory management system is really poor. Hexadecimal numbering combined with a memory transfer bug means it has limited usefulness. And my DE1103 is starting to develop a stuttering tuning knob. Spin it a few times and the problem goes away, but it is a small hassle.

I have to keep reminding myself that Degen radios are quite inexpensive and seemingly not designed for the export market. We put up with glitches that had they occured in a Sony would have resulted in the model being recalled.

3448. Building a Larger AM Loop Antenna for the Radiosophy "HD100" Radio

Building a Larger AM Loop Antenna for the Radiosophy
"HD100" Radio to capture more of the 1% Digital Signal
beyond the 10mv/m Contour of an AM Radio Station
http://groups.yahoo.com/group/Shortwave-SWL-Antenna/message/13751
{How To - Listening to "HD" Radio in the Fringe Areas}
http://groups.google.com/group/hd-radio/msg/66236c34197d6dd1

ABOUT - The standard (OEM) little AM Loop Antenna
that comes with the Radiosophy "HD100" Radio and
is UN-TUNED : It Measures 4.25"x5" and has Six-Turns
(6-T). Using the "AM Loop Antenna Calculator"
-by- Bruce Carter
http://www.mindspring.com/~loop_antenna/amloop_calc4.htm
This would result in aproximately a 11.2 uH Inductance;
with 8 Feet of Wire in the Windings.

To create a bigger UN-TUNED AM Loop Antenna with
a Larger Signal Capture Area I used a 23" Hula
Hoop as a Tubular Form to hold the Turns of Wire.
Again using the on-line "AM Loop Antenna Calculator"
http://www.mindspring.com/~loop_antenna/amloop_calc4.htm
A Two Turn (2-T) Loop Antenna would be about 8.1 uH
of Inductance; with 12 Feet of Wire in the Windings.
- - - Experience with Loop Antennas has taught me
it is always better to start with a few 'extra' Turns
and 'trim-down' to find the better 'practical-answer'
to Loop Antenna "Sizing" mainly due to the Distributed
Capacitance of the Turns-of-Wire within the Loop Antenna
Element and other minor factors.

Empirical Testing {Trial-and-Error} Results :
[With Respect to the smaller OEM AM Loop Antenna]
* Five Turns (5-T) was "So So" about the same
as the smaller OEM AM Loop Antenna
* Four Turns (4-T) was Fair - slightly better
* Three Turns (3-T) was Good - much better
* Two Turns (4-T) was Fair - slightly better
So I settled on a Three Turn (3-T) Loop Antenna
Element. [What Works . . . WORKS !]
According to the "AM Loop Antenna Calculator"
http://www.mindspring.com/~loop_antenna/amloop_calc4.htm
A Three Turn (3-T) Loop Antenna would give 16.3 uH
Inductance; with 18 Feet of Wire in the Windings.

The difference in size between the 'original'
OEM AM Loop Antenna and the new Hula Hoop AM
Loop Antenna -with respect to- Signal Capture
Area was 21 Sq In -vice- 415 Sq In about 1:20 :
The new Hulla Hoop AM Loop Antenna should
yield about 4 Times the Signal as the 'original'
and may be a 1 to 2 S-Unit improvement in the
Signal seen by the Radio.

Wayne probably did coin the phrase "Use it or loose it", because that

I ran out of beer over two and a half weeks ago.Sort of anyway, the divorced woman next door to me, three evenings ago when I was out in my front yard rakeing my front yard, she was backing her car out of her driveway, I said to her, Bring me back something from the store.(of course I was only joking) About half an hour later she knocked my front door and she handed me a glass bottle Bud Light 1 pint 8 fluid ounces nice cold bottle of beer.Anyway, I guess I will go to the food store (after checking out the Goodwill store first) store tomorrow for beer and food.

I bought that Sunn Guitar Amp at the Goodwill store for eight dollars plus Mississippi Rip Off sales taxes, seven cents on the dollar.I bought a new cardboard box for about five dollars at the U-Haul place on Highway 80 and I packed that Sunn Guitar Amp very carefully and I went over to the UPS store in Clinton,Mississippi and I paid seventy nine dollars and pocket change to ship that Sunn Guitar Amp to Zumbrota,Minnesota.Brian Hill once told me he had to replace a few resistors or whatever in that Sunn Guitar amp.Look on eBay and see what those big heavy two speakers Sunn Guitar Amps are selling for.

The divorced woman (Carolin) who gave me that beer, she has said for ages that she will get up on my roof and scrape off the loose paint and prime and paint those side areas (I already have some Sears primer paint and Sears exterior paint) for me.I told her I will give her $200.00 to do that for me.I am too fat and wobbly nowdays to get up on top of my roof.In fact just last Friday I mentioned it again to her) for me.I am about ready to give up on that woman.

Her 1987 small GMC pickup truck in her back yard, the manual shift transmission is on the fritz, last year she said she bought another transmission and its on the way, it hasen't showed up over there yet.Meanwhile, Ashley is letting Carol use her late model Chrysler car.(Ashley lives over there too) A few months ago some of those women went out honky tonking somewhere.The next evening, I stepped over there to chat with them for a little while and I saw that the windshield on Ashley's (she is very cute) Chrysler car was busted and the two outer edges of the hood near the windshield were bent up and a couple of dents are on the hood. (they are still there now) The other woman, skinny twin sister, (Jerry, she is the skinny twin sister of the not so skinny Bell South woman (Julie) in Natchez.(their mom is very pretty) skinny twin sister works for Shell on the Ram Powell off shore oil rig 80 miles South of Mobile,Alabama.Two weeks on/two weeks off.She will be showing up next door to me in about five or six more days, whenever she decides to pull up in her driveway over there.She bought that house next door to me from her twin sister, the Bell South woman.As Festus on Gunsmoke used to say,,,,, Dontcha seeeee,,,,,

From: "http://www.radiointel.com/review-etone5.htm", Jay writes, "the E5 has some serious competition, even right in Eton's own lineup. For example, the S350DL has just been reduced to $100 retail.
>>>>>>The S-350 DL is more sensitive than the E5 <<<<<<<
I have an S350 DL and find it pretty much useless for DX even on the AM band. I just use it for local stations.
Is the S350 really more sensitive as he states because if it is then the E5 or Degen 1103, must not be that sensitive, at least not without an outside antenna connected.
I want something that is sensitive off the whip as well as good for AM DXing without an external antenna connected. No tie downs to external wiring just "portable".
The E 10's are available locally and on sale, $89.
Are these as good or close to the E 5 with the features I'm looking for or should I look to a higher price bracket?

Yes, my old DE1103 quickly acquired tuning knob stutter. I sent it
back and a new one arrived with much more 'drag' that worked very well
and was less prone to accidental movement. Still Degen continue to
seem unable to debounce an encoder properly. As far as DE1103 bugs are
concerned, the unlimited tuning bug is a nice easter egg, which lets
you tune unbroken from 0Khz up to (I think) 40KHz. It's strange

hearing the bandwidth shrink as you drop below 12KHz!

Degen can learn a great deal from established manufacturers such as Sony; however until Sony release a £40 full band receiver with a 56KHz IF and sensitivity that turns the SW100 into a paperweight, they can possibly learn from Degen too. I am just happy to see any manufacturer continuing to release new affordable models catering for an allegedly dying format.

All the best!

The PCR1000 will work.

Unlimited tuning bug? I can get to the gap between 1.8 and 3mhz
easily enough, but it is't unbroken tuning. You have to go into
memory.

I think that Degen and other chinese companies are still trying to
comprehend the higher standards of quality that consumers will demand
before a product can really become successful. Shortwave listening is
still quite big in China and will likely remain so until web and
satellite based communications really catch up in that country.

No, this is a different thing. Google for the Degen DE1103 easter egg;
it involves storing a specific frequency (I think 21951KHz) and then
pressing a key sequence that unlocks the entire frequency response
from 100KHz down to 0KHz and up beyond 30MHz.

Cool. I looked but could not find the "easter egg". Do you have a
link? Do you hear anything on those extended frequencies?

There are two tricks; one involves this 'easter egg' that unlocks the
lower frequencies. There is another one that unlocks everything above
30MHz. Both are on the DE1103 yahoo group but I've found a version of
the first one on usenet:

DE-1103 Easter Egg: Tuning from 000 to 099 kHz
STORING 000 kHz IN MEMORY "99":
1. retract fully the antenna
2. switch DX/LO to "LO" [aka attenuator on]
Note: step #1 and #2 reduce stopping during scanning
3. turn on the radio
4. enter: 21951 [BAND+]
Note: the display shows no square around any meter band
5. press and hold [BAND-] until downward scanning begins
6. wait for the display to read lower than 100 kHz
Note: this scan process will take about 14.5 minutes
7. press [Band+] to stop while tuned between 0 and 99 kHz
Note: if you go past simply press and hold [Band+]
8. turn the tuning dial until 000 kHz is displayed
9. enter: "99" STORE STORE
Note: now memory 99 has 000 kHz for future access
10. remember to switch DX/LO back to "DX"
FUTURE USAGE
1. enter: "99" [M/F] then press [M/F] again
2. turn the tuning dial upward from 000 kHz
OTHER USAGES

Storing other values into memory while in this mode allows
continuous scanning up or down from those values as well.

Now this I have not heard. Can you provide a citation? Since they
cannot be observed directly, and are (at their closest) many tens or
hundreds of light years away, how can this be stated with certainty?
I realize that certain phenomena cannot be explained without them, but
that does not make them factual as of yet...

From: "http://www.radiointel.com/review-etone5.htm", Jay writes, "the E5
has some serious competition, even right in Eton's own lineup. For example,
the S350DL has just been reduced to $100 retail.
>>>>>>The S-350 DL is more sensitive than the E5 <<<<<<<
I have an S350 DL and find it pretty much useless for DX even on the AM
band. I just use it for local stations.
Is the S350 really more sensitive as he states because if it is then the E5
or Degen 1103, must not be that sensitive, at least not without an outside
antenna connected.
I want something that is sensitive off the whip as well as good for AM DXing
without an external antenna connected. No tie downs to external wiring just
"portable".
The E 10's are available locally and on sale, $89.
Are these as good or close to the E 5 with the features I'm looking for or
should I look to a higher price bracket?

This is very good, thanks - but note here that Mr. Steinberg, rather
than claiming them to be factual, offers evidence of their existence,
which is appropriate in science when the objects canno tbe directly
observed.

Well all the great astrophysicist and quantum physicist beleive they exist so that's good enough for me. And since the nature of black holes actually unravel the laws of quantum physics, well I guess we'll be here a wile :)

A few years ago, Troma released what I still consider to be the best DVD of all time, Citizen Toxie. An entertaining film, with so many worthwhile extras it redefined 'collector's edition,' and all at a really reasonable price. So, it was with much anticipation I awaited the next DVD release of a Troma helmed film (as opposed to those they acquire the rights for). That film was Julie Strain's Tales From the Crapper.

Julie Strain's Tales From the Crapper was a real labour to bring to the small screen. The film was originally meant to be two movies for the short lived Tromaville website. Directed by India Allen, the two films turned out to be incoherent shit. Not only that, but the two films were quite expensive by Troma standards, costing somewhere around $100,000 each. Obviously, Troma is not a studio to spend money, let alone squander it. To get something back, Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, and his cohorts tried to salvage the footage in post production, and even did some reshooting. I did not know all this going in, but the mess that the film is makes more sense if you know that beforehand.

The disc begins with nudity. Literally, you press play, and you get a topless woman. Now, THAT is a good start! The nudity is part of the intro with Lloyd Kaufman, president of Troma and creator of the Toxic Avenger and 'Michael Herz' (re: Joe Fleishaker playing Herz). The intro pretends to explain why the following movie is shot on video. The intro has the usual cheese, but also some funny, utterly tasteless, jokes.

Tales starts with Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, dressed as The Crapkeeper. This is without question the most expensive, elaborate Troma costume to date. Just imagine all the money Troma must've spent to make it look like The Crapkeeper was just a guy with a rubbish bag on his head! James Gunn, currently winning over genre fans' hearts with his movie Slither, arrives to discuss a movie deal with The Crapkeeper, and then we cut to the first tale in this anthology.

The first story is entitled The Case of the Melon Heavy Alien Man Eater. An alien crash lands, and runs around muttering. The alien sounds an awful lot like Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, being back-masked. Anyway, the alien is looking for someplace where it can raise money to repair its ship and also kill Earthlings at the same time. Naturally, it heads to a strip club. When the alien's murder spree begins, tough cop Julie Strain starts tracking it.

Despite a few jokes 'borrowed' from The Simpsons; Teenage Mutant Ninja Creator, and real life Mr. Strain, Kevin Eastman in a bit part; and a man being killed with his own cock, there's not a lot going on here. The Case of the Melon Heavy Alien Man Eater remains a confusing, jumbled mess, perhaps having TOO MUCH added to try to clarify the confusing, jumbled footage Troma had to work with. There is a series of narrators, who I guess are explaining gaps in the 'story.' The problem is that with virtually everything being poorly ADRed, the narrators only add to the confusion. There are some ADRed jokes as well, but most of these are fart noises. A lot of the ADR 'clarification' actually makes things harder to follow, because with the sound so cluttered and poorly mixed, it's hard to tell who's talking. The most amusing bits of this segment are the ones with the least amount of post-tinkering.

However, because Troma knew the movie was shit, they included something called 'Boner Vision.' Boner Vision is a popup screen within the film that features nudity, and it appears frequently in this segment. This actually DID its job, and distracted me from how bad the movie was.

The end tally for The Case of the Melon Heavy Alien Man Eater is lesbians, cheap as fuck gore, those funny newsmen from Citizen Toxie, and more naked flesh than ever before. I will never watch this section again without commentary, though.

After that ordeal, Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, comes back to essentially do a mini version of his Make Your Own Damn Movie project. He shows the viewer how to create a memorable lesbian, trannie, Fleishaker, splatter scene.

Then it's on to the second story of this anthology, called Tuition of the Terror Twat. Subtle. This time, Strain is a vampire stripper. When a guy has trouble getting into college, his friends set up a risky business, holding a stripper party to raise tuition. Unfortunately, they use Strain and her friends, which results in orgy of violence, rather than the type of orgy they were no doubt hoping for.

Tuition of the Terror Twat is the section that benefited the most from the reshoots, and is far better than the mini-movie that preceded it. This segment starts out with more and better gore than the entire first one, and has the BEST dig at George W. Bush I've ever seen. What really helps this section is that rather than try to make it better, Troma totally deconstructs what's happening on screen. Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, plays the parent of the young man who can't get into college, and he keeps calling in to leave messages on the machine and yell about the 'plot.' When it would make no sense for the father's voice to be there, faux commentaries are inserted to completely cover up boring dialogue or to make fun of the footage. Even with narrators explaining, the movie makes no sense, but given The Crapkeeper's on screen response to critics of the film's plot, I just have this to say: Tuition of the Terror Twat is a masterpiece of logic and gentle poise.

This segment features the bulk of the cameos, including Ted Raimi, Ron Jeremy 'look-alike' Ron Hyatt, Count Smokula, and Trey Parkï¿½erï¿½Juan Schwartz. This segment also has New Found Glory, which is too bad, because they suck.

I actually enjoyed Tuition, and wouldn't have minded if it had been released as a solo mini-movie. But, if it had been on its own, there'd be far less Boner Vision. It has all the plusses of The Case of the Melon Heavy Alien Man Eater, but is far funnier.
Video
Tales from the Crapper's mini-movies are presented full frame, with wraparounds that are letterboxed. The whole thing is shot on video, but the wraparounds are higher quality video. Both of the movies have video grain, soft images, and there are video glitches in the movies and the wraparounds. There is the occasional artefact, but they're hard to spot because of the lesser video quality. The second mini-movie is slightly clearer than the first.
Audio
The audio is available in a two channel track. Case's audio quality fluctuates, as does the volume, and it suffers from painful ADR. Distortion can occur in either mini-movie, and the overall audio is too loud. Case's audio is very slap shod, but Tuition's is better due to a proper mix. Keep an ear out for recycled Toxic Avenger sounds. The score is actually an eclectic collection, with quite a few funny, original songs.
Extra Features

The best extra, as usual for a Troma disc, is the making of. This making of is shorter than some of Troma's others, at roughly 60 minutes, and actually is based around the reshoot. Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, hosts the making of, and also appears to be filming himself for it. He explains the history of the project, and what went wrong. What's very interesting is that here we get a rare glimpse of Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, in serious business mode. It's also interesting to watch the breakdown of the reshoot, mostly the result of Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, having little control and flat out abandoning the reshoot. The behind the scenes also has bonus footage of Raimi and Schwartz, as well as getting to see Wes Craven, who stopped by the set, and Chad (Unspeakable) Ferrin. One thing I REALLY disliked was the mockery made of Craven by some on set (including Ferrin). Craven was obviously not interested in being filmed, but remained polite, and even contributed $100 to the project. While I don't personally feel it's fair to lump Craven in with Tobe Hooper and John Carpenter as directors who've lost it, I think it's shitty to insult the man after he showed support to their project. But I guess when those on hand aren't even showing respect for their own project, how can they be expected to respect anyone else's? The apathy for the film they were making obviously really upset Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, as well. But then, seems virtually everything on a Troma film set does!

The DVD also has an extra called Julie Strain's Topless Comedy Jam. This is mostly a tour of Strain's house that runs about four minutes long. She freestyles, which is terrible, but is topless for a lot of this feature. This extra isn't funny, and there're no ninjas, turtle or otherwise.

Tales' original trailer and new trailer are both included, as are deleted and extended scenes. These scenes have the two other countries the DVD sleeve boasts about production being filmed in, more gore, extended rabbit fetish footage, an Osama Bin Laden blow job, and more nudity. The Cannibal Lesbian Hoedown video clip that everyone in Tales keeps watching or listening to is here, as well as the web comics.

There are two commentaries. One features Julie Strain; Tuition director Brian Spitz; and Lizzie Strain, Julie's sister. Julie makes bad jokes, seems to think the first half is good, and doesn't know who Ted Raimi is. The track is not particularly informative, though Spitz does provide some details about things, and isn't all that entertaining either. The main commentary is much better, and features Lloyd Kaufman, president of Troma and creator of the Toxic Avenger; Troma editor Gabe Friedman; and a young man named Timmy they claim is the director. This track is funny and satirical. It's not the normal loving mockery you get from Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, for a movie he was involved with, but is filled with faux praise that is really picking the film apart. I was hoping for a full on breakdown of the breakdown of the film, so maybe someday Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, will record a new track to give us further insight into what went wrong.

The DVD also has some of the usual Troma extras, like ads for the website and Make Your Own Damn Movie. The trailer for Citizen Toxie has been removed for this Australian release, but oddly the trailer for Parts of the Family is still present. I thought the Troma trailer nonsense had been sorted out with the OFLC, but I guess not. Also, making its 10 zillionth appearance isï¿½yep, you guessed itï¿½THE RADIATION MARCH.
The Verdict
A few of the extras are lacklustre, but this is another required DVD for Troma fans. I can't imagine anyone revisiting The Case of the Melon Heavy Alien Man Eater. Other than that, Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, and company have done a commendable job of turning utter shit into entertaining shit. The extras may not be up to Citizen Toxie standard, but then, neither is the main feature. Hopefully Lloyd Kaufman, president of Troma and creator of the Toxic Avenger, will vent some of his frustration with this project artistically in his upcoming Poultrygeist.

Quite right. Without the ability to read maps, your futile attempts at
world domination will quickly fail.

Isn't there some country with brown skinned people in it that
desperately need bombing? You are quite good at that.

Just don't send any ground forces. They alienate anyone who may have
become an ally.

I agree with them too - I think there *are* black holes - but
believing them to be is not the same as a statement of fact.

'Tis probably true - the interior of black holes - that is, the region
beyond the event horizon and especially the singularity - definitely

screw with quantum theory and space-time so that it cannot be recognized.

Here is a brief summary, with links, of other theories. All are subject to testing and review, and one of these may eventually come out to be a better bet than the singularity model. Right now, though, a black hole as traditionally understood, remains the best candidate.

For a while one side is on top. They forget how to Nation build in an ethical moral, manner. They kill hundreds of thousands of babies, children, pregnant women, and other innocents. They cause the needless deaths of their own people. All done because of their lust for money and power.

Then they become violent, evil, sexually depraved, their society collapses from within, the people they mistreated pounce on them and destroy them from without.

The more we fight against that type of tyranny, the sooner we can overthrow those savages, and put them back in chains where they belong. This time it will be forever!

OBSTRUCTING JUSTICE FOR AMERICA

Tony Snow "The executive branch is under no compulsion to
testify to Congress because Congress, in fact, doesn't have
oversight abilities."

IT LOOKS like they are going to attempt making the move of
BLATANTLY TREASONOUS war criminals acting to measurably now
destroy yOur Freedoms in godless America. The Satanic
neocon's 'faith', is in that YOU as an American, will watch
the same corporate drivel that offers next to nothing to
empower YOURSELF to speak Justly for a dying America. Instead
of demanding 24 hour, wall to wall news coverage, of war
criminals going down one by one by the will of Man to Justice,
CNN, CBC, and FOXNEWS will broadcast your blind 'belief' that

you are only a impartial viewer, who doesn't really care about
dying right in front of yourself for the zionist's riches, and
great worldly power of tyranny through nazi bushite censorship.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in
crime"

Jesus man, do I truly hate these zionist nazi thieving LIARS
on our magic TV shows who con our kids to die as bad guys.
How about You?

/ / If Bush and his PNAC buds are innocent, then Investigate
911! What have innocent people to fear from a fair, complete
and real investigation? \ \

They are guilty, so, of course, the demon Bush enemy,
OBSTRUCTED JUSTICE FOR AMERICA.

I hear the national radio program Coast to Coast is still
feeding us neocon lies. Why don't you make the call for
Johnny.. believe in yourself for a change why don't you?,
buddies??... I am Your god king. King Johnny I am. Champion
of Universal Life! Not enough? Who cares?, to allow US speak
on our broad casts as legitimate? Worried I'm going to love
Life as truly honorable, and Greater than those who openly lie
to our soldiers to have them unjustly die for no better good
or reason understood? Let us make life better than the neocon
envision, and support our rise to popular acclaim by allowing
US to speak openly for public challenge in defense of America.

Death to the neocon soldier, death to the enemies of Man.

ISRAEL PEDDLING WHORES TO ATTRACT TOURISTS

[The freely self confessed child murderers of the IDF, tell US
as demon liars, they're "Jews". Anyone in Israel KNOWS this

factually to be so. For, the zionist forbid 'by law', to allow military service from anyone in Israel who disagree that God would will the thieving and murder of the completely innocent in GOD accepting without question. Now why would YOU want that?]

/ / So honestly, they could have just done it as "hot chicks of Israel" instead of including the military element. that's the sick part. [..] the sick part is the exploitation of women. For a government to officially sanction such a campaign is a sign of how bankrupt they really are, and I'm not talking tourist dollars. \ \

The nazi IDF does what Canada's dope pusher O'Conner suggests we accept. Demon enemy bushite in Afghanistan murder children without real understanding 'by accident', [no evidence is shown to ANYONE, just treasonous demon evil bushite necon spewing, "red handed"] lies after lies, while, the Taliban, we are told, are so much worse, because they would murder "ANYONE." Make sense? No. Remember: evil is played dumb. (The bush regime has been found funding Al-Qaida in Iran to commit terrorist acts against COWARDLY soldiers without free minds to speak in their own defenses.)

/ / The group is demanding his impeachment not only for his crimes against humanity but for lying to the American people about his worship of Satan. \ \

It almost makes me laugh, and then, I push to remind, we are so very far from where civilized is dreamed to reside. Look, think of US as actors, (because that is who we are,) and support my rise to proclaim by the will of a suffering for real human kind. Believe in US, as if your life depends on it, because it does my friends, because it does. Live free or die unwillingly.

cause I am just,

King Johnny Wizard
President and CEO

/ / We know that a crime was committed on 911. George W. Bush, of course, quashed all investigations before they could begin. Since when are crimes not investigated? [...] It is not too late, however, to begin such an investigation. There is no statute of limitations on mass murder. \ \

AMERICA HATES BUSHITE

Nationally broadcasted every day across America, Mr. George Norry publicly supports the murder of innocent Arab children, and I'm beginning to really hate a silent dying America for it. Speak to defend the innocent in this world American, or die yourself from self contempt.

Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man.

/ / "They can try to have their votes of no confidence," the president said, "but it's not going to determine - make the determination - who serves in my government."

MY government? Now that's entitlement. And you thought George Bush didn't have a vision for America \ \

Hitler, the mad man, wasn't as insane as our demon enemy George Bush Jr. is.

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Christ, The Son of Man, Begs the Godly Men of Earth

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Brig. General David Fraser - former nazi commander of NATO who 'okayed' the bombing of defenseless innocent Afghan women and children for the Satanic enemies of Man, stated on CBC, he liked killing police officers, along with innocent women and children, (deliberately targeted for the pleasures of the demon antichrist) because, Afghanistan's children hope to learn. See? The bushite 'will' murder all our children and teachers on hope that we will never learn the Taliban, led by "Omar the Just", were loyal to Christ as REAL American Freedom, when publicly demanding evidence to form your conclusions. Thus is why the ENEMY to LIFE neocon state on YOUR TV and radio, WE must never be allowed to speak openly with the Taliban regarding the FACTS. Because if we did, neocon pension thievers would be hunted down in the streets for public trial, and then gloriously put to death by Christian values committed to TRUE freedom from lawless godless zionist LIAR tyrannies against Mankind - YOU included.

George Norry and Art Bell are the most evil of bushite, who as betrayers of the Human race, deny soldiers to know: General Ahmad funded Atta. They will both support the murder of Your American Son or Daughter for further zionist evils, before allowing true open line communications, to defend ourselves from the lawless demon enemies of Man. Do something about it, or don't. Let TRUTH set US free.

Instead of making an easy phone call today for your dying brothers and sisters, die as Satanic bad guy enemies of Life on Earth, sacrificed in cowardice to the real demon antichrist, and see if we, the true, strong, and free, care. The Son of Man SCREAMS before coming home to GOD'S America: We are coming to destroy Satanically lawless bushite enemies, all for the love of God, we shall succeed my friends, we

shall succeed. I will not willingly live in a forsaken world with LIAR zionist war criminals conning US to believe, God is not Great, True, Strong and Just.

Die bushite die!

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC
zionists, actual treasonous LIARS, actually smile to dying
Canadian soldiers with only true contempt. CBC kills Canadian
kids, with their intentional demon lies, trying to subvert
Justice for God and Johnny. In fact, yesterday, they did a
special, all on how "God is NOT Great", giving that bush bitch
demon LIAR, all the space to pontificate it's hatred for
Wisdom, Science, and GOD, with only nods and smiles from the

'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

To Kill a Bushite, is to be Heroic

Pro child killer George Norry, enemy of the American soldier, still blabs about how more must die unjustly for bin Laden with LIES, knowing full well, video of steel flowing like water from the WTC exists, and that General Ahmad funded Atta. Who cares I ask about America truly dying as neoCONNED, for George Norry has millions to not take your calls for protection, and honestly, 'Americans' couldn't care much less for Our Humanity's future. Death to the ungodly bushite thieving LIARS, death to the ungodly enemies of American children everywhere. GOD praises all Men, who kill the murderous bushite enemies of Just causes. The THIEVING satanic bushite forces, speak only contempt for GOD on our demandings of the public execution of the boastful

terrorists, like the bushite who video taped the murderous assault of OUR kidnapped bare footed children, or murdered Iraqis while desecrating ELVIS, done all to please the "escaping" satanic demon antichrist zionist, Our Mr. bush Jr., who with his private business partner, General Ahmad, actually committed the ungodly treasons of 911 in a land of blind men sleeping., according to the eternally Honorable FBI anyway.

Death to the ungodly bushite thieving LIARS, death to the ungodly enemies of American children everywhere. GOD praises all Men, who kill the murderous bushite enemies of America's America. "The Liar" Hannity's America, can go it alone as treasonous liars, who boastcast a con to 'neutralize' America; 'finding' that we believe their demon lies about how one dies sacrificed 'Heroic' without any IMPORTANT questions answered. do we do?

To Kill a Bushite, is to be Heroic

To further murder as these ungodly bushite liars do today as our suffering Mankind, is to blindly swear public allegiance to the for real DEMONIC antichrist THIEVES. Bushite enemies are evil nazi dumfuk scum, liars who cowardly watch America in her weakness be high jacked, and squeak nothing for Just words in our REAL defense for dying. Play pretending their actually real men, because to really be so, requires real strength. Not bush bitch Marines "WHORES YEAH!" strength, where they cowardly can't figure to defend America from ungodly war criminals. War criminals who deliberately set them up with Satanic 'black magic' to be killed in criminal actions. P2OG. But see?, the bushite fodder, can't care enough for Life to read, because it already knows like the zionist, it's an ungodly coward and a thief, as siding to lying and censorship, this will out work for evil doers in the long run without any consequences to themselves as Our sworn eternal enemy.

Bushites 'think' that being Satanic brethrens for the LIAR neoCON, they'll die sacrificed not seen by all Patriot Warriors, as a dead coward - too fearful to stand as a godly Man for true accountability to living Life honorably. Cheney, McCain, and 911's gooliannie believe, You can only TV 'see' them protected Satanically by "Molech" [THEIR DEMON COG] Immune from REAL American Justice the bushite bray, We are told they believe so anyway. By Satanic command, 'inconceivable' to see the bushmob up on high treason charges... Oohh. Yeahhh.. I can see that going for real - quite excitedly I am about saving innocent lives. So, let's get done what needs to be a doing to save ourselves, so we can get this talking all behind us now, and reach for something truly breath taking as awarding,

Your Servant,

Why should WE continue to silently die unjustly victimized?,
for the bushite's contempt of Mankind censored?, the Eternal
Son of Man to GOD forever answers correctly. We can really be
something greater, while a murderous bushite thief, a LIAR,
can hardly read or write Liberty without flinching from self
contempt. Bushite tyranny is a dead end road paved with
missed opportunity. change your evil ways in other words, and
join the living side that's light to know what we are, in
deed, looking at here under the dying spoils of bushite, "we
pay" misfortune. To hell with Satanic demon devil worship by
the President of the United States, We, the People answer,
for now anyway, we have some really serious business just
presently, and we really don't need to be any more reminded
about Mr. Bush's satanic Devil, demon whoreship, of, "Molech",
a religion practiced to deceive America into sacrificing our
kids for cash with YOUR blood.... Tricked. Tricked. Tricked.

Nationless bushites who blindly war Life as the neocon
enemies, war for the 911 perpetrators to escape American
Justice. that is why I, as of GOD, cheer to hear the deaths
of these pro torture, pro theft, pro Satanic enemies of Man.
They confess freely to targeting INNOCENT People for murder.

Hillary "[DEMON] Bush pulled out the inspectors."
[DEMON] Bush declared, "and he wouldn't let them in."

In Hell

Firstly, the White house doctored the NIE in an act of HIGH
TREASON.

Two:

CNN with Hillary acknowledges that the demon Mr. Bush pulled
inspectors out of Iraq, but then... how is this not HELL to
pay?

/ / Bush declared, "and he wouldn't let them in. And,
therefore, after a reasonable request, we decided to remove

puppet. Should not Bush be held accountable to the criminal
actions he is PERSONALLY responsible for Christ asks YOU?

/ / So, there was indeed no imminent threat posed by Saddam to
Amerka, and inspectors had complete unrestricted access
throughout Iraq without delay prior to the, bush demon's
further war crimes. So, what was the reason for all the
pointless mass murder and destruction again? Oh right.. to
sacrifice American soldiers so terrorist bush's war
profiteering can feed off themselves as family without
leadership present as spoken for.[...] it's only the dummy
American People bid payers again left unaccounted to DIE
intentionally. \ \

The Haditha perpetrators, if convicted, are looking at serving, maybe, a couple of years, for freely confessing to the targeting MURDER, of innocent women, men, and infants.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man. - The Son of Man, as the Man of Men,

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and that's why he irrationally started this war against God conflict. Impeach him, then have him PUNISHED for high treason against a further dying as truly unheard from America

- for that lie alone - we ALL could/should stand together as equals demanding re-dress for the innocent murder victims who've suffered for such contempt, and belligerence for the basic precepts of freedom as Justice, or G-D as Johnny.

/ / "It could make August a tough month, because what they're going to try to do is kill as many people as they can to try and influence the debate here at home. Don't you find that interesting? I do, that they recognize that the death of innocent people could shake our will," the President explained. \ \

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and South African death squad goons, all to war Love for the neocon god haters. Who, as peenacking atheists, as their very own documents stress, would murder anyone of US for a stolen nickel.

Kucinich for President!
http://www.democracynow.org/index.pl?issue=20070524

Now, it's true, America's Alex Jones states Kucinich wants to take away all your guns, and is a communist, but, Alex as sometimes, is terrified of those who seek the requirements to defend freedom directly, as more specific. (Example: NWO isn't the name of the specific guy who financed 911 to murder America.) So, as a consequence, he gets near ridiculous with labels applicable to generalizations only dummies could believe blindly. With Kucinich campaigning on ACCOUNTABILITY, Alex Jones looks quite foolish. But, he's still trying. Thank god for that. Thank god for that. Talk radio in America should take open line calls on our ideas about how to actually plan to defeat these, found factually to be, traitors to God and Country.

Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist demon enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. A "lawless" enemy granted "immunity" by bushite evil phonies, is that of which, holds ourselves in their confessed contempt for Justice. Receive thanks from everyone, GOD included, by rightly destroying such inexcusable treasonous ungodly enemies of all human life.

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

War and the Police State: Complicity of the American People

SATANIC AMERICA

/ / After playing a tape of Cheney's statement, Russert asked
Daschle, "Did the vice president call you and urge you not to
investigate the events of Sept. 11?"

MSNBC told YOU when interviewing Tom Daschle in discussion
of the official public contention, that immediately after the
terrorist act of 9/11 in New York City, (where thousands of
American People were murdered,) bush and cheney frantically,
desperately, INTENTIONALLY, worked paid overtime to close 9/11
(the justice-freedom thing) Investigations on who or whom
planned to get away un-apprehended with the still living as
freely wealthy General Ahmad. \ \

911 "truthers" don't want to address the hard evidence like
the clear as day video of steel running like water from the
WTC towers, for, as Humanity witnesses, they'd rather watch
silently, children murdered indiscriminately, before,
acknowledging wise godly men from our communities who speak

ONLY facts on America's derision for real, open market Free communications - freedom fighters who ACTUALLY defend the innocent from the neocon bushmob traitors. Each day we hear of near hundreds of US murdered by the godless Satanic THEIVING "American" forces in Iraq. without near a peep of concern by "America". Lawless bushite mercenaries torture rape and murder, paid to do so by the WILLING American tax payer, and near 300 million "People" (the NAZIS) can't find the effort to pick up a princely phone and call the ENEMY pro child killer George Norry, (who broadcasts every day across America nationally for the IRRATIONAL neocons,) to air any real concern for our Lives. True, the demon enemy censors OUR calls, and contrives WE a buyer without questions, but he doesn't censor You always forever. So, get to it fukhead, JOHN is growing angry with americans of EVIL ignoramuses escaping the bushmob for crimes against MY HUMANITY. The Son of Man States: Death to the bushite, death to our MURDEROUS enemies, who lie cheat and steal to assist in the further criminal escape of the ungodly bushmob for 911 as TRAITORS.

non-believers state together:

The Iraq war against Christ has no true justifiable cause.
Torture is against the law warranting immediate death sentences
The Zionist AIR FORCE bomb people indiscriminately as Satanic
The bushmob stole all the Development Funds for Iraq
The bushmob are stealing ALL of Iraq's oil
The bushmob stole 100s of billions from censored AMERICANS,

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously

CONFESS to going into a house, WITHOUT reasoned approach, and
slaughtering an entire INNOCENT family.. for nothing but
their lifeless SATANIC pleasures. The 'cause'? "The [mass

The Pentagon's Power to Jail Americans Indefinitely

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses

pleasure of the president

US Attorneys don't serve "the pleasure of the president", they serve freedom lovers dedicated to defending America from willful criminality. But, americans are too stupidly weak to demand Coast to Coast hosts allow open communications on America's highest of concerns. Bushite america would rather, in silence, thieve from God as our Humanity, than serve the protections of Justice as ourselves.

/ / According to the Islamic understanding of power, the Mujahideen don't compete for the positions in the leadership. \ \

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Hmmm. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. The tribal strategy of Afghan fighters, where Allah is Oonerroh, seems to be not the only thing missing from the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top top top leader. Only "second" to Omar the Just. (Apparently an individual this current bushite incantation of "Dadullah" is totally un-familiar of.) Omar, the Just, whom Dadullah claims he receives his Top Secret nobody can see'im orders. In other winds: Bill a bushite for God and America, an all day long you'll have good faith in a world freeing ourselves of godless dumfuk tyranny implemented by the horribly foolish, as deeply ignorant of Allah, bushite demon liars for the traitor neocon. TRAITORS!

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering? Frankly, George Norry is a total dickhead. True, he has lots of money in America, but he's still a dickhead nevertheless.

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most

likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

/ / According to Danish Karokhel, director of Pajhwok, the Italian government should negotiate directly with Dadullah. "Italy is negotiating with the wrong people," he said in an email to IPS. "The only one that counts and decides is Mullah Dadullah." \ \ Oh Yeah, but what about Omar the Just, And... hmmmm. who is Karokhel today anyway, and when was the last time anyone seen him alive?

/ / How did a member of the Taliban in Afghanistan get hold of the phone number of an ABC news producer? Afghan 411 must be REALLY good! \ \ iiIII! can't even do that.. well... easily from Canada as an official non-fugitive that is. Just what is the going rate of satellite phone service out of Afghanistan? Remember: evil is DUMB about everything, including technology. Or so, how are we missed for report by point to point presentation using the same old satellite for phone service? Repeatedly calling the same mumblers? Jesus, If we really worked at it, I could probably reach where they were in a day or two by hitch-hiking.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

/ / "He realized that they had killed these three [innocent] detainees, and in that moment, yes, he decided to help his [ungodly murderously nazi fascist] squad members, [escape Freedom through Law wisely practiced]" Gorecki said. \ \

There is much self evident truth hovering above the realities of such statements. For the exampled fact, that he did actually use a weapon against 'his' troops, 'to save them punishment', says a great deal more than they contend we hear. Now really, how ''we be dying as godless war criminals for demon LIAR Bush'' dumb is that? (and how does such an evil thing steal our military command in an un-defended Johnny's America? as a dying for bushite tyranny, irrational neocon war wanker? like holy fu-k..) Remember: evil is real.

The time is now.

Let Johnny Wizard on Coast to Coast everywhere god damn them man, get US on the PUBLIC radio to make something better of ourselves by communicating freely. Do it!

Praise Jesus, and pass the ammo forthrightly. I'm a hungry man.

The Iraqi "Government" has arrested the woman raped by three Iraqi policemen
http://www.uruknet.info/?p=31340

/ / Janabi shocked Iraq last month when she appeared on Al-Jazeera television and accused three policemen of detaining her and then raping her in their garrison.

Her story earned a fiery rebuttal from the Shia Prime Minister, who praised the policemen and promised to promote them. His office released a medical report allegedly taken from a US military combat hospital that said the woman had been beaten [..] \ \

A senior Shia official said raids on the homes of Sunni MPs Khalaf al-Ayan and Dhafir al-Ani had found bomb-making materials. \ \

This is simple bushite tyranny of the dumbest order. No MP, beit pro or anti, is going to conveniently have such things inside TWO ADRESSES! Not impossible mind you, but highly un-believable. US officer "upset" Iraqi suspects taken alive, court hears
http://www.telegraph.co.uk/news/main.jhtml?xml=/news/2007/03/14/wsoldier114.xml

/ / A US military officer sounded "pretty mad and upset" that a group of soldiers had taken suspected Iraqi insurgents alive during a raid in which they had been told to kill all military-aged males, a court was told Tuesday. \ \

Come on now, who wouldn't take great joy in destroying any and all such ungodly bushite hatred for Humanity in this light of day, eh? In fact,why don't American Congessmen, who believe in defending Liberty, campaign JUST that? Why not??? Is it because they're LIARS?

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Rumsfeld, as it was told on Oprah, doesn't want any arrests of bushite rapists though, so has worked to deny Justice for female grunts by denying all requests to the 'Pentagon' from American Police Departments. [and you thought he was fired!] Why? because, they, the very weakest intellectually of America's - do what they're told teen kids, ALL don't have rights anyone in bushite corporate america is willingly strong enough as a dedicated Leader to speak in demanding defense of, for innocence.. Why? because they soullessly advocate continuing bushite war crimes for a stolen dollar. Stuck that way apparently. Support my rise to speaking publicly for open challenge on the rights and privileges of all concerned parties. Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape'

of the bushmob for 911. I would like to form a global posse of sleuthers to identify on international open line radio, all guilty INDIVIDUAL parties by evidenced conclusion on our highest of priority issues, and get started with the nothing to hide from anyone global arrests, with PUBLIC court proceedings, done all for our public interest as the refusing to further fall as innocent murder victims.

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush: "If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win." http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq

indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: Greenspan STOLE four trillion American dollars for his international billionaire banker friends before 'leaving'. [Asian market chaos SCAM]

Look: Lotteries everywhere in North America are running the same PROVEN criminal scams that cost US ALL billions and billions of public dollars that, without question, (as MATHEMATICAL FACT), regressively destroy our dying communities. CRIMINAL. [Solution: 100 percent cash payouts.]

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of steel running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. I've spoken to most of those 'in control', and I'm telling you, they're losers, and they know it. Remember: they'll censor my voice to send YOUR child to die for no better good, or reason understood, while entertaining. Weekend TV in North America totally sucks. Now, why do YOU think that is brother? The more powerless they make US, the more money the neocon zionists can murder Humanity for, thinking they might just get away from this if we continue to take no action in defense of anyone as God would will. Let me be Your servant King, by backing me up some here. We need some dollars to eat, and I need it now before we starve to deaths.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW

eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 100,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

Look: I am a guy that is regularly denied public access to our national radio programs because I speak documented truths consistently on behalf of real honorable soldiers and police officers. I agree with most, if not all facts Alex Jones importantly brings to our attention, however, I almost as often, disagree with his conclusions.

Support my cause, which is your cause.

King Johnny Wizard

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that Father's intent to bare on lancing Boudreaux, and any other who would sing in it's ungodly defense.

Zionist american media celebs do tell, everyday, soldiers for the neocon are all Heroes. (True Hero worship has long gone dead, and simple common respect for the starving man of Johnny

Wizard is almost entirely illusionary, but for the love of God has for me, the Son, to never stop caring religiously.) While McCainites advocate imprisoning any (chosen) man in America (with our familiar "Exploitation Units"), who has a picture anywhere on their computer of a fully clothed teen, while denying this following censored video of children being beat to death for fun and profit is real. When I watch only thirty seconds, my rage as a god increases beyond anything anyone of Humanity can even contemplate, and i start crushing bricks in my hands with fury, twist iron bars into pretzels, all as a foolishly feeble attempt to personally have killed those present in this video. Then I cry. I cried for these children present in this video the first time I watched it, and I cried last night briefly, before stopping it.

Please, my brothers, join me in hunting each and every bushite present in this video down for death. For a Love of God that will never end, until we have seen each and every responsible child killing bushite present brought to true Justice extreme.

ARE YOU TALKING TO ME? - A Johnny America Exclusive! - a candid interview on Bush's deeper than ever political thoughts about the war, up front, and personal. Surely, an historical event such as this, with the revelations contained in his own shockingly powerful words, while granting a stage in Johnny Wizard's World, is frankly, beyond the pale, quite shocking in perspective I'm sure I would state again. I feel confident Bush's surprising candor on life's humbling higher meaning wont make the crazies 'out there' any more less right per say. As for the barely living of you passing travelers to our dying Realm.... be ready to be taken on a journey of such profound discovery, with a wit never before witnessed from President Bush!, all about the cruel hardships Americans continue to endure without guidance through effective leadership. Without evidence to form his guilty verdicts. That orders the murder of the innocent with. I kid you NOT. Hey? maybe the Son of Man doesn't have to wipe out the entire human race after all.. With Bush co-operating now, I personally believe, no, I know, we're going to make a go of this after all.

Let US speak in challenge to any or all bushite enemies

NATO war plane bombers must be hunted down by the will of Humanity to be gloriously publicly executed to defend the innocent lives, they once again, have indiscriminately murdered in Afghanistan without a sliver of evidence, but for to say, some dumfuk had a 'rumor' that a single individual SUSPECTED to be an anti-heroin pro-child defending Taliban supporter, granted the bombers of NATO to wipe out an entire village MURDERED indiscriminately by the TRUE demonic enemies of LIFE. Please, if you must forsake me in your personal cowardice and self loathing, don't forsake GOD and America by not killing with PRIDE, these bushite dumfuks of NATO the first chances you get. Love liberty as if it were your own, and kill a lawlessly murderous bushite nazi savage for your

love of anyone included. (You can quote me forever on that.)

Giuliani told ABC's Peter Jennings on September 11, 2001

'..and I was operating in there [75 Barkley St.], when I was told that the World Trade Center Towers were going to collapse.'

WTC TOWERS? "WERE"?

Did you know that the international Johnny Wizard comic book is out there? Don't miss out on picking up a copy for yourself, or your loved ones. And did you know, I'm trying to get on international radio without a censor to thunder my audience back into submission. I HATE HANNITY. All I want is free open debate to resolve this crisis, that doesn't have to be so ruining our dying worlds without questions forwarded by the dumfuks. Justice is Paramount through reason to be so. The Bush Administration have been up to no good, escaping for 911, that New York City should sue for. Hire me on as legal consultant buddies, cause I'm like near starving broke here, with supreme court challenges failing my cost factor, and hunger pangs slowing our progress on fighting unjust incarceration. I desperately need money, like now, as a gift, or an advance on a industry paid private consultant gig. Or, instead, maybe you'll idly watch some innocent person willfully be sent to prison by liars in your demonized name, to defend the ungodly evils of war criminal traitor, our Mr. Bush Jr. in foolish disguises. Your call Bud.

be Wiser,

Johnny Wizard - Patriot Liberator of Eternal Destiny
(i.e. REAL sustainability as self sufficiency)

(i.e. nothing is separate from existence ourselves, not even time, and Justice is binding to defend our lives if practiced fairly with it's elemental divisions through reason. Example: a person accused of a criminal offence, without any evidence, is INNOCENT. Those who say otherwise, are the actual terror-ists. Civilization's ancient Founder Hammurabi, suggested just to openly publicly have executed those who lay capital allegations without any evidence, while working to close outstanding criminal investigations. A made CRIME within ourselves Hammurabi claimed, and by thinking such ways, brought birth of 'Civilized' to an untamed till then, chaotic confusion. Old becomes again anew, because Americans are weak as polluted, and too cowardly to defend the rights of US innocent. Let's change that. Support my climb to international controversy, with my unchallenged claims of direct accountability being sought, for the 911's neocon war terror plot.

No bushite was found gloriously killed for country, yet, they,
the godless bushite enemy, continued to shoot innocent People
indiscriminately for a distance of six miles, while likely,
secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent
un-armed Afghans were counted as murdered deliberately, by
those who believe our Mankind, can not ever find themselves
accountable, without zionist controlled, corporate news
permission. See? The military counts mankind as zionist, but
I am a man of real men, committed to defend our world from all
enemies, foreign, or domestic. Unlike a bushite traitor to God
and America, who's word, as Oath, means as much to them, as we
do. Ungodly as they are loveless, the bushite, is Life's enemy.

See my friends, this is why I, as the Son of Man beg and plead
for all able bodied men, to kill treasonous bushite on sight,

for every time you love God by defending the innocent from
murder, (the innocent whom any pro-bush corporate professional
hold in total self contempt,) you save REAL peoples lives, and
you defend God's good name to love God as ourselves committed
to true Liberty. Bushites are enemies of freedom, enemies of
God, and worthy of death, before allowed to further bomb
people indiscriminately like the commanders of NATO order day
after day without risking instant frag because, bushites are
blind cowardly thieving nazi fascist savages, brain damaged,
who believe as satanic demon whores of Molech, they can con

WHERE IS YOUR NATIONAL NEWS TO DEFEND OUR PRIVATE INTERESTS?

First things first: America must demand the immediate arrest of those who told America the victim committed suicide, when clearly, due to autopsy photos, the individual was tortured to death as the innocent. So, the 'officers' responsible for the fraudulent claims, need to be arrested for accessories to MURDER. The torture will earn them both the death sentence, if found guilty under STANDING AMERICAN LAW. And any bushite like a, it's always a great day George Norry, who purposefully with criminal intent stands in life's continuing way for Justice's demand, American Patriots will phone to Bill with every once of pinky power we have at our disposal.

Support Johnny Wizard's personal challenge against thieving LIAR traitor Hannity, and his corporate nazi bush whores who lore our stolen values by how much they can deny US privilege. Coast to Coast radio hosts need to be publicly challenged for debate they deny US knowing of together naturally speaking. Great example of our Problem: CBC National Radio, in Canada. When a caller phones during the very rare moments we're taking public words, have a pre-broadcast rig-a-ma-role question session, you'll have with not only the OFF-AIR screener, where he'll probe you for controversy, but after the first process of noting in book form your disclosed intel, will notify you that; IF your independent thought is granted by the "Producer" (- who reviews everyone - rules are rules -) Our national station will phone you back this afternoon, so stay tooned, to line you up with your baking gingerbread creds. They never ever dido! The more Brilliant you are, (like the highly charged as extremely charismatically charming, wild man ruler, Johnny America - the media phenomenoner) the higher probability they'll find POSSIBLE concern, on their do nothing for your taxed attitudes..!. Why take chances someone might show a greater living responsibility to a real suffering God as our left corporately forsaken Country?.?.?. A dying Humanity.

Look, seriously, my friends, we have all the answers to our problems.

Support Johnny Wizard's personal challenge against thieving LIAR traitor Hannity, and his corporate nazi bush whores who lore our stolen values by how much they can deny US privilege of equal standing.

Albeit, some rock/country/pop stations are now wading a little ways to allow minimal defensive communications on behalf of our truly dying communities. [i.e. the THIEVING Lottery actually takes more than communities get returned in cash transfers from the government, and this, beat up the unrepresented poor, actually ends costing EVERYONE more. [read "Stand Together, or Don't"] You don't know Evil until you hear CJOB's radio host pontificating on it's greatness to deny our community any time to respond to their direct criminality against OUR interests. A near 75 percent of Our radio content is private commercials, while the rest of twenty percent is amateur sport updates. Why don't the strangely often fat slob sports fanatics go away on their own as blood sucking leeches, and stop denying us more serious subject meters with 'we're just too dumb to hear' censorships. In Winnipeg, it is a teensy, tiny authoritarian illiterate group of sports crowers, that the station has devoted the Province entirely to for private financial profit. And so, what is someone in Selkirk Manitoba going to do with the play by play radio commentary?, not listen like everyone in Winnipeg does since, that's what. I personally can't even bare the wasted time, to finally get on to be immediately hung up on impolitely by a Station who literally robs from our community. More than 600,000 live in Manitoba, as apposed to a small cadre of proven criminals who stole our public phone system, or took a PULBICLY paid for Private arena or Private sports facility that cost us practically billions to get in the front door of the already completely paid for by ourselves ten times over, to maybe see a concert that Ticketmaster charges half the ticket price to simply just print a paper ticket/contract. ENTERTAINERS, let me be your manager's Manager instead, and I'll get you every last penny your fans paid to see YOU with. I could practically double your earned earnings, or, are you instead going to blindly give HALF your life to a scalper, who's done nothing creative but hire someone near minimum wage to press a print button religiously. I'll tell you what, we just won't do any more good shows until we can get this remedied by freely communicating our concern for dying soldiers left further without measured value, left to actually DIE in the gutter as homelessly forsaken.

Take care by taking action.

God we can't do this alone, I need you.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

Fact 7: This vaccine has purportedly been shown to protect against four types of HPV--6, 11, 16, and 18--while there are

over 100 strains of HPV. Does that make it worth it, even if these are said to be the most common types of the strain? \ \

/ / The average age of diagnosis for cervical cancer is 48 years old. But they propose to give this vaccine to 11-year-old girls. Not even Merck says the vaccine will last nearly that long. Merck says they don't know how long the vaccine will last. \ \

Don't let these neocon zionist bastards do this to US.

Bushwhore Tony Snow "[...]We konw[...]"

General Pace "[..]WE DON'T HAVE PROOF[...]"

Senator Hagel "..we're decimating our National Guard."

Again, commander Blount, a Saudi, from the third infantry, gave out 170 TONS of plastic explosives from Qaqaa to kill Marines with. And, "American Patriots" don't rightly bill the true demon nazi fuker for it. Again, Blount, a Saudi, confesses to ordering SOULLESS bushite soldiers to murder People indiscriminately for profit, all so to let US know he is there still laughing with our stolen billions. Bill the bushite Bush bitch Blount, a Satanic demon ENEMY for it.. why don't you? as the snookered to sacrifice your loved Family Guy, American Dad? Corporate TV News people are part of a death cult that doesn't rely US on evidence for proof they say we believe them unbiasedly without question. While forbidding ourselves to hear OUR calls for real Justice.

Get it done.

promoted through the tyranny of censorship

Corporate News America's Terror Expert, Gaffney, who publicly advocates the rape and murder of the innocent in Iraq to thieve from for the 'escaping' neocons, (as the truly UNGODLY,) stated these words about why American Soldiers continue to lawlessly DIE sacrificed for no better good or reason understood, as total willing dumfuks under deep hypnosis:

"It is not George Bush, it is not the Neocons, it is not people who have been advocating waging that [IRRATIONAL 'Evil' UNJUST] war [against the established innocent] where we find our [hidden from view] enemies, who are responsible for that fact that we are indeed in a global war [sacrificing our conned kids to the un-accountable war profiteering thieves of American labor as the UNELECTED]. It *is* the enemy that started it, that is pursuing it, and that is trying to bring it here back here home now. [, and that way, us neocon zionists would miserably fail against those who would speak in freedom's demand for Universal Justice. Real freedom I mean of course, you know, evidence to form conclusion factually, public trial by questioning juries, blah blah blah. We can't have that Now can We? Colmes? Greenwald?]"

"," = swinging pocket watch

Don't let these neocon zionist bastards doe this to US.
Either Gaffney suffers from some blind dolt syndrome, where he
clearly can't see himself flailing madly in criminal
ignorance, or he's an accomplis of blatant treachery, to help
escape his demonic war profiteering benefactors who murdered
thousands of Americans for similar gains through the
unspeakable bonanza of the "Pearle Harbor" like event that 911
was. What the peenackers publicly stressed they would crave
to fool US into Iraq and beyond as glorified war criminals.
911, New York City, where thousands of Americans were
murdered, and millions polluted. killed like now American
teen soldiers with the Iraqis. Led by a Sattler, or Mattis,
Blount or Russell, who order the murder of women and children
openly, and 'they', the actual soulless minions of the demon
antichrist, the true dumfuk cowardly enemies of Humanity,
don't cut them down instantly instead for Life as cherished.
That must change for our betterments. Kill any bushite bomber
and be loved by God's America.

Any Commander that doesn't support the arrest of those
responsible for 911 and the subseqent neocon war crimes of
Iraq, is a traitor to God and Country. Death to the bushite,
death to our enemies - so says Johnny.

How much much God take as taken, before you people get on over
this criminally empowered war monger Congress of an unelected
lawless dictator demon, and call them out on the turning talk
commercial radios, all to finally truly defend ourselves with
a good media plan for results.

Make the call, be a man.

further to the death cults of corporate news:

Realize, our corporate experts on Life in the national news
agenda, don't work to defend our children from mercury in
innoculations they promote for profit. Nor, do they tell US
about radio-active depleted uranium. Instead, as now, they
look to blame others, even God, when suggesting dna is
responsible, as if the American corp public could even comprehend
multi-demensional cross kingdoming. They can't, (too stupid)
but their Satanic death cult [no evidence] where they News
pretend and WE DIE, they are willing to continue to go with
by refusing all calls. Ahmad funded Atta, but they don't
want to tell US there either. Look how many people they have
so far watched murdered as the innocent for zionism while
entertaining.

Support our call to be heard my brothers.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Powers, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through

careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

Yours again,

King Johnny Wizard

CONTACT

/ / IDEA: Let's get our show up and running, by allowing open public investigations To be conducted internationally, with open line challenges, so we can publicly isolate each and every bushmobster personally responsible for 911, and then, all of everything else still left outstanding murdering ourselves. Whatdoyahsay?? \ \

Art Bell, the zionist enemy of Life, wont allow free communications with the established facts though,

What do you think? Are you truly all alone on this?

Again, more than half of the money being spent on demon Bush's wars against life's reason for being, is completely left un-accounted for thieving. Not spent to offer dumfuk cowardly soldiers help hunt to kill bushite rapists and torturers. Stolen American values Just like the bushite soldier on the ground, who after gunning down innocent people in the street, go through our pockets to steal the spared change. Kill a bushite for the love of God why don't you my American Patriot

brother and sisters?, today!

Again, my friends, Art Bell and George Norry have thousands of bushite dumfuk in America that will phone them to tell US how greatly they are to have no care for dying freedoms in America. While when the humans call, Art Bell for example, between breaks, when privately screening his calls, just hangs up on anyone he fears might articulate things like Ahmad funded 911's Atta, according to the FBI, in defense of America. I say, we at LEAST, talk about putting them both to death for treasons against Your Life dying teen soldier, wannabe Patriot. Make sense?

Again, corporate nazi america states 30 percent of America supports the ungodly George W. Bush's demon antichrist action, when in truth, it's less than one in a thousand. it's just CBC, CNN, CJOB, and Art Bell the liars ain't taking our calls for enlightenment. just like they treat the innocent in Palestine for zionism's encouraged racist in-action. For what does a fan of 'we're the best' Coast to Coast radio network family know about nothing after we witness them froth at the thoughts of nuking countries, or calling for enemies, none of us here in North America have any real problems with?

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and South African death squad goons, all to war Love for the neocon god haters. Who, as peenacking atheists, as their very own documents stress, would murder anyone of US for a stolen nickel.

Unhinged and unfit for office

This is why the Son of Man through God begs the Peoples of
Humanity to kill on sight, the enemy bushite betrayers to
Life. Ourselves, the innocent. These soulless grunts don't
destroy such deserving commanders, Like Blount, Sattler,
Russell, Wuterich, Pantano or even Kimmitt, and instead, as in
Fallujah, murder every woman and child present, while stealing
all our given monies for desperate life saving help. Anyone
in the Air Force deserves to be justly put down, for, I've

NEVER seen any legitimate bombing campaign, but for to kill
People indiscriminately like NATO regularly does with
radio-active toxic waste, while then sending in the dumfuk
Marines, or the 'from the coast' Canadians, who of course,
rightly get killed on the ground in retaliation for such blind
evil stupidity. Please, I beg, help Iraqis, and kill the
bushite thieves to defend our forsaken God. American
children, help me my loves. Please don't allow the bushmob to
escape for the treasons against America on 911, for, bushites
are OPENLY traitors, as the TRUE enemies of evidenced Justice,
as the Freedom to do our own things loving God on our own.
Besides, most bushites aren't even registered American
citizens. Bushites need to be hunted down for destruction -
by the Loyal Christian American Patriot Soldier, the ones who
war to win against those who torture US innocent to death as
the ungodly Satanic LIAR enemies. Save the Humans, kill a
bushite false accusing traitor of American Freedom To-day, and

McCain is a demon enemy of Life ourselves to promote the arrest of all the goodness that beauty brings in the heavenly art of our clothed teens. If it weren't for Earth Women, God's boy, Johnny Wizard, wouldn't even be here to bother. It's the reason I first picked up a guitar, it's the reason I did my early plays, then monster movies, and it's the reason I praise the orchestra of the Heavens in Dream, and well.. it's just the reason for everything. I speculate sometimes perhaps slyly that G was kinda lonely all by ourselves for zillions of years, whom, for entertainment, loved us up on the entranced exit starting - before a beginning without ending, yet, as outer there, is still the insider here, forever being we sorta, and gave us this foolish boy for the mental gymnastics. All in good fun. Rocking on to leave all as Mystery, never realized forever and a day in Eternity. You are a Servant, as so I am. Quite a place eh kid? So as it looks now presently, we're here still barely hanging on striving to survive against Mr. Bush's continuing unfair irrational tyrannies of clear injustices committed in Your Name against our Humanity, or, end ourselves dying without true representation, left falling further forsaken. [Home is home sweet home as in Chicago, as we always was going to with or without our loves heaven bound. Please help God.

We have to overhaul how all our national news Podcasts are assimilated through corporate nazi zionist censorship. Art Bell and George Norry are enemies to ALL american teen troops put in harms way to die as bad guy irrationally for the neocon God betrayers. Why? because they purposefully lie to have YOU die as innocent murder victim. Death to the bushite, death to God's enemies.

Well, gee, Iran has no nuke program, in anyway, shape, or form, but Israel wants to murder more of humanity for their ungodly lies anyway. The enriched uranium Iran is making, can not be used for a bomb because it's only enriched to 2 percent, and to get the bomb making stuff, you need a COMPLETELY different technology. But science?, in bushite america? Nazi America would rather be nazi chauvinist pigs, before admitting the Son of Man exists, or to go to the trouble of phoning someone who refuses to take our public calls for Justice. A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification, concluding Naturally, that all stolen Iraqi money must be returned by the will of GOD to the victims; with those responsible for stealing it, made to pay US back, with the true American Patriots to be found, backing US up 100 percent. The bush administration has teamed our kids to

mercenary forces who have no loyalty to freedom but to freely die another Marine for more dying stolen values. While successful at it corporate America, just lies and lies and lies without shame, nor apology for the death of your poor cowardly kin.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin, and, Influenza is a constantly mutating virus. So, pre-determining which 'deadly' strain is going next, is only because the WHO wants to continue killing US for huge cash profit. With cult slaves, like those who forced Jones Towners to drink at gun point, are the same as those who now demand we give our girls of America from Texas such. It seems the magic TV news people don't want to trouble us on this matter of our actual survival.

You must wake up to life's demand for you to defend our dying lives my friend. Please? Make the call, be a man to defend our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill it proudly for freedom, as an undying love for a real God and Humanity.

/ / she told The Nation. "If I contribute to the Army's prosecution of Lieutenant Watada on speech-related charges, I will have colluded in suppression of speech. What could be more hostile to the ideas of a free press than that?" \ \

Again, a Patriot Soldier whos only crime is that he refuses to commit a crime in Your name. Do something about it.

George Norry and Art Bell are enemies of American chances for survival of our dying teens. Their contempt for Justice in America is blatantly EVIL, and worth killing before they do another dumfuk, they hate US, zionist demon broadcast. Traitors to God and Country George Norry and Art Bell are. They'll laugh, sing, and cheer while KILLING your CENSORED forsaken Son or Daughter, needlessly trapped sacrificing with the ungodly 'lawless' bushite zionist enemies, all before allowing any REAL Americans to SIMPLY discuss evidence as a requirement to convince ourselves of something. Norry, that demon fu-ker, has an endless supply of bush whore callers, that'll tell him, he doesn't have to read the news, read his email, or hear the screams of dying innocent murder victims. Sure, once a year, maybe, we'll get the Patriot popular Alex Jones, but he's too terrified of me as Puppet Master, or US, or talking about the NO CAUSE Iraq war, that Iran doesn't have an ability to create weapons grade uranium, or that General Ahmad funded 911's Atta.

Real Americans are those of US as humanity that believe in liberty as Justice for all. Demon bushite nazi whores, don't like those principles of freedom through evidentiary findings though, for their false deity, George W. bush Jr, wouldn't be stealing from the honest hard working blokes who live for a better day that way.

/ / Four US oil companies, namely Conoco, Chevron, Amoco and Philips have concessions in nearly two thirds of Somalia. This quartet of oil conglomerates was granted these contracts in the final days of Somalia's deposed dictator, Siad Barre.

The US first military engagement in Somalia was fully supported by Conoco. \ \

In the new world, these soulless bomber bushite of the air force, responsible for blatant first degree acts of murder against the innocent, would be hunted down by Humans, tried, then executed gloriously in the defense of our living justly.

So, is the block head saying American soldiers so far have died for lawless tyranny? Kill a bushite, to protect the lives of us as innocent victims in other words, right?

/ / And the Iraqi people owe us a debt of gratitude?

Bush continued, "I believe most Iraqis express that. I mean, the people understand that we've endured great sacrifice to help them. That's the problem here in America. They wonder whether or not there is a gratitude level that's significant enough in Iraq." \ \

Is Bush saying US dumb bastards don't give enough in sacrifices to himself as the demon antichrist?

New Recruit

Destroying enemy bushite is a gift to Humanity, it is saying you care for the lives of the innocent a bush bitch nazi grunt freely confesses to targeting for murder. Liars are the bushite, who steal Iraqi resources, allow racists and rapists to commit their demon crimes in America's name un-challenged, and who absent mindedly bomb the innocent without just reason given. All the while, labeling themselves, "pro-Iraqi".
snpd

Real Americans are those of US as humanity that believe in liberty as Justice for all. Demon bushite nazi

whores, don't like those principles of freedom through evidentiary findings though, for their false deity,

George W. bush Jr, wouldn't be stealing from the honest hard working blokes who live for a better day that way.

The Iraqi children did nothing to deserve such awful suffering and fright and death at the hands of the enemy bushite. The bushite: who the demon anti-Christ states, are un-accountable to any rules of law in this Universe, like with his extremely foolish criminal decree, 13303. I kill mindless parasite bushite nazi enemy soldiers just for that alone as eternal defender, and I do it for to win some mercy for a real living God, who the fascist enemy bushite hold in their ungodly contempt as LIARS.

I have the backing of every real man alive on this planet, and we all know it. No voices of reason have apposed my factual claims in FREE Usenet, and Art Bell makes no attempt to defend himself as internationally painted enemy traitor, and that says a whole lot to Talk America. Why? Because Mr. Bell, the bushite propagandist, knows too, I speak and act truthfully, honorably, and righteously, while the talk radio american bushite lies, cheats and steals from America's America, that as bushite, leave undefended for criminal plunder in Your name call censored from classed enrollment. You have just as much a right to be here as I do, and the demon bush, he ain't no better than any of US when he is "excused" for the murder of well more than a hundred thousand confessed as completely innocent people on this planet called Earth.

The fascist control bushite, don't like You to think independently for Yourself, for we independents out here make them look as stupid as they are. Thank you very much for that not so secret info.

Through the pronounced bush demon's gaffes, embarrassments, and told complete total ignorance on subjects like the science of economics, the whys of constitutional law, or when the bushite takes credit for indiscriminate killing of our families and friends while parading it's all done in bush's name for our freedom, or for 9/11, doesn't fool me, and should get you thinking about reaching for your guns too, for bushite rapists and torturers will not walk this world freely un-accountable, for as long as we remain alive to hunt them down and kill them if so be. As the soulless disciples of the enemy anti-Christ, Our Mr. bush Jr., their "officially" granted legal immunity from all

prosecution means nothing to me as a honorable man
defending my humanity, or as living Creator, who brought
all into this new world to be free, and can just as
soon, take you all nazi bushite out the old school way.

How The Demon Bush Misled God's World

How Bush misled the world
http://www.theage.com.au/handheld/articles/2004/02/05/1075853996640.html

/ / Once the document was declassified after the war it became
known that it contained 40 caveats - including 15 uses of
"probably", all of which had been removed from the previously
published version. Tenet further ingratiated himself by
remaining silent about the OSP. "That's totally unacceptable
for a CIA director," said Thielman. \ \

Thielman meant "totally unacceptable" as in HIGH TREASON.
Could it be any higher? Deliberately caught misleading
whore-dumb Congress to wage his immoral neocon 'escape' with a
unjustified criminal brutality against God as all of our
Humanity. A great deal more than a million innocent people
have been victims to the 'targeted' Zionist killings of the
irrational bushite enemy. Lawless enemies to Creation,
spreading their toxic waste who thieve, rape and murder
without reprimand from corporate news america, shall, I pray
daily, die justly in vengeances by the will of a real undying
Love for our victimized innocent family. Justice for Humanity.

Please, help US.

The guilty party of Haditha have confessed that targeted
killing of innocent children is fair game in their worlds, and
as confessed, they 'got away' committing the same Satanic acts
- going house to house in fallujah murdering more than two
hundred thousand innocent folks for LIAR E-N-E-M-Y Sattler.
Bushite corporate america, has stated in silence, the bushite
enemies of Haditha will never face public execution for such
offences, YOU apparently WILL NOT GRANT IT, too cowardly, and
in all likelihood, (like those of the Saudi Blount's third
infantry) will be allowed to walk freely down american streets
after being found guilty as politically supporting the robbing
and murder of innocent men, women, and children all because
we're rag-heads or niggers. The, deserving to die as
illiterately intolerable bushite drone soldiers HAPPILY,
WITHOUT QUESTION, co-operate with ANY lawless mercenary forces
such as south african death squad goons in finding the enemies
of themselves. Purposelessly ungodly bushite soldiers are
told they are DYING to defend Iraqis, while breaking out of
prison, mercenaries caught trying to kill innocent Iraqis for
fun and profit. While, at the same time, actually having
SLAVES from India preparing their lunches!!! And guess what?

they're coming to live bushite america as the patriots after they get killed you're forsaken American Son or Daughter teen! With millions of stolen American dollars to set up new 'freedom' operations.

Shirley, bin Laden would be sided with the fundamentalist Shiites, before, everyone-is-an-equal Sunnis, who as Bathists, had no problem WARRING al-Qeada, while counting as members of their party, Christians, Jews, Muslims, and Atheists. But corporate bushite liar america says no, bin Laden supports Sunni IRRATIONALLY, and that is why bushites have to sacrifice in partnership with those who blow up PEOPLE indiscriminately as the 'good guy' 'heroes'. Similarly like in Somalia, where bushite forces are working to directly arm those who murdered American GIs during Clinton. Those war criming repuglicons responsible for the bombing need to be tried and executed for committing first degree acts of mass murder in America's name. CBC, in Canada reported that Pentagon sources allege their isn't any evidence whatsoever to what bushite news america has reported to the dumfukked populace. [Peter Lance will tell you [mind you, half assly] on behalf of investigating officers of our LAWS, it was a dishonorable LIAR Green Beret actually, a Green Beret who set the bombs and blew them up to KILL AMERICANS, but says Laden ordered him to it though, so he gets to go free on his own apparently. An individual EVERY AMERICAN should hunt to kill with Americxan Law firmly established already. Why? Zionists murder Americans for profit, by simply lying un-challenged through corporate mind control, and culted soldiers to this day, would thoughtlessly call the ungodly lawless bushite traitors to freedom, 'good guys' and 'heroes'.

Let US demand open radio
communications on the mathimatical facts to save our own selves further victimhood to their personal contempt for the true value of YOUR life. Thanks.

Can you help us speak this outrage to your local media outlets?

thanks again bud.

- "The months preceding September 11 [see] a shifting of the US military's focus ... Over several months beginning in April [2001] a series of military and governmental policy documents [are] released that [seek] to legitimize the use of US military force in the pursuit of oil and gas." Michael Klare, an international security expert and author of Resource Wars, says the military has increasingly come to "define resource security as their primary mission." In April, Tommy Franks, the commander of US forces in the Persian Gulf/South Asia area, testifies to Congress in April that his command's key mission is "access to [the region's] energy resources." The next month US Central Command begins planning for war with Afghanistan, plans that are later used in the real war. [Sydney Morning Herald, 12/26/02]

See? It's admitted that the zionists planned to STEAL the rights of Afghans for Enron, by LYING to SOLDIERS to get them killed as the American Pension thieving bad guys. Too COWARDLY parasitic to hunt those responsible for murdering thousands of "Americans". So, as a consequence, they, as loveless bushite drones, die cowardly with the once great America as enemy corporate fascists to Freedom's Justice, Our Living God.

John's truth. Killing a THIEVING bushite is to save the lives of the innocent they target for murder. The cowardly bushite, dies sacrificed - all to help IT slavishly escape those responsible for 'getting away with' murdering thousands of Americans in New York City on 911. Sorry George W. Death to the godless bushite, death to America's lawless enemies

DUMFUK BUSHITE ENEMY OF GOD "This is not a job in anyway shape or form, this is not a job. this is a lifestyle. and we choose this type of lifestyle."

Traitor LIAR Hannity "Knowing the danger?"

DUMFUK BUSHITE ENEMY OF GOD "Yeah."

Traitor LIAR Hannity "Well, isn't that the definition of Bravery?"

The DUMFUK ENEMY OF CHRIST "Uhhuh."

See, TRAITOR Hannity [who deserves to be executed for the treasonous DOCUMENTED lies he tells America almost daily] would claim any and all serial murderers and rapists in America are the definition of bravery. Bushite dumfuks deserve to die as enemies of America because they openly, purposefully target the innocent to rob from and murder, as bushite did on 911. They bomb cities. Thus is why Christ [ME] tells loving children to gladly help Life kill their own godless fathers or brothers who CHOOSE to commit these war crimes against our humanity with their contempt for Justice, Johnny and America. {Especially those in George W. Bush's air force.] A bushite's hatred for America is blatant with every monosyllabic grunt they make. In nazi zionist america, they have a Zionist national radio program that forbids the

nation to know they're presently being victimized for criminal sacrifice, and apparently, Americans would rather DIE, than hunt George Norry, or Art bell for questioning. A nation of fascist nazi cowards, who go silently to their graves in their support of torturing innocent people to death for the thieving EVIL bushite's pleasure.

Death to the godless bushite, death to America's lawless enemies.

Bushite Zionist atheists believe that I, as the Son of Man, Couldn't be anything but their worst nightmare. AFFIDAVIT

AFFIDAVIT OF JOHNNY WIZARD

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01] The individual who makes the wire transfer at Ahmad's direction is Saeed Sheikh, later convinced for kidnapping and murdering reporter Daniel Pearl in February 2002. ABC News later reports, "federal authorities have told ABC News they've now tracked more than $100,000 from banks in Pakistan to two banks in Florida to accounts held by suspected hijack ringleader Mohamed Atta." [ABC News, 9/30/01] CNN also reports the $100,000 transfer, and the New York Times specifies that it came in 2000. [CNN, 10/1/01, CNN, 10/6/01, New York Times, 7/10/02] Ahmad's order must have preceded June 2000, since that's when Atta and others started opening bank accounts and receiving the money ($109,910 is received by Atta and Marwan Alshehhi between June 19 and September 18). [MSNBC, 12/11/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy

documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegations, thereby guaranteeing criminal invasion. Only workable if Laden pleads innocence to a crime that hadn't yet taken place, a crime serious enough to "justify" sacrificing American GIs truly for a liquefied natural gas pipe line for pension thieving Enron. ["The Dahbol Working Group" and Bridas] Any evidence for any

offense would have been sufficient to have Muslim fundamentalists hand Laden immediately over, as they had offered [as others of other nations had also] repeatedly during the Clinton years.

CBC and CNN have still, to this day, consciously refused to do any follow up on the intelligence, deciding instead on behalf of dying people everywhere, our public devolvement of a just society.

RTÉ News - US rejects Taliban bin Laden evidence calls
21 September 2001 17:41

The White House has rejected requests from Afghanistan's ruling Taliban for proof that Osama bin Laden was responsible for last week's attacks. According to the US Secretary of State, Colin Powell, the United States has enough evidence to try bin Laden in an American court.

The US Government said there would be no negotiations.

After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" October 9 2001 - The Times of India

"While the Pakistani Inter Services Public Relations claimed

that former ISI [the "Pakistani CIA"] director-general Lt-Gen Mahmud Ahmad sought retirement after being superseded on Monday, the truth is more shocking. Top sources confirmed here on Tuesday that the general lost his job because of the "evidence" India produced to show his links to one of the suicide bombers that wrecked the World Trade Center. The U.S. authorities sought his removal after confirming the fact that $100,000 were wired to WTC hijacker Mohammed Atta from Pakistan by Ahmad Umar Sheikh [Omar Saeed] at the instance of General Mahmud [Ahmad]. Senior government sources have confirmed that India contributed significantly to establishing the link between the money transfer and the role played by the dismissed ISI chief. While they did not provide details, they said that Indian inputs, including [Omar Saeed's] mobile phone number, helped the FBI in tracing and establishing the link."

8.

No evidence was brought against Laden for nine eleven, none. [So according to Bush's official top secret Presidential directives] While Laden himself claimed he played no part in 911. Still, to save the lives of third worlders on the brink of starvation, Laden agreed to hand himself over, but Bush refused the offer, while CBC and CNN denied to report on that fact for the behalf of now dying dismembered American GIs. Once the indiscriminate bombing began, targeting almost every building in the country of Afghanistan, Laden then claimed he had no choice but to fight back to defend US innocent from the ungodly enemies of Creation/Freedom. Then the clear to all fake video came out with an actor who's face wasn't even close to looking remotely like Laden, but for almost the facial hair. [Bridge of the Jamaican actor's nose is HALF as long in proportion to Laden's for example, and surely frightfully shocking for some, the actor doesn't even take blame for 911 either!] Photos comparing the two faces never aired on CBC and CNN available in about twelve seconds with the power of the Internet.

The Washington Post, 23 September 2001.

At American urging, Ahmed traveled ... to Kandahar, Afghanistan. There he delivered the bluntest of demands. Turn over bin Laden without conditions, he told Taliban leader Mohammad Omar, or face certain war with the United States and its allies.

Mahmoud's meetings on two separate missions with the Taliban were reported as a "failure." Yet this "failure" to extradite Osama without providing a shred of eidence was part of Washington's documented design, providing a pretext for a military intervention which was already in the pipeline. If Osama had been extradited, the main justification for waging a war "against international terrorism" would no longer hold. Nor would the ready to go Patriot Act. Incidentally, when MSNBC contacted the Whitehouse regarding the top secret invasion of Afghanistan plan, it was confessed that the plan had been "fully implemented"

What seems even more disturbing, to me, and PBS' FRONTLINE, is that there was a "State" plan, the ORHA plan to prevent looting and carnage, but it was sabotaged by rumsfeld and franks, so the bushmob could try to make some sense of needlessly bombing the country for our labored dollars, while robbing the central bank and museum by mopping up the mess with the bodies of American Patriots still dying as da' dumfuks.

OBSTRUCTING JUSTICE FOR AMERICA

Tony Snow "The executive branch is under no compulsion to
testify to Congress because Congress, in fact, doesn't have
oversight abilities."

IT LOOKS like they are going to attempt making the move of
BLATANTLY TREASONOUS war criminals acting to measurably now
destroy yOur Freedoms in godless America. The Satanic
neocon's 'faith', is in that YOU as an American, will watch
the same corporate drivel that offers next to nothing to
empower YOURSELF to speak Justly for a dying America. Instead
of demanding 24 hour, wall to wall news coverage, of war
criminals going down one by one by the will of Man to Justice,

CNN, CBC, and FOXNEWS will broadcast your blind 'belief' that
you are only a impartial viewer, who doesn't really care about
dying right in front of yourself for the zionist's riches, and
great worldly power of tyranny through nazi bushite censorship.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in
crime"

Jesus man, do I truly hate these zionist nazi thieving LIARS
on our magic TV shows who con our kids to die as bad guys.
How about You?

911! What have innocent people to fear from a fair, complete
and real investigation? \ \

They are guilty, so, of course, the demon Bush enemy,
OBSTRUCTED JUSTICE FOR AMERICA.

I hear the national radio program Coast to Coast is still
feeding us neocon lies. Why don't you make the call for
Johnny.. believe in yourself for a change why don't you?,
buddies??... I am Your god king. King Johnny I am. Champion
of Universal Life! Not enough? Who cares?, to allow US speak
on our broad casts as legitimate? Worried I'm going to love
Life as truly honorable, and Greater than those who openly lie
to our soldiers to have them unjustly die for no better good
or reason understood? Let us make life better than the neocon
envision, and support our rise to popular acclaim by allowing
US to speak openly for public challenge in defense of America.

Death to the neocon soldier, death to the enemies of Man.

AMERICA HATES BUSHITE

Nationally broadcasted every day across America, Mr. George Norry publicly supports the murder of innocent Arab children, and I'm beginning to really hate a silent dying America for it. Speak to defend the innocent in this world American, or die yourself from self contempt.

Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man.

/ / "They can try to have their votes of no confidence," the president said, "but it's not going to determine - make the determination - who serves in my government."

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Christ, The Son of Man, Begs the Godly Men of Earth

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Brig. General David Fraser - former nazi commander of NATO who 'okayed' the bombing of defenseless innocent Afghan women and children for the Satanic enemies of Man, stated on CBC, he liked killing police officers, along with innocent women and children, (deliberately targeted for the pleasures of the demon antichrist) because, Afghanistan's children hope to learn. See? The bushite 'will' murder all our children and teachers on hope that we will never learn the Taliban, led by "Omar the Just", were loyal to Christ as REAL American Freedom, when publicly demanding evidence to form your conclusions. Thus is why the ENEMY to LIFE neocon state on YOUR TV and radio, WE must never be allowed to speak openly with the Taliban regarding the FACTS. Because if we did, neocon pension thievers would be hunted down in the streets for public trial, and then gloriously put to death by Christian values committed to TRUE freedom from lawless godless zionist LIAR tyrannies against Mankind - YOU included.

George Norry and Art Bell are the most evil of bushite, who as betrayers of the Human race, deny soldiers to know: General Ahmad funded Atta. They will both support the murder of Your American Son or Daughter for further zionist evils, before allowing true open line communications, to defend ourselves from the lawless demon enemies of Man. Do something about it, or don't. Let TRUTH set US free.

Instead of making an easy phone call today for your dying brothers and sisters, die as Satanic bad guy enemies of Life on Earth, sacrificed in cowardice to the real demon antichrist, and see if we, the true, strong, and free, care. The Son of Man SCREAMS before coming home to GOD'S America: We are coming to destroy Satanically lawless bushite enemies, all for the love of God, we shall succeed my friends, we

shall succeed. I will not willingly live in a forsaken world with LIAR zionist war criminals conning US to believe, God is not Great, True, Strong and Just.

terrorists, like the bushite who video taped the murderous assault of OUR kidnapped bare footed children, or murdered Iraqis while desecrating ELVIS, done all to please the "escaping" satanic demon antichrist zionist, Our Mr. bush Jr., who with his private business partner, General Ahmad, actually committed the ungodly treasons of 911 in a land of blind men sleeping., according to the eternally Honorable FBI anyway.

Death to the ungodly bushite thieving LIARS, death to the ungodly enemies of American children everywhere. GOD praises all Men, who kill the murderous bushite enemies of America's America. "The Liar" Hannity's America, can go it alone as treasonous liars, who boastcast a con to 'neutralize' America; 'finding' that we believe their demon lies about how one dies sacrificed 'Heroic' without any IMPORTANT questions answered. do we do?

To Kill a Bushite, is to be Heroic

To further murder as these ungodly bushite liars do today as our suffering Mankind, is to blindly swear public allegiance to the for real DEMONIC antichrist THIEVES. Bushite enemies are evil nazi dumfuk scum, liars who cowardly watch America in her weakness be high jacked, and squeak nothing for Just words in our REAL defense for dying. Play pretending their actually real men, because to really be so, requires real strength. Not bush bitch Marines "WHORES YEAH!" strength, where they cowardly can't figure to defend America from ungodly war criminals. War criminals who deliberately set them up with Satanic 'black magic' to be killed in criminal actions. P2OG. But see?, the bushite fodder, can't care enough for Life to read, because it already knows like the zionist, it's an ungodly coward and a thief, as siding to lying and censorship, this will out work for evil doers in the long run without any consequences to themselves as Our sworn eternal enemy.

Bushites 'think' that being Satanic brethrens for the LIAR neoCON, they'll die sacrificed not seen by all Patriot Warriors, as a dead coward - too fearful to stand as a godly Man for true accountability to living Life honorably. Cheney, McCain, and 911's gooliannie believe, You can only TV 'see' them protected Satanically by "Molech" [THEIR DEMON COG] Immune from REAL American Justice the bushite bray, We are told they believe so anyway. By Satanic command, 'inconceivable' to see the bushmob up on high treason charges... Oohh. Yeahhh.. I can see that going for real - quite excitedly I am about saving innocent lives. So, let's get done what needs to be a doing to save ourselves, so we can get this talking all behind us now, and reach for something truly breath taking as awarding,

Your Servant,

Why should WE continue to silently die unjustly victimized?,
for the bushite's contempt of Mankind censored?, the Eternal
Son of Man to GOD forever answers correctly. We can really be
something greater, while a murderous bushite thief, a LIAR,
can hardly read or write Liberty without flinching from self
contempt. Bushite tyranny is a dead end road paved with
missed opportunity. change your evil ways in other words, and
join the living side that's light to know what we are, in
deed, looking at here under the dying spoils of bushite, "we
pay" misfortune. To hell with Satanic demon devil worship by
the President of the United States, We, the People answer,
for now anyway, we have some really serious business just
presently, and we really don't need to be any more reminded
about Mr. Bush's satanic Devil, demon whoreship, of, "Molech",
a religion practiced to deceive America into sacrificing our
kids for cash with YOUR blood.... Tricked. Tricked. Tricked.

Nationless bushites who blindly war Life as the neocon
enemies, war for the 911 perpetrators to escape American
Justice. that is why I, as of GOD, cheer to hear the deaths
of these pro torture, pro theft, pro Satanic enemies of Man.
They confess freely to targeting INNOCENT People for murder.

Hillary "[DEMON] Bush pulled out the inspectors."
[DEMON] Bush declared, "and he wouldn't let them in."

In Hell

Firstly, the White house doctored the NIE in an act of HIGH
TREASON.

Two:

CNN with Hillary acknowledges that the demon Mr. Bush pulled
inspectors out of Iraq, but then... how is this not HELL to
pay?

/ / Bush declared, "and he wouldn't let them in. And,
therefore, after a reasonable request, we decided to remove

actions he is PERSONALLY responsible for Christ asks YOU?

/ / So, there was indeed no imminent threat posed by Saddam to
Amerka, and inspectors had complete unrestricted access
throughout Iraq without delay prior to the, bush demon's
further war crimes. So, what was the reason for all the
pointless mass murder and destruction again? Oh right.. to
sacrifice American soldiers so terrorist bush's war
profiteering can feed off themselves as family without
leadership present as spoken for.[...] it's only the dummy
American People bid payers again left unaccounted to DIE
intentionally. \ \

The Haditha perpetrators, if convicted, are looking at serving, maybe, a couple of years, for freely confessing to the targeting MURDER, of innocent women, men, and infants.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man. - The Son of Man, as the Man of Men,

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and that's why he irrationally started this war against God conflict. Impeach him, then have him PUNISHED for high treason against a further dying as truly unheard from America

- for that lie alone - we ALL could/should stand together as equals demanding re-dress for the innocent murder victims who've suffered for such contempt, and belligerence for the basic precepts of freedom as Justice, or G-D as Johnny.

/ / "It could make August a tough month, because what they're going to try to do is kill as many people as they can to try and influence the debate here at home. Don't you find that interesting? I do, that they recognize that the death of innocent people could shake our will," the President explained. \ \

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and South African death squad goons, all to war Love for the neocon god haters. Who, as peenacking atheists, as their very own documents stress, would murder anyone of US for a stolen nickel.

Kucinich for President!
http://www.democracynow.org/index.pl?issue=20070524

Now, it's true, America's Alex Jones states Kucinich wants to take away all your guns, and is a communist, but, Alex as sometimes, is terrified of those who seek the requirements to defend freedom directly, as more specific. (Example: NWO isn't the name of the specific guy who financed 911 to murder America.) So, as a consequence, he gets near ridiculous with labels applicable to generalizations only dummies could believe blindly. With Kucinich campaigning on ACCOUNTABILITY, Alex Jones looks quite foolish. But, he's still trying. Thank god for that. Thank god for that. Talk radio in America should take open line calls on our ideas about how to actually plan to defeat these, found factually to be, traitors to God and Country.

Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist demon enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. Receive thanks from everyone, GOD included, by rightly destroying such inexcusable treasonous ungodly enemies of all human life.

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

War and the Police State: Complicity of the American People

SATANIC AMERICA

/ / After playing a tape of Cheney's statement, Russert asked
Daschle, "Did the vice president call you and urge you not to
investigate the events of Sept. 11?"

MSNBC told YOU when interviewing Tom Daschle in discussion
of the official public contention, that immediately after the
terrorist act of 9/11 in New York City, (where thousands of
American People were murdered,) bush and cheney frantically,
desperately, INTENTIONALLY, worked paid overtime to close 9/11
(the justice-freedom thing) Investigations on who or whom
planned to get away un-apprehended with the still living as
freely wealthy General Ahmad. \ \

911 "truthers" don't want to address the hard evidence like
the clear as day video of steel running like water from the
WTC towers, for, as Humanity witnesses, they'd rather watch
silently, children murdered indiscriminately, before,
acknowledging wise godly men from our communities who speak

ONLY facts on America's derision for real, open market Free communications - freedom fighters who ACTUALLY defend the innocent from the neocon bushmob traitors. Each day we hear of near hundreds of US murdered by the godless Satanic THEIVING "American" forces in Iraq. without near a peep of concern by "America". Lawless bushite mercenaries torture rape and murder, paid to do so by the WILLING American tax payer, and near 300 million "People" (the NAZIS) can't find the effort to pick up a princely phone and call the ENEMY pro child killer George Norry, (who broadcasts every day across America nationally for the IRRATIONAL neocons,) to air any real concern for our Lives. True, the demon enemy censors OUR calls, and contrives WE a buyer without questions, but he doesn't censor You always forever. So, get to it fukhead, JOHN is growing angry with americans of EVIL ignoramuses escaping the bushmob for crimes against MY HUMANITY. The Son of Man States: Death to the bushite, death to our MURDEROUS enemies, who lie cheat and steal to assist in the further criminal escape of the ungodly bushmob for 911 as TRAITORS.

non-believers state together:

The Iraq war against Christ has no true justifiable cause.
Torture is against the law warranting immediate death sentences
The Zionist AIR FORCE bomb people indiscriminately as Satanic
The bushmob stole all the Development Funds for Iraq
The bushmob are stealing ALL of Iraq's oil
The bushmob stole 100s of billions from censored AMERICANS,

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously

CONFESS to going into a house, WITHOUT reasoned approach, and
slaughtering an entire INNOCENT family.. for nothing but

The Pentagon's Power to Jail Americans Indefinitely

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to

down in their streets for death to defend the innocent held
indefinitely against GOD'S will. Death to the bushite, death
to Johnny's godless, lawless, fascist enemies of FREEDOM.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

pleasure of the president

US Attorneys don't serve "the pleasure of the president", they serve freedom lovers dedicated to defending America from willful criminality. But, americans are too stupidly weak to demand Coast to Coast hosts allow open communications on America's highest of concerns. Bushite america would rather, in silence, thieve from God as our Humanity, than serve the protections of Justice as ourselves.

/ / According to the Islamic understanding of power, the Mujahideen don't compete for the positions in the leadership. \ \

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Hmmm. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. The tribal strategy of Afghan fighters, where Allah is Oonerroh, seems to be not the only thing missing from the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top top top leader. Only "second" to Omar the Just. (Apparently an individual this current bushite incantation of "Dadullah" is totally un-familiar of.) Omar, the Just, whom Dadullah claims he receives his Top Secret nobody can see'im orders. In other winds: Bill a bushite for God and America, an all day long you'll have good faith in a world freeing ourselves of godless dumfuk tyranny implemented by the horribly foolish, as deeply ignorant of Allah, bushite demon liars for the traitor neocon. TRAITORS!

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering? Frankly, George Norry is a total dickhead. True, he has lots of money in America, but he's still a dickhead nevertheless.

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most

likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

/ / According to Danish Karokhel, director of Pajhwok, the Italian government should negotiate directly with Dadullah. "Italy is negotiating with the wrong people," he said in an email to IPS. "The only one that counts and decides is Mullah Dadullah." \ \ Oh Yeah, but what about Omar the Just, And... hmmmm. who is Karokhel today anyway, and when was the last time anyone seen him alive?

/ / How did a member of the Taliban in Afghanistan get hold of the phone number of an ABC news producer? Afghan 411 must be REALLY good! \ \ iiIII! can't even do that.. well... easily from Canada as an official non-fugitive that is. Just what is the going rate of satellite phone service out of Afghanistan? Remember: evil is DUMB about everything, including technology. Or so, how are we missed for report by point to point presentation using the same old satellite for phone service? Repeatedly calling the same mumblers? Jesus, If we really worked at it, I could probably reach where they were in a day or two by hitch-hiking.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

/ / "He realized that they had killed these three [innocent] detainees, and in that moment, yes, he decided to help his [ungodly murderously nazi fascist] squad members, [escape Freedom through Law wisely practiced]" Gorecki said. \ \

There is much self evident truth hovering above the realities of such statements. For the exampled fact, that he did actually use a weapon against 'his' troops, 'to save them punishment', says a great deal more than they contend we hear. Now really, how ''we be dying as godless war criminals for demon LIAR Bush'' dumb is that? (and how does such an evil thing steal our military command in an un-defended Johnny's America? as a dying for bushite tyranny, irrational neocon war wanker? like holy fu-k..) Remember: evil is real.

The time is now.

Let Johnny Wizard on Coast to Coast everywhere god damn them man, get US on the PUBLIC radio to make something better of ourselves by communicating freely. Do it!

Praise Jesus, and pass the ammo forthrightly. I'm a hungry man.

The Iraqi "Government" has arrested the woman raped by three Iraqi policemen
http://www.uruknet.info/?p=31340

/ / Janabi shocked Iraq last month when she appeared on Al-Jazeera television and accused three policemen of detaining her and then raping her in their garrison.

Her story earned a fiery rebuttal from the Shia Prime Minister, who praised the policemen and promised to promote them. His office released a medical report allegedly taken from a US military combat hospital that said the woman had been beaten [..] \ \

A senior Shia official said raids on the homes of Sunni MPs Khalaf al-Ayan and Dhafir al-Ani had found bomb-making materials. \ \

This is simple bushite tyranny of the dumbest order. No MP, beit pro or anti, is going to conveniently have such things inside TWO ADRESSES! Not impossible mind you, but highly un-believable. US officer "upset" Iraqi suspects taken alive, court hears
http://www.telegraph.co.uk/news/main.jhtml?xml=/news/2007/03/14/wsoldier114.xml

/ / A US military officer sounded "pretty mad and upset" that a group of soldiers had taken suspected Iraqi insurgents alive during a raid in which they had been told to kill all military-aged males, a court was told Tuesday. \ \

Come on now, who wouldn't take great joy in destroying any and all such ungodly bushite hatred for Humanity in this light of day, eh? In fact,why don't American Congessmen, who believe in defending Liberty, campaign JUST that? Why not??? Is it because they're LIARS?

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Rumsfeld, as it was told on Oprah, doesn't want any arrests of bushite rapists though, so has worked to deny Justice for female grunts by denying all requests to the 'Pentagon' from American Police Departments. [and you thought he was fired!] Why? because, they, the very weakest intellectually of America's - do what they're told teen kids, ALL don't have rights anyone in bushite corporate america is willingly strong enough as a dedicated Leader to speak in demanding defense of, for innocence.. Why? because they soullessly advocate continuing bushite war crimes for a stolen dollar. Stuck that way apparently. Support my rise to speaking publicly for open challenge on the rights and privileges of all concerned parties. Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape'

of the bushmob for 911. I would like to form a global posse of sleuthers to identify on international open line radio, all guilty INDIVIDUAL parties by evidenced conclusion on our highest of priority issues, and get started with the nothing to hide from anyone global arrests, with PUBLIC court proceedings, done all for our public interest as the refusing to further fall as innocent murder victims.

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush: "If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win." http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq

indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: Greenspan STOLE four trillion American dollars for his international billionaire banker friends before 'leaving'. [Asian market chaos SCAM]

Look: Lotteries everywhere in North America are running the same PROVEN criminal scams that cost US ALL billions and billions of public dollars that, without question, (as MATHEMATICAL FACT), regressively destroy our dying communities. CRIMINAL. [Solution: 100 percent cash payouts.]

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of steel running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. I've spoken to most of those 'in control', and I'm telling you, they're losers, and they know it. Remember: they'll censor my voice to send YOUR child to die for no better good, or reason understood, while entertaining. Weekend TV in North America totally sucks. Now, why do YOU think that is brother? The more powerless they make US, the more money the neocon zionists can murder Humanity for, thinking they might just get away from this if we continue to take no action in defense of anyone as God would will. Let me be Your servant King, by backing me up some here. We need some dollars to eat, and I need it now before we starve to deaths.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW

eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 100,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

Look: I am a guy that is regularly denied public access to our national radio programs because I speak documented truths consistently on behalf of real honorable soldiers and police officers. I agree with most, if not all facts Alex Jones importantly brings to our attention, however, I almost as often, disagree with his conclusions.

Support my cause, which is your cause.

King Johnny Wizard

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that Father's intent to bare on lancing Boudreaux, and any other who would sing in it's ungodly defense.

Zionist american media celebs do tell, everyday, soldiers for the neocon are all Heroes. (True Hero worship has long gone dead, and simple common respect for the starving man of Johnny

Wizard is almost entirely illusionary, but for the love of God has for me, the Son, to never stop caring religiously.) While McCainites advocate imprisoning any (chosen) man in America (with our familiar "Exploitation Units"), who has a picture anywhere on their computer of a fully clothed teen, while denying this following censored video of children being beat to death for fun and profit is real. When I watch only thirty seconds, my rage as a god increases beyond anything anyone of Humanity can even contemplate, and i start crushing bricks in my hands with fury, twist iron bars into pretzels, all as a foolishly feeble attempt to personally have killed those present in this video. Then I cry. I cried for these children present in this video the first time I watched it, and I cried last night briefly, before stopping it.

Please, my brothers, join me in hunting each and every bushite present in this video down for death. For a Love of God that will never end, until we have seen each and every responsible child killing bushite present brought to true Justice extreme.

ARE YOU TALKING TO ME? - A Johnny America Exclusive! - a candid interview on Bush's deeper than ever political thoughts about the war, up front, and personal. Surely, an historical event such as this, with the revelations contained in his own shockingly powerful words, while granting a stage in Johnny Wizard's World, is frankly, beyond the pale, quite shocking in perspective I'm sure I would state again. I feel confident Bush's surprising candor on life's humbling higher meaning wont make the crazies 'out there' any more less right per say. As for the barely living of you passing travelers to our dying Realm.... be ready to be taken on a journey of such profound discovery, with a wit never before witnessed from President Bush!, all about the cruel hardships Americans continue to endure without guidance through effective leadership. Without evidence to form his guilty verdicts. That orders the murder of the innocent with. I kid you NOT. Hey? maybe the Son of Man doesn't have to wipe out the entire human race after all.. With Bush co-operating now, I personally believe, no, I know, we're going to make a go of this after all.

Let US speak in challenge to any or all bushite enemies

NATO war plane bombers must be hunted down by the will of Humanity to be gloriously publicly executed to defend the innocent lives, they once again, have indiscriminately murdered in Afghanistan without a sliver of evidence, but for to say, some dumfuk had a 'rumor' that a single individual SUSPECTED to be an anti-heroin pro-child defending Taliban supporter, granted the bombers of NATO to wipe out an entire village MURDERED indiscriminately by the TRUE demonic enemies of LIFE. Please, if you must forsake me in your personal cowardice and self loathing, don't forsake GOD and America by not killing with PRIDE, these bushite dumfuks of NATO the first chances you get. Love liberty as if it were your own, and kill a lawlessly murderous bushite nazi savage for your

love of anyone included. (You can quote me forever on that.)

get on international radio without a censor to thunder my
audience back into submission. I HATE HANNITY. All I want is
free open debate to resolve this crisis, that doesn't have to
be so ruining our dying worlds without questions forwarded by
the dumfuks. Justice is Paramount through reason to be so.
The Bush Administration have been up to no good, escaping for
911, that New York City should sue for. Hire me on as legal
consultant buddies, cause I'm like near starving broke here,
with supreme court challenges failing my cost factor, and
hunger pangs slowing our progress on fighting unjust
incarceration. I desperately need money, like now, as a gift,

to defend the ungodly evils of war criminal traitor, our Mr.
Bush Jr. in foolish disguises. Your call Bud.

Johnny Wizard - Patriot Liberator of Eternal Destiny
(i.e. REAL sustainability as self sufficiency)

(i.e. nothing is separate from existence ourselves, not even

a person accused of a criminal offence, without any evidence,
is INNOCENT. Those who say otherwise, are the actual
terror-ists. Civilization's ancient Founder Hammurabi,
suggested just to openly publicly have executed those who lay
capital allegations without any evidence, while working to
close outstanding criminal investigations. A made CRIME

brought birth of 'Civilized' to an untamed till then, chaotic
confusion. Old becomes again anew, because Americans are weak
as polluted, and too cowardly to defend the rights of US
innocent. Let's change that. Support my climb to

Hannity out to explain himself freely to US now,
as a demand for an immediate match between him and
ourselves in the dug pit of his utter contempt for
our free to be alive communications.

'A military judge ruled last week that Watada cannot base his

secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent
un-armed Afghans were counted as murdered deliberately, by
those who believe our Mankind, can not ever find themselves
accountable, without zionist controlled, corporate news
permission. See? The military counts mankind as zionist, but
I am a man of real men, committed to defend our world from all
enemies, foreign, or domestic. Unlike a bushite traitor to God
and America, who's word, as Oath, means as much to them, as we
do. Ungodly as they are loveless, the bushite, is Life's enemy.

See my friends, this is why I, as the Son of Man beg and plead
for all able bodied men, to kill treasonous bushite on sight,

for every time you love God by defending the innocent from
murder, (the innocent whom any pro-bush corporate professional
hold in total self contempt,) you save REAL peoples lives, and
you defend God's good name to love God as ourselves committed
to true Liberty. Bushites are enemies of freedom, enemies of
God, and worthy of death, before allowed to further bomb
people indiscriminately like the commanders of NATO order day
after day without risking instant frag because, bushites are
blind cowardly thieving nazi fascist savages, brain damaged,
who believe as satanic demon whores of Molech, they can con

WHERE IS YOUR NATIONAL NEWS TO DEFEND OUR PRIVATE INTERESTS?

First things first: America must demand the immediate arrest of those who told America the victim committed suicide, when clearly, due to autopsy photos, the individual was tortured to death as the innocent. So, the 'officers' responsible for the fraudulent claims, need to be arrested for accessories to MURDER. The torture will earn them both the death sentence, if found guilty under STANDING AMERICAN LAW. And any bushite like a, it's always a great day George Norry, who purposefully with criminal intent stands in life's continuing way for Justice's demand, American Patriots will phone to Bill with every once of pinky power we have at our disposal.

Support Johnny Wizard's personal challenge against thieving LIAR traitor Hannity, and his corporate nazi bush whores who lore our stolen values by how much they can deny US privilege. Coast to Coast radio hosts need to be publicly challenged for debate they deny US knowing of together naturally speaking. Great example of our Problem: CBC National Radio, in Canada. When a caller phones during the very rare moments we're taking public words, have a pre-broadcast rig-a-ma-role question session, you'll have with not only the OFF-AIR screener, where he'll probe you for controversy, but after the first process of noting in book form your disclosed intel, will notify you that; IF your independent thought is granted by the "Producer" (- who reviews everyone - rules are rules -) Our national station will phone you back this afternoon, so stay tooned, to line you up with your baking gingerbread creds. They never ever dido! The more Brilliant you are, (like the highly charged as extremely charismatically charming, wild man ruler, Johnny America - the media phenomenoner) the higher probability they'll find POSSIBLE concern, on their do nothing for your taxed attitudes..!. Why take chances someone might show a greater living responsibility to a real suffering God as our left corporately forsaken Country?.?.?. A dying Humanity.

Look, seriously, my friends, we have all the answers to our problems.

Support Johnny Wizard's personal challenge against thieving LIAR traitor Hannity, and his corporate nazi bush whores who lore our stolen values by how much they can deny US privilege of equal standing.

Albeit, some rock/country/pop stations are now wading a little ways to allow minimal defensive communications on behalf of our truly dying communities. [i.e. the THIEVING Lottery actually takes more than communities get returned in cash transfers from the government, and this, beat up the unrepresented poor, actually ends costing EVERYONE more. [read "Stand Together, or Don't"] You don't know Evil until you hear CJOB's radio host pontificating on it's greatness to deny our community any time to respond to their direct criminality against OUR interests. A near 75 percent of Our radio content is private commercials, while the rest of twenty percent is amateur sport updates. Why don't the strangely often fat slob sports fanatics go away on their own as blood sucking leeches, and stop denying us more serious subject meters with 'we're just too dumb to hear' censorships. In Winnipeg, it is a teensy, tiny authoritarian illiterate group of sports crowers, that the station has devoted the Province entirely to for private financial profit. And so, what is someone in Selkirk Manitoba going to do with the play by play radio commentary?, not listen like everyone in Winnipeg does since, that's what. I personally can't even bare the wasted time, to finally get on to be immediately hung up on impolitely by a Station who literally robs from our community. More than 600,000 live in Manitoba, as apposed to a small cadre of proven criminals who stole our public phone system, or took a PULBICLY paid for Private arena or Private sports facility that cost us practically billions to get in the front door of the already completely paid for by ourselves ten times over, to maybe see a concert that Ticketmaster charges half the ticket price to simply just print a paper ticket/contract. ENTERTAINERS, let me be your manager's Manager instead, and I'll get you every last penny your fans paid to see YOU with. I could practically double your earned earnings, or, are you instead going to blindly give HALF your life to a scalper, who's done nothing creative but hire someone near minimum wage to press a print button religiously. I'll tell you what, we just won't do any more good shows until we can get this remedied by freely communicating our concern for dying soldiers left further without measured value, left to actually DIE in the gutter as homelessly forsaken.

Take care by taking action.

God we can't do this alone, I need you.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

/ / Fact 1: The study was conducted over a four-year period, which means, with such a short study, we have yet to know the extent of any adverse reactions from the vaccine, especially the 250 girls around the age of 9 that were administered the vaccine and who have not yet reached the age where they're likely to be attempting to become pregnant.

Fact 7: This vaccine has purportedly been shown to protect against four types of HPV--6, 11, 16, and 18--while there are

over 100 strains of HPV. Does that make it worth it, even if these are said to be the most common types of the strain? \ \

/ / The average age of diagnosis for cervical cancer is 48 years old. But they propose to give this vaccine to 11-year-old girls. Not even Merck says the vaccine will last nearly that long. Merck says they don't know how long the vaccine will last. \ \

Don't let these neocon zionist bastards do this to US.

Bushwhore Tony Snow "[...]We konw[...]"

General Pace "[..]WE DON'T HAVE PROOF[...]"

Senator Hagel "..we're decimating our National Guard."

Again, commander Blount, a Saudi, from the third infantry, gave out 170 TONS of plastic explosives from Qaqaa to kill Marines with. And, "American Patriots" don't rightly bill the true demon nazi fuker for it. Again, Blount, a Saudi, confesses to ordering SOULLESS bushite soldiers to murder People indiscriminately for profit, all so to let US know he is there still laughing with our stolen billions. Bill the bushite Bush bitch Blount, a Satanic demon ENEMY for it.. why don't you? as the snookered to sacrifice your loved Family Guy, American Dad? Corporate TV News people are part of a death cult that doesn't rely US on evidence for proof they say we believe them unbiasedly without question. While forbidding ourselves to hear OUR calls for real Justice.

Get it done.

promoted through the tyranny of censorship

Corporate News America's Terror Expert, Gaffney, who publicly advocates the rape and murder of the innocent in Iraq to thieve from for the 'escaping' neocons, (as the truly UNGODLY,) stated these words about why American Soldiers continue to lawlessly DIE sacrificed for no better good or reason understood, as total willing dumfuks under deep hypnosis:

"It is not George Bush, it is not the Neocons, it is not people who have been advocating waging that [IRRATIONAL 'Evil' UNJUST] war [against the established innocent] where we find our [hidden from view] enemies, who are responsible for that fact that we are indeed in a global war [sacrificing our conned kids to the un-accountable war profiteering thieves of American labor as the UNELECTED]. It *is* the enemy that started it, that is pursuing it, and that is trying to bring it here back here home now. [, and that way, us neocon zionists would miserably fail against those who would speak in freedom's demand for Universal Justice. Real freedom I mean of course, you know, evidence to form conclusion factually, public trial by questioning juries, blah blah blah. We can't have that Now can We? Colmes? Greenwald?]"

"," = swinging pocket watch

Don't let these neocon zionist bastards doe this to US.
Either Gaffney suffers from some blind dolt syndrome, where he clearly can't see himself flailing madly in criminal ignorance, or he's an accomplis of blatant treachery, to help escape his demonic war profiteering benefactors who murdered thousands of Americans for similar gains through the unspeakable bonanza of the "Pearle Harbor" like event that 911 was. What the peenackers publicly stressed they would crave to fool US into Iraq and beyond as glorified war criminals. 911, New York City, where thousands of Americans were murdered, and millions polluted. killed like now American teen soldiers with the Iraqis. Led by a Sattler, or Mattis, Blount or Russell, who order the murder of women and children openly, and 'they', the actual soulless minions of the demon antichrist, the true dumfuk cowardly enemies of Humanity, don't cut them down instantly instead for Life as cherished. That must change for our betterments. Kill any bushite bomber and be loved by God's America.

Any Commander that doesn't support the arrest of those responsible for 911 and the subseqent neocon war crimes of Iraq, is a traitor to God and Country. Death to the bushite, death to our enemies - so says Johnny.

How much much God take as taken, before you people get on over this criminally empowered war monger Congress of an unelected lawless dictator demon, and call them out on the turning talk commercial radios, all to finally truly defend ourselves with a good media plan for results.

Make the call, be a man.

further to the death cults of corporate news:

Realize, our corporate experts on Life in the national news agenda, don't work to defend our children from mercury in innoculations they promote for profit. Nor, do they tell US about radio-active depleted uranium. Instead, as now, they look to blame others, even God, when suggesting dna is responsible, as if the American corp public could even comprehend multi-demensional cross kingdoming. They can't, (too stupid) but their Satanic death cult [no evidence] where they News pretend and WE DIE, they are willing to continue to go with by refusing all calls. Ahmad funded Atta, but they don't want to tell US there either. Look how many people they have so far watched murdered as the innocent for zionism while entertaining.

Support our call to be heard my brothers.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Powers, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through

careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

Yours again,

King Johnny Wizard

CONTACT

/ / IDEA: Let's get our show up and running, by allowing open public investigations To be conducted internationally, with open line challenges, so we can publicly isolate each and every bushmobster personally responsible for 911, and then, all of everything else still left outstanding murdering ourselves. Whatdoyahsay?? \ \

Art Bell, the zionist enemy of Life, wont allow free communications with the established facts though,

What do you think? Are you truly all alone on this?

Again, more than half of the money being spent on demon Bush's wars against life's reason for being, is completely left un-accounted for thieving. Not spent to offer dumfuk cowardly soldiers help hunt to kill bushite rapists and torturers. Stolen American values Just like the bushite soldier on the ground, who after gunning down innocent people in the street, go through our pockets to steal the spared change. Kill a bushite for the love of God why don't you my American Patriot

brother and sisters?, today!

Again, my friends, Art Bell and George Norry have thousands of bushite dumfuk in America that will phone them to tell US how greatly they are to have no care for dying freedoms in America. While when the humans call, Art Bell for example, between breaks, when privately screening his calls, just hangs up on anyone he fears might articulate things like Ahmad funded 911's Atta, according to the FBI, in defense of America. I say, we at LEAST, talk about putting them both to death for treasons against Your Life dying teen soldier, wannabe Patriot. Make sense?

Again, corporate nazi america states 30 percent of America supports the ungodly George W. Bush's demon antichrist action, when in truth, it's less than one in a thousand. it's just CBC, CNN, CJOB, and Art Bell the liars ain't taking our calls for enlightenment. just like they treat the innocent in Palestine for zionism's encouraged racist in-action. For what does a fan of 'we're the best' Coast to Coast radio network family know about nothing after we witness them froth at the thoughts of nuking countries, or calling for enemies, none of us here in North America have any real problems with?

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and South African death squad goons, all to war Love for the neocon god haters. Who, as peenacking atheists, as their very own documents stress, would murder anyone of US for a stolen nickel.

This is why the Son of Man through God begs the Peoples of
Humanity to kill on sight, the enemy bushite betrayers to
Life. Ourselves, the innocent. These soulless grunts don't
destroy such deserving commanders, Like Blount, Sattler,
Russell, Wuterich, Pantano or even Kimmitt, and instead, as in
Fallujah, murder every woman and child present, while stealing
all our given monies for desperate life saving help. Anyone
in the Air Force deserves to be justly put down, for, I've

NEVER seen any legitimate bombing campaign, but for to kill
People indiscriminately like NATO regularly does with
radio-active toxic waste, while then sending in the dumfuk
Marines, or the 'from the coast' Canadians, who of course,
rightly get killed on the ground in retaliation for such blind
evil stupidity. Please, I beg, help Iraqis, and kill the
bushite thieves to defend our forsaken God. American
children, help me my loves. Please don't allow the bushmob to
escape for the treasons against America on 911, for, bushites
are OPENLY traitors, as the TRUE enemies of evidenced Justice,
as the Freedom to do our own things loving God on our own.
Besides, most bushites aren't even registered American
citizens. Bushites need to be hunted down for destruction -
by the Loyal Christian American Patriot Soldier, the ones who
war to win against those who torture US innocent to death as
the ungodly Satanic LIAR enemies. Save the Humans, kill a
bushite false accusing traitor of American Freedom To-day, and
become a real Man in the presence of Johnny America, an actual

McCain is a demon enemy of Life ourselves to promote the arrest of all the goodness that beauty brings in the heavenly art of our clothed teens. If it weren't for Earth Women, God's boy, Johnny Wizard, wouldn't even be here to bother. It's the reason I first picked up a guitar, it's the reason I did my early plays, then monster movies, and it's the reason I praise the orchestra of the Heavens in Dream, and well.. it's just the reason for everything. I speculate sometimes perhaps slyly that G was kinda lonely all by ourselves for zillions of years, whom, for entertainment, loved us up on the entranced exit starting - before a beginning without ending, yet, as outer there, is still the insider here, forever being we sorta, and gave us this foolish boy for the mental gymnastics. All in good fun. Rocking on to leave all as Mystery, never realized forever and a day in Eternity. You are a Servant, as so I am. Quite a place eh kid? So as it looks now presently, we're here still barely hanging on striving to survive against Mr. Bush's continuing unfair irrational tyrannies of clear injustices committed in Your Name against our Humanity, or, end ourselves dying without true representation, left falling further forsaken. [Home is home sweet home as in Chicago, as we always was going to with or without our loves heaven bound. Please help God.

We have to overhaul how all our national news Podcasts are assimilated through corporate nazi zionist censorship. Art Bell and George Norry are enemies to ALL american teen troops put in harms way to die as bad guy irrationally for the neocon God betrayers. Why? because they purposefully lie to have YOU die as innocent murder victim. Death to the bushite, death to God's enemies.

Well, gee, Iran has no nuke program, in anyway, shape, or form, but Israel wants to murder more of humanity for their ungodly lies anyway. The enriched uranium Iran is making, can not be used for a bomb because it's only enriched to 2 percent, and to get the bomb making stuff, you need a COMPLETELY different technology. But science?, in bushite america? Nazi America would rather be nazi chauvinist pigs, before admitting the Son of Man exists, or to go to the trouble of phoning someone who refuses to take our public calls for Justice. A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification, concluding Naturally, that all stolen Iraqi money must be returned by the will of GOD to the victims; with those responsible for stealing it, made to pay US back, with the true American Patriots to be found, backing US up 100 percent. The bush administration has teamed our kids to

mercenary forces who have no loyalty to freedom but to freely die another Marine for more dying stolen values. While successful at it corporate America, just lies and lies and lies without shame, nor apology for the death of your poor cowardly kin.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin, and, Influenza is a constantly mutating virus. So, pre-determining which 'deadly' strain is going next, is only because the WHO wants to continue killing US for huge cash profit. With cult slaves, like those who forced Jones Towners to drink at gun point, are the same as those who now demand we give our girls of America from Texas such. It seems the magic TV news people don't want to trouble us on this matter of our actual survival.

You must wake up to life's demand for you to defend our dying lives my friend. Please? Make the call, be a man to defend our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill it proudly for freedom, as an undying love for a real God and Humanity.

/ / she told The Nation. "If I contribute to the Army's prosecution of Lieutenant Watada on speech-related charges, I will have colluded in suppression of speech. What could be more hostile to the ideas of a free press than that?" \ \

Again, a Patriot Soldier whos only crime is that he refuses to commit a crime in Your name. Do something about it.

George Norry and Art Bell are enemies of American chances for survival of our dying teens. Their contempt for Justice in America is blatantly EVIL, and worth killing before they do another dumfuk, they hate US, zionist demon broadcast. Traitors to God and Country George Norry and Art Bell are. They'll laugh, sing, and cheer while KILLING your CENSORED forsaken Son or Daughter, needlessly trapped sacrificing with the ungodly 'lawless' bushite zionist enemies, all before allowing any REAL Americans to SIMPLY discuss evidence as a requirement to convince ourselves of something. Norry, that demon fu-ker, has an endless supply of bush whore callers, that'll tell him, he doesn't have to read the news, read his email, or hear the screams of dying innocent murder victims. Sure, once a year, maybe, we'll get the Patriot popular Alex Jones, but he's too terrified of me as Puppet Master, or US, or talking about the NO CAUSE Iraq war, that Iran doesn't have an ability to create weapons grade uranium, or that General Ahmad funded 911's Atta.

Real Americans are those of US as humanity that believe in liberty as Justice for all. Demon bushite nazi whores, don't like those principles of freedom through evidentiary findings though, for their false deity, George W. bush Jr, wouldn't be stealing from the honest hard working blokes who live for a better day that way.

/ / Four US oil companies, namely Conoco, Chevron, Amoco and Philips have concessions in nearly two thirds of Somalia. This quartet of oil conglomerates was granted these contracts in the final days of Somalia's deposed dictator, Siad Barre.

The US first military engagement in Somalia was fully supported by Conoco. \ \

In the new world, these soulless bomber bushite of the air force, responsible for blatant first degree acts of murder against the innocent, would be hunted down by Humans, tried, then executed gloriously in the defense of our living justly.

So, is the block head saying American soldiers so far have died for lawless tyranny? Kill a bushite, to protect the lives of us as innocent victims in other words, right?

Bush continued, "I believe most Iraqis express that. I mean, the people understand that we've endured great sacrifice to help them. That's the problem here in America. They wonder whether or not there is a gratitude level that's significant enough in Iraq." \ \

Is Bush saying US dumb bastards don't give enough in sacrifices to himself as the demon antichrist?

New Recruit

Destroying enemy bushite is a gift to Humanity, it is saying you care for the lives of the innocent a bush bitch nazi grunt freely confesses to targeting for murder. Liars are the bushite, who steal Iraqi resources, allow racists and rapists to commit their demon crimes in America's name un-challenged, and who absent mindedly bomb the innocent without just reason given. All the while, labeling themselves, "pro-Iraqi".
snpd

Real Americans are those of US as humanity that believe in liberty as Justice for all. Demon bushite nazi

whores, don't like those principles of freedom through evidentiary findings though, for their false deity,

George W. bush Jr, wouldn't be stealing from the honest hard working blokes who live for a better day that way.

The Iraqi children did nothing to deserve such awful suffering and fright and death at the hands of the enemy bushite. The bushite: who the demon anti-Christ states, are un-accountable to any rules of law in this Universe, like with his extremely foolish criminal decree, 13303. I kill mindless parasite bushite nazi enemy soldiers just for that alone as eternal defender, and I do it for to win some mercy for a real living God, who the fascist enemy bushite hold in their ungodly contempt as LIARS.

I have the backing of every real man alive on this planet, and we all know it. No voices of reason have apposed my factual claims in FREE Usenet, and Art Bell makes no attempt to defend himself as internationally painted enemy traitor, and that says a whole lot to Talk America. Why? Because Mr. Bell, the bushite propagandist, knows too, I speak and act truthfully, honorably, and righteously, while the talk radio american bushite lies, cheats and steals from America's America, that as bushite, leave undefended for criminal plunder in Your name call censored from classed enrollment. You have just as much a right to be here as I do, and the demon bush, he ain't no better than any of US when he is "excused" for the murder of well more than a hundred thousand confessed as completely innocent people on this planet called Earth.

The fascist control bushite, don't like You to think independently for Yourself, for we independents out here make them look as stupid as they are. Thank you very much for that not so secret info.

Through the pronounced bush demon's gaffes, embarrassments, and told complete total ignorance on subjects like the science of economics, the whys of constitutional law, or when the bushite takes credit for indiscriminate killing of our families and friends while parading it's all done in bush's name for our freedom, or for 9/11, doesn't fool me, and should get you thinking about reaching for your guns too, for bushite rapists and torturers will not walk this world freely un-accountable, for as long as we remain alive to hunt them down and kill them if so be. As the soulless disciples of the enemy anti-Christ, Our Mr. bush Jr., their "officially" granted legal immunity from all

prosecution means nothing to me as a honorable man
defending my humanity, or as living Creator, who brought
all into this new world to be free, and can just as
soon, take you all nazi bushite out the old school way.

How The Demon Bush Misled God's World

How Bush misled the world
http://www.theage.com.au/handheld/articles/2004/02/05/1075853996640.html

/ / Once the document was declassified after the war it became
known that it contained 40 caveats - including 15 uses of
"probably", all of which had been removed from the previously
published version. Tenet further ingratiated himself by
remaining silent about the OSP. "That's totally unacceptable
for a CIA director," said Thielman. \ \

Thielman meant "totally unacceptable" as in HIGH TREASON.
Could it be any higher? Deliberately caught misleading
whore-dumb Congress to wage his immoral neocon 'escape' with a
unjustified criminal brutality against God as all of our
Humanity. A great deal more than a million innocent people
have been victims to the 'targeted' Zionist killings of the
irrational bushite enemy. Lawless enemies to Creation,
spreading their toxic waste who thieve, rape and murder
without reprimand from corporate news america, shall, I pray
daily, die justly in vengeances by the will of a real undying
Love for our victimized innocent family. Justice for Humanity.

Please, help US.

The guilty party of Haditha have confessed that targeted
killing of innocent children is fair game in their worlds, and
as confessed, they 'got away' committing the same Satanic acts
- going house to house in fallujah murdering more than two
hundred thousand innocent folks for LIAR E-N-E-M-Y Sattler.
Bushite corporate america, has stated in silence, the bushite
enemies of Haditha will never face public execution for such
offences, YOU apparently WILL NOT GRANT IT, too cowardly, and
in all likelihood, (like those of the Saudi Blount's third
infantry) will be allowed to walk freely down american streets
after being found guilty as politically supporting the robbing
and murder of innocent men, women, and children all because
we're rag-heads or niggers. The, deserving to die as
illiterately intolerable bushite drone soldiers HAPPILY,
WITHOUT QUESTION, co-operate with ANY lawless mercenary forces
such as south african death squad goons in finding the enemies
of themselves. Purposelessly ungodly bushite soldiers are
told they are DYING to defend Iraqis, while breaking out of
prison, mercenaries caught trying to kill innocent Iraqis for
fun and profit. While, at the same time, actually having
SLAVES from India preparing their lunches!!! And guess what?

they're coming to live bushite america as the patriots after they get killed you're forsaken American Son or Daughter teen! With millions of stolen American dollars to set up new 'freedom' operations.

Shirley, bin Laden would be sided with the fundamentalist Shiites, before, everyone-is-an-equal Sunnis, who as Bathists, had no problem WARRING al-Qeada, while counting as members of their party, Christians, Jews, Muslims, and Atheists. But corporate bushite liar america says no, bin Laden supports Sunni IRRATIONALLY, and that is why bushites have to sacrifice in partnership with those who blow up PEOPLE indiscriminately as the 'good guy' 'heroes'. Similarly like in Somalia, where bushite forces are working to directly arm those who murdered American GIs during Clinton. Those war criming repuglicons responsible for the bombing need to be tried and executed for committing first degree acts of mass murder in America's name. CBC, in Canada reported that Pentagon sources allege their isn't any evidence whatsoever to what bushite news america has reported to the dumfukked populace. [Peter Lance will tell you [mind you, half assly] on behalf of investigating officers of our LAWS, it was a dishonorable LIAR Green Beret actually, a Green Beret who set the bombs and blew them up to KILL AMERICANS, but says Laden ordered him to it though, so he gets to go free on his own apparently. An individual EVERY AMERICAN should hunt to kill with Americxan Law firmly established already. Why? Zionists murder Americans for profit, by simply lying un-challenged through corporate mind control, and culted soldiers to this day, would thoughtlessly call the ungodly lawless bushite traitors to freedom, 'good guys' and 'heroes'.

Let US demand open radio
communications on the mathimatical facts to save our own selves further victimhood to their personal contempt for the true value of YOUR life. Thanks.

Can you help us speak this outrage to your local media outlets?

thanks again bud.

- "The months preceding September 11 [see] a shifting of the US military's focus ... Over several months beginning in April [2001] a series of military and governmental policy documents [are] released that [seek] to legitimize the use of US military force in the pursuit of oil and gas." Michael Klare, an international security expert and author of Resource Wars, says the military has increasingly come to "define resource security as their primary mission." In April, Tommy Franks, the commander of US forces in the Persian Gulf/South Asia area, testifies to Congress in April that his command's key mission is "access to [the region's] energy resources." The next month US Central Command begins planning for war with Afghanistan, plans that are later used in the real war. [Sydney Morning Herald, 12/26/02]

See? It's admitted that the zionists planned to STEAL the rights of Afghans for Enron, by LYING to SOLDIERS to get them killed as the American Pension thieving bad guys. Too COWARDLY parasitic to hunt those responsible for murdering thousands of "Americans". So, as a consequence, they, as loveless bushite drones, die cowardly with the once great America as enemy corporate fascists to Freedom's Justice, Our Living God.

John's truth. Killing a THIEVING bushite is to save the lives of the innocent they target for murder. The cowardly bushite, dies sacrificed - all to help IT slavishly escape those responsible for 'getting away with' murdering thousands of Americans in New York City on 911. Sorry George W. Death to the godless bushite, death to America's lawless enemies

DUMFUK BUSHITE ENEMY OF GOD "This is not a job in anyway shape or form, this is not a job. this is a lifestyle. and we choose this type of lifestyle."

Traitor LIAR Hannity "Knowing the danger?"

DUMFUK BUSHITE ENEMY OF GOD "Yeah."

Traitor LIAR Hannity "Well, isn't that the definition of Bravery?"

The DUMFUK ENEMY OF CHRIST "Uhhuh."

See, TRAITOR Hannity [who deserves to be executed for the treasonous DOCUMENTED lies he tells America almost daily] would claim any and all serial murderers and rapists in America are the definition of bravery. Bushite dumfuks deserve to die as enemies of America because they openly, purposefully target the innocent to rob from and murder, as bushite did on 911. They bomb cities. Thus is why Christ [ME] tells loving children to gladly help Life kill their own godless fathers or brothers who CHOOSE to commit these war crimes against our humanity with their contempt for Justice, Johnny and America. {Especially those in George W. Bush's air force.] A bushite's hatred for America is blatant with every monosyllabic grunt they make. In nazi zionist america, they have a Zionist national radio program that forbids the

nation to know they're presently being victimized for criminal sacrifice, and apparently, Americans would rather DIE, than hunt George Norry, or Art bell for questioning. A nation of fascist nazi cowards, who go silently to their graves in their support of torturing innocent people to death for the thieving EVIL bushite's pleasure.

Death to the godless bushite, death to America's lawless enemies.

Bushite Zionist atheists believe that I, as the Son of Man, Couldn't be anything but their worst nightmare. AFFIDAVIT

AFFIDAVIT OF JOHNNY WIZARD

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01] The individual who makes the wire transfer at Ahmad's direction is Saeed Sheikh, later convinced for kidnapping and murdering reporter Daniel Pearl in February 2002. ABC News later reports, "federal authorities have told ABC News they've now tracked more than $100,000 from banks in Pakistan to two banks in Florida to accounts held by suspected hijack ringleader Mohamed Atta." [ABC News, 9/30/01] CNN also reports the $100,000 transfer, and the New York Times specifies that it came in 2000. [CNN, 10/1/01, CNN, 10/6/01, New York Times, 7/10/02] Ahmad's order must have preceded June 2000, since that's when Atta and others started opening bank accounts and receiving the money ($109,910 is received by Atta and Marwan Alshehhi between June 19 and September 18). [MSNBC, 12/11/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy

documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegations, thereby guaranteeing criminal invasion. Only workable if Laden pleads innocence to a crime that hadn't yet taken place, a crime serious enough to "justify" sacrificing American GIs truly for a liquefied natural gas pipe line for pension thieving Enron. ["The Dahbol Working Group" and Bridas] Any evidence for any

offense would have been sufficient to have Muslim fundamentalists hand Laden immediately over, as they had offered [as others of other nations had also] repeatedly during the Clinton years.

CBC and CNN have still, to this day, consciously refused to do any follow up on the intelligence, deciding instead on behalf of dying people everywhere, our public devolvement of a just society.

RT© News - US rejects Taliban bin Laden evidence calls
21 September 2001 17:41

The White House has rejected requests from Afghanistan's ruling Taliban for proof that Osama bin Laden was responsible for last week's attacks. According to the US Secretary of State, Colin Powell, the United States has enough evidence to try bin Laden in an American court.

The US Government said there would be no negotiations.

After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" October 9 2001 - The Times of India

"While the Pakistani Inter Services Public Relations claimed

that former ISI [the "Pakistani CIA"] director-general Lt-Gen Mahmud Ahmad sought retirement after being superseded on Monday, the truth is more shocking. Top sources confirmed here on Tuesday that the general lost his job because of the "evidence" India produced to show his links to one of the suicide bombers that wrecked the World Trade Center. The U.S. authorities sought his removal after confirming the fact that $100,000 were wired to WTC hijacker Mohammed Atta from Pakistan by Ahmad Umar Sheikh [Omar Saeed] at the instance of General Mahmud [Ahmad]. Senior government sources have confirmed that India contributed significantly to establishing the link between the money transfer and the role played by the dismissed ISI chief. While they did not provide details, they said that Indian inputs, including [Omar Saeed's] mobile phone number, helped the FBI in tracing and establishing the link."

8.

No evidence was brought against Laden for nine eleven, none. [So according to Bush's official top secret Presidential directives] While Laden himself claimed he played no part in 911. Still, to save the lives of third worlders on the brink of starvation, Laden agreed to hand himself over, but Bush refused the offer, while CBC and CNN denied to report on that fact for the behalf of now dying dismembered American GIs. Once the indiscriminate bombing began, targeting almost every building in the country of Afghanistan, Laden then claimed he had no choice but to fight back to defend US innocent from the ungodly enemies of Creation/Freedom. Then the clear to all fake video came out with an actor who's face wasn't even close to looking remotely like Laden, but for almost the facial hair. [Bridge of the Jamaican actor's nose is HALF as long in proportion to Laden's for example, and surely frightfully shocking for some, the actor doesn't even take blame for 911 either!] Photos comparing the two faces never aired on CBC and CNN available in about twelve seconds with the power of the Internet.

The Washington Post, 23 September 2001.

At American urging, Ahmed traveled ... to Kandahar, Afghanistan. There he delivered the bluntest of demands. Turn over bin Laden without conditions, he told Taliban leader Mohammad Omar, or face certain war with the United States and its allies.

Mahmoud's meetings on two separate missions with the Taliban were reported as a "failure." Yet this "failure" to extradite Osama without providing a shred of eidence was part of Washington's documented design, providing a pretext for a military intervention which was already in the pipeline. If Osama had been extradited, the main justification for waging a war "against international terrorism" would no longer hold. Nor would the ready to go Patriot Act. Incidentally, when MSNBC contacted the Whitehouse regarding the top secret invasion of Afghanistan plan, it was confessed that the plan had been "fully implemented"

What seems even more disturbing, to me, and PBS' FRONTLINE, is that there was a "State" plan, the ORHA plan to prevent looting and carnage, but it was sabotaged by rumsfeld and franks, so the bushmob could try to make some sense of needlessly bombing the country for our labored dollars, while robbing the central bank and museum by mopping up the mess with the bodies of American Patriots still dying as da' dumfuks.

The E5 is a good radio. I have one and am quite happy with it. I'm
an experienced SWL and ham operator and in my opinion this is a great
little radio. Sensitivity, selectivity, image rejection, audio
quality are all very good. I've just used it with the built-in whip
antenna and included wire antenna so far. My only complaint is
batteries do not last very long before needing to be recharged. But
it does come with an AC adapter so it can still be used when the
batteries run down.

Veering off-topic'er yet, I heard a great podcast novel (and later
ordered and read the book) "Singularity", which follows the

possibility that the Tunguska event on 1908 was caused by a tiny black hole that is still circulating within the earth. International intrigue and much nefarious cold-blooded bastardry ensue. :) Great story.

I really wish people would stop referring to the DE1103 as the "same radio"
as the E5/G5. It is not.

It may use the same basic circuitry, but the build quality and ergonomics
are vastly different. The DE1103 performs well, but is cheaply built and a
pain to use. The E5/G5 is a completely different radio; well built with a
very nice feel, and much much more user-friendly.

The review in Passport Mag. said the E5 and G5 are actually the Degen
manufactured circuits
arranged in the E5 and G5 cases. Whatever that's worth.
I just bought my first SW too. After a bit a research I went for the
Kaito 1103 which is said to be
the English version of the Degen 1103.
Based on my beginners experience I like the KA 1103.
At first I had some trouble using the SSB feature but with help from
people in this group
it is now working well (operator err/inexperience). I don't have
another radio to compare it with so I don't know what I may be
missing,

but I'm happy with the reception and have been pulling in clear signals worldwide. The controls are a bit funky but now that I've used it a while it's just second nature to use it, I don't even think about it.
It sounds great with headphones and I hooked up a set of PC speakers with a sub woofer to it and that sounds good too.
The built in speaker is about as good as you would expect for a little radio.
I looked at a G5 at Radio Shack and It does seem designed better but I ordered the Kaito from Amazon for under $90.00.
I actually like the way the display area shows all the frequencies and the meter bands because being new to SW it helps me visualize how the meter bands and frequencies relate to each other.
I'm happy with what I bought. Good luck.

300 300
--- or ---
freq waveband

It's that simple. On the other hand, "waveband" tends to be broad, and likely isn't directly representative of frequency. Certainly the ham bands often don't match, but common useage means 40 meters is 7MHz, rather than the 7.50MHz that the calculation would place it.

Thanks for this - but it is still just *evidence*, and not proof
positive of the actual fact:

"This is compatible with, and strong evidence in support of, the
hypothesis that Sagittarius A* is a supermassive black hole."

Most scientists will believe it - as do I - but none worth their salt
would claim it is 100% indisputable. Until you see one up close *and*
obtain verifying information from it - and the way black holes are
apparently made, this may be technically impossible - that magic 100%
may never be reached.

OBSTRUCTING JUSTICE FOR AMERICA

Tony Snow "The executive branch is under no compulsion to
testify to Congress because Congress, in fact, doesn't have
oversight abilities."

IT LOOKS like they are going to attempt making the move of
BLATANTLY TREASONOUS war criminals acting to measurably now

destroy yOur Freedoms in godless America. The Satanic neocon's 'faith', is in that YOU as an American, will watch the same corporate drivel that offers next to nothing to empower YOURSELF to speak Justly for a dying America. Instead of demanding 24 hour, wall to wall news coverage, of war criminals going down one by one by the will of Man to Justice, CNN, CBC, and FOXNEWS will broadcast your blind 'belief' that you are only a impartial viewer, who doesn't really care about dying right in front of yourself for the zionist's riches, and great worldly power of tyranny through nazi bushite censorship.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Jesus man, do I truly hate these zionist nazi thieving LIARS on our magic TV shows who con our kids to die as bad guys. How about You?

/ / If Bush and his PNAC buds are innocent, then Investigate 911! What have innocent people to fear from a fair, complete and real investigation? \ \

They are guilty, so, of course, the demon Bush enemy, OBSTRUCTED JUSTICE FOR AMERICA.

I hear the national radio program Coast to Coast is still feeding us neocon lies. Why don't you make the call for Johnny.. believe in yourself for a change why don't you?, buddies??... I am Your god king. King Johnny I am. Champion of Universal Life! Not enough? Who cares?, to allow US speak on our broad casts as legitimate? Worried I'm going to love Life as truly honorable, and Greater than those who openly lie to our soldiers to have them unjustly die for no better good or reason understood? Let us make life better than the neocon envision, and support our rise to popular acclaim by allowing US to speak openly for public challenge in defense of America.

Death to the neocon soldier, death to the enemies of Man.

Now why would YOU want that?]

/ / So honestly, they could have just done it as "hot chicks of Israel" instead of including the military element. that's the sick part. [..] the sick part is the exploitation of women. For a government to officially sanction such a campaign is a sign of how bankrupt they really are, and I'm not talking tourist dollars. \ \

The nazi IDF does what Canada's dope pusher O'Conner suggests we accept. Make sense? No. Remember: evil is played dumb. (The bush regime has been found funding Al-Qaida in Iran to commit terrorist acts against COWARDLY soldiers without free minds to speak in their own defenses.)

/ / The group is demanding his impeachment not only for his crimes against humanity but for lying to the American people about his worship of Satan. \ \

It almost makes me laugh, and then, I push to remind, we are so very far from where civilized is dreamed to reside. AMERICA HATES BUSHITE

Nationally broadcasted every day across America, Mr. George Norry publicly supports the murder of innocent Arab children, and I'm beginning to really hate a silent dying America for it. Speak to defend the innocent in this world American, or die yourself from self contempt.

Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man.

/ / "They can try to have their votes of no confidence," the president said, "but it's not going to determine - make the determination - who serves in my government."

Christ, The Son of Man, Begs the Godly Men of Earth

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives

from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Brig. General David Fraser - former nazi commander of NATO who 'okayed' the bombing of defenseless innocent Afghan women and children for the Satanic enemies of Man, stated on CBC, he liked killing police officers, along with innocent women and children, (deliberately targeted for the pleasures of the demon antichrist) because, Afghanistan's children hope to learn. See? The bushite 'will' murder all our children and teachers on hope that we will never learn the Taliban, led by "Omar the Just", were loyal to Christ as REAL American Freedom, when publicly demanding evidence to form your conclusions. Thus is why the ENEMY to LIFE neocon state on YOUR TV and radio, WE must never be allowed to speak openly with the Taliban regarding the FACTS. Because if we did, neocon pension thievers would be hunted down in the streets for public trial, and then gloriously put to death by Christian values committed to TRUE freedom from lawless godless zionist LIAR tyrannies against Mankind - YOU included.

George Norry and Art Bell are the most evil of bushite, who as betrayers of the Human race, deny soldiers to know: General Ahmad funded Atta. They will both support the murder of Your American Son or Daughter for further zionist evils, before allowing true open line communications, to defend ourselves

from the lawless demon enemies of Man. Do something about it, or don't. Let TRUTH set US free.

Instead of making an easy phone call today for your dying brothers and sisters, die as Satanic bad guy enemies of Life on Earth, sacrificed in cowardice to the real demon antichrist, and see if we, the true, strong, and free, care. The Son of Man SCREAMS before coming home to GOD'S America: We are coming to destroy Satanically lawless bushite enemies, all for the love of God, we shall succeed my friends, we shall succeed. I will not willingly live in a forsaken world with LIAR zionist war criminals conning US to believe, God is not Great, True, Strong and Just.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Hillary "[DEMON] Bush pulled out the inspectors."
[DEMON] Bush declared, "and he wouldn't let them in."

In Hell

Firstly, the White house doctored the NIE in an act of HIGH TREASON.

Two:

CNN with Hillary acknowledges that the demon Mr. Bush pulled inspectors out of Iraq, but then... how is this not HELL to pay?

/ / Bush declared, "and he wouldn't let them in. And, therefore, after a reasonable request, we decided to remove him from power." \ \ HE LIED. Not the 'NWO', George Walker Bush, who Alex Jones tells US to look away, because he's only a puppet. Should not Bush be held accountable to the criminal actions he is PERSONALLY responsible for Christ asks YOU?

/ / So, there was indeed no imminent threat posed by Saddam to Amerka, and inspectors had complete unrestricted access throughout Iraq without delay prior to the, bush demon's further war crimes. So, what was the reason for all the pointless mass murder and destruction again? Oh right.. to sacrifice American soldiers so terrorist bush's war profiteering can feed off themselves as family without leadership present as spoken for.[...] it's only the dummy American People bid payers again left unaccounted to DIE intentionally. \ \

The Haditha perpetrators, if convicted, are looking at serving, maybe, a couple of years, for freely confessing to the targeting MURDER, of innocent women, men, and infants.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man. - The Son of Man, as the Man of Men,

PEOPLE

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and that's why he irrationally started this war against God conflict. Impeach him, then have him PUNISHED for high treason against a further dying as truly unheard from America - for that lie alone - we ALL could/should stand together as equals demanding re-dress for the innocent murder victims who've suffered for such contempt, and belligerence for the basic precepts of freedom as Justice, or G-D as Johnny.

/ / "It could make August a tough month, because what they're going to try to do is kill as many people as they can to try and influence the debate here at home. Don't you find that interesting? I do, that they recognize that the death of innocent people could shake our will," the President explained. \ \

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and South African death squad goons, all to war Love for the neocon god haters. Who, as peenacking atheists, as their very own documents stress, would murder anyone of US for a stolen nickel.

Kucinich for President!
http://www.democracynow.org/index.pl?issue=20070524

Now, it's true, America's Alex Jones states Kucinich wants to take away all your guns, and is a communist, but, Alex as sometimes, is terrified of those who seek the requirements to defend freedom directly, as more specific. (Example: NWO isn't the name of the specific guy who financed 911 to murder America.) So, as a consequence, he gets near ridiculous with labels applicable to generalizations only dummies could believe blindly. With Kucinich campaigning on ACCOUNTABILITY, Alex Jones looks quite foolish. But, he's still trying.

Thank god for that. Thank god for that. Talk radio in
America should take open line calls on our ideas about how to
actually plan to defeat these, found factually to be, traitors
to God and Country.

My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist demon enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. / / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \ Kill the bushite for America, for Justice is Freedom. War and the Police State: Complicity of the American People

elite launched an aggressive political and media campaign upon
and against the American people. \ \

SATANIC AMERICA

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?"

MSNBC told YOU when interviewing Tom Daschle in discussion of the official public contention, that immediately after the terrorist act of 9/11 in New York City, (where thousands of American People were murdered,) bush and cheney frantically, desperately, INTENTIONALLY, worked paid overtime to close 9/11 (the justice-freedom thing) Investigations on who or whom planned to get away un-apprehended with the still living as freely wealthy General Ahmad. \ \

911 "truthers" don't want to address the hard evidence like the clear as day video of steel running like water from the WTC towers, for, as Humanity witnesses, they'd rather watch silently, children murdered indiscriminately, before, acknowledging wise godly men from our communities who speak ONLY facts on America's derision for real, open market Free communications - freedom fighters who ACTUALLY defend the innocent from the neocon bushmob traitors. Each day we hear of near hundreds of US murdered by the godless Satanic THEIVING "American" forces in Iraq. without near a peep of concern by "America". Lawless bushite mercenaries torture rape and murder, paid to do so by the WILLING American tax payer, and near 300 million "People" (the NAZIS) can't find the effort to pick up a princely phone and call the ENEMY pro child killer George Norry, (who broadcasts every day across America nationally for the IRRATIONAL neocons,) to air any real concern for our Lives. True, the demon enemy censors OUR calls, and contrives WE a buyer without questions, but he doesn't censor You always forever. So, get to it fukhead, JOHN is growing angry with americans of EVIL ignoramuses escaping the bushmob for crimes against MY HUMANITY. The Son of Man States: Death to the bushite, death to our MURDEROUS enemies, who lie cheat and steal to assist in the further criminal escape of the ungodly bushmob for 911 as TRAITORS.

Loyal bushie McCain as bona-fide nazi savage "Bomb bomb bomb Iran.."

Reporter 'Mr. McCain, you demon liar nazi fu-ker, don't you think your being insensitive to innocent god loving Iranians?'

Pro-Torture of INNOCENT PEOPLE McCain "Insensitive to what? The Iranians? My response is lighten up and get a life."

Johnny America Lyrics: "Can't an American PROUDLY kill TRAITOR pro-torture Zionist McCain for the Love of living Life Justly, as Freedom was Country?"

Investigating the Investigation
http://www.alternet.org/story.html?StoryID=17816

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" \ \

PRO-TORTURE Gonzales "I quite frankly don't like the idea of the Judiciary deciding who is on my staff." [at Justice]

PRO-TORTURE Gonzales "I did not make decisions about who should or should not be asked to resign." [in mid-term]

As US State Attorneys?, whom have the most serious of American Justice Department Motions of Defense for REAL Freedom?, he's not concerned directly with?, nor would "like" democratic Peoples to be allowed to care either?. IF he gets HIS way he says - as minding for the criminal master. True, Americans are generally, extremely cowardly as Bush's freely giving PAYERS, led for more ungodly sacrifices in fascistic silence, but this continuing charade of incompetence gathering against our entire Humanity, is going way beyond acceptable to everyone concerning. Johnny Wizard conceivers and otherwise non-believers state together:

The Iraq war against Christ has no true justifiable cause.
Torture is against the law warranting immediate death sentences
The Zionist AIR FORCE bomb people indiscriminately as Satanic
The bushmob stole all the Development Funds for Iraq
The bushmob are stealing ALL of Iraq's oil
The bushmob stole 100s of billions from censored AMERICANS, while George W. Bush personally stole 50 billion from America in the first four months of stealing the initial election.

/ / A BUSHITE GRUNT PRISSING PROUD AS OUR ENEMY "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children pratically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE

enemies of Humanity to save the lives of our precious loved ones. \ \

Art Bell, "the thief", is really fuking evil to GOD as America.. being a blatant naked LIAR to the American Patriot Warriors

Death to the bushite, death to our MURDEROUS enemies, who lie cheat and steal to assist in the criminal escape of the bushmob for 911 as CLEARLY TRAITORS, so says the one and only,

King Johnny Wizard -
President and CEO of
Shareware Earth Co.

Bush Won't Turn Over Emails Until White House 'Reviews' Them
http://www.commondreams.org/archive/2007/04/18/596/

/ / Bush and the RNC should be immediately sued. There are no sustainable Executive Privilege arguments here: the emails were already sent over a NON-GOVERNMENTAL email system. In other words, if sensitive/classified information was sent over this system it would be a felony and impeachable. Any official information sent over this RNC email system would also be a violation of the Presidential Records Act. \ \

It's like a catch 22..

-

So, the demon liar bush tells US, the terrorists would rather travel to Iraq to kill Americans indiscriminately, than come directly to America from wherever instead, to kill anyone who silently supports the indiscriminate murder of our humanity.

CHRIST HATES the godless bushite nazi THIEVES, who by LYING, murder our loved INNOCENT family members, all to steal our good names in God. Death to the bushite, death to our enemies. See the bushite, you kill it for Christ, you kill it for America, you kill it to defend Yourself.

of the innocent they target for murder. The cowardly bushite,
dies sacrificed - all to help IT slavishly escape those
responsible for 'getting away with' murdering thousands of

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

pleasure of the president

US Attorneys don't serve "the pleasure of the president", they
serve freedom lovers dedicated to defending America from
willful criminality. But, americans are too stupidly weak to
demand Coast to Coast hosts allow open communications on
America's highest of concerns. Bushite america would rather,

protections of Justice as ourselves.

/ / According to the Islamic understanding of power, the Mujahideen don't compete for the positions in the leadership. \ \

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Hmmm. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. The tribal strategy of Afghan fighters, where Allah is Oonerroh, seems to be not the only thing missing from the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top top top leader. Only "second" to Omar the Just. (Apparently an individual this current bushite incantation of "Dadullah" is totally un-familiar of.) Omar, the Just, whom Dadullah claims he receives his Top Secret nobody can see'im orders. In other winds: Bill a bushite for God and America, an all day long you'll have good faith in a world freeing ourselves of godless dumfuk tyranny implemented by the horribly foolish, as deeply ignorant of Allah, bushite demon liars for the traitor neocon. TRAITORS!

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering? Frankly, George Norry is a total dickhead. True, he has lots of money in America, but he's still a dickhead nevertheless.

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically.

Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

/ / According to Danish Karokhel, director of Pajhwok, the Italian government should negotiate directly with Dadullah. "Italy is negotiating with the wrong people," he said in an email to IPS. "The only one that counts and decides is Mullah Dadullah." \ \ Oh Yeah, but what about Omar the Just, And... hmmmm. who is Karokhel today anyway, and when was the last time anyone seen him alive?

/ / How did a member of the Taliban in Afghanistan get hold of the phone number of an ABC news producer? Afghan 411 must be REALLY good! \ \ iiIII! can't even do that.. well... easily from Canada as an official non-fugitive that is. Just what is the going rate of satellite phone service out of Afghanistan? Remember: evil is DUMB about everything, including technology. Or so, how are we missed for report by point to point presentation using the same old satellite for phone service? Repeatedly calling the same mumblers? Jesus, If we really worked at it, I could probably reach where they were in a day or two by hitch-hiking.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

/ / "He realized that they had killed these three [innocent] detainees, and in that moment, yes, he decided to help his [ungodly murderously nazi fascist] squad members, [escape Freedom through Law wisely practiced]" Gorecki said. \ \

There is much self evident truth hovering above the realities of such statements. For the exampled fact, that he did actually use a weapon against 'his' troops, 'to save them punishment', says a great deal more than they contend we hear. Now really, how ''we be dying as godless war criminals for demon LIAR Bush'' dumb is that? (and how does such an evil thing steal our military command in an un-defended Johnny's America? as a dying for bushite tyranny, irrational neocon war wanker? like holy fu-k..) Remember: evil is real.

The time is now.

Let Johnny Wizard on Coast to Coast everywhere god damn them man, get US on the PUBLIC radio to make something better of ourselves by communicating freely. Do it!

Praise Jesus, and pass the ammo forthrightly. I'm a hungry man.

US officer "upset" Iraqi suspects taken alive, court hears
http://www.telegraph.co.uk/news/main.jhtml?xml=/news/2007/03/14/wsoldier114.xml

/ / A US military officer sounded "pretty mad and upset" that
a group of soldiers had taken suspected Iraqi insurgents alive
during a raid in which they had been told to kill all military-aged
males, a court was told Tuesday. \ \

Come on now, who wouldn't take great joy in destroying any and
all such ungodly bushite hatred for Humanity in this light of
day, eh? In fact,why don't American Congessmen, who believe
in defending Liberty, campaign JUST that? Why not??? Is it
because they're LIARS?

Like Coast to Coast's fun guy, he ain't taking our screams,
George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Rumsfeld, as it was told on Oprah, doesn't want any arrests of bushite rapists though, so has worked to deny Justice for female grunts by denying all requests to the 'Pentagon' from American Police Departments. [and you thought he was fired!] Why? because, they, the very weakest intellectually of America's - do what they're told teen kids, ALL don't have rights anyone in bushite corporate america is willingly strong enough as a dedicated Leader to speak in demanding defense of, for innocence.. Why? because they soullessly advocate continuing bushite war crimes for a stolen dollar. Stuck that way apparently. Support my rise to speaking publicly for open challenge on the rights and privileges of all concerned parties. Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911. I would like to form a global posse of sleuthers to identify on international open line radio, all guilty INDIVIDUAL parties by evidenced conclusion on our highest of priority issues, and get started with the nothing to hide from anyone global arrests, with PUBLIC court proceedings, done all for our public interest as the refusing to further fall as innocent murder victims.

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush: "If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win." http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to

say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: Greenspan STOLE four trillion American dollars for his international billionaire banker friends before 'leaving'. [Asian market chaos SCAM]

Look: Lotteries everywhere in North America are running the same PROVEN criminal scams that cost US ALL billions and billions of public dollars that, without question, (as MATHEMATICAL FACT), regressively destroy our dying communities. CRIMINAL. [Solution: 100 percent cash payouts.]

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of steel running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. I've spoken to most of those 'in control', and I'm telling you, they're losers, and they know it. Remember: they'll censor my voice to send YOUR child to die for no better good, or reason understood, while entertaining. Weekend TV in North America totally sucks. Now, why do YOU think that is brother? The more powerless they make US, the more money the neocon zionists can murder Humanity for, thinking they might just get away from this if we continue to take no action in defense of anyone as God would will. Let me be Your servant King, by backing me up some here. We need some dollars to eat, and I need it now before we starve to deaths.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 100,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

Look: I am a guy that is regularly denied public access to our national radio programs because I speak documented truths consistently on behalf of real honorable soldiers and police officers. I agree with most, if not all facts Alex Jones importantly brings to our attention, however, I almost as often, disagree with his conclusions.

Support my cause, which is your cause.

King Johnny Wizard
President and CEO

-

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that Father's intent to bare on lancing Boudreaux, and any other who would sing in it's ungodly defense.

Zionist american media celebs do tell, everyday, soldiers for the neocon are all Heroes. (True Hero worship has long gone dead, and simple common respect for the starving man of Johnny Wizard is almost entirely illusionary, but for the love of God has for me, the Son, to never stop caring religiously.) While McCainites advocate imprisoning any (chosen) man in America (with our familiar "Exploitation Units"), who has a picture anywhere on their computer of a fully clothed teen, while denying this following censored video of children being beat to death for fun and profit is real. When I watch only thirty seconds, my rage as a god increases beyond anything anyone of Humanity can even contemplate, and i start crushing bricks in my hands with fury, twist iron bars into pretzels, all as a foolishly feeble attempt to personally have killed those present in this video. Then I cry. I cried for these children present in this video the first time I watched it, and I cried last night briefly, before stopping it.

Please, my brothers, join me in hunting each and every bushite present in this video down for death. For a Love of God that will never end, until we have seen each and every responsible child killing bushite present brought to true Justice extreme.

ARE YOU TALKING TO ME?

George W. Bush:

"If the absence of violence is victory, no one will ever win."

But for those of us who would believe protection to be a heavenly good thing actually he means? What the. does he mean?? Find out!, in the new candid, let's talk politics interview, with no other than, PRESIDENT GEORGE W. BUSH. (talk about having connections!) ARE YOU TALKING TO ME? - A Johnny America Exclusive! - a candid interview on Bush's deeper than ever political thoughts about the war, up front, and personal. Surely, an historical event such as this, with the revelations contained in his own shockingly powerful words, while granting a stage in Johnny Wizard's World, is frankly, beyond the pale, quite shocking in perspective I'm sure I would state again. I feel confident Bush's surprising candor on life's humbling higher meaning wont make the crazies 'out there' any more less right per say. As for the barely living of you passing travelers to our dying Realm.... be ready to be taken on a journey of such profound discovery, with a wit never before witnessed from President Bush!, all about the cruel hardships Americans continue to endure without guidance through effective leadership. Without evidence to form his guilty verdicts. That orders the murder of the innocent with. I kid you NOT. Hey? maybe the Son of

Man doesn't have to wipe out the entire human race after all..
With Bush co-operating now, I personally believe, no, I know,
we're going to make a go of this after all.

Let US speak in challenge to any or all bushite enemies

NATO war plane bombers must be hunted down by the will of
Humanity to be gloriously publicly executed to defend the
innocent lives, they once again, have indiscriminately
murdered in Afghanistan without a sliver of evidence, but for
to say, some dumfuk had a 'rumor' that a single individual
SUSPECTED to be an anti-heroin pro-child defending Taliban
supporter, granted the bombers of NATO to wipe out an entire
village MURDERED indiscriminately by the TRUE demonic enemies
of LIFE. Please, if you must forsake me in your personal
cowardice and self loathing, don't forsake GOD and America by
not killing with PRIDE, these bushite dumfuks of NATO the
first chances you get. Love liberty as if it were your own,
and kill a lawlessly murderous bushite nazi savage for your
love of anyone included. (You can quote me forever on that.)

Giuliani told ABC's Peter Jennings on September 11, 2001

'..and I was operating in there [75 Barkley St.], when I was
told that the World Trade Center Towers were going to collapse.'

WTC TOWERS? "WERE"?

Did you know that the international Johnny Wizard comic book
is out there? Don't miss out on picking up a copy for
yourself, or your loved ones. And did you know, I'm trying to
get on international radio without a censor to thunder my
audience back into submission. I HATE HANNITY. All I want is
free open debate to resolve this crisis, that doesn't have to
be so ruining our dying worlds without questions forwarded by
the dumfuks. Justice is Paramount through reason to be so.
The Bush Administration have been up to no good, escaping for
911, that New York City should sue for. Hire me on as legal
consultant buddies, cause I'm like near starving broke here,
with supreme court challenges failing my cost factor, and
hunger pangs slowing our progress on fighting unjust
incarceration. I desperately need money, like now, as a gift,
or an advance on a industry paid private consultant gig. Or,
instead, maybe you'll idly watch some innocent person
willfully be sent to prison by liars in your demonized name,
to defend the ungodly evils of war criminal traitor, our Mr.
Bush Jr. in foolish disguises. Your call Bud.

be Wiser,

Johnny Wizard - Patriot Liberator of Eternal Destiny
(i.e. REAL sustainability as self sufficiency)

(i.e. nothing is separate from existence ourselves, not even time, and Justice is binding to defend our lives if practiced fairly with it's elemental divisions through reason. Example: a person accused of a criminal offence, without any evidence, is INNOCENT. Those who say otherwise, are the actual terror-ists. Civilization's ancient Founder Hammurabi, suggested just to openly publicly have executed those who lay capital allegations without any evidence, while working to close outstanding criminal investigations. A made CRIME within ourselves Hammurabi claimed, and by thinking such ways, brought birth of 'Civilized' to an untamed till then, chaotic confusion. Old becomes again anew, because Americans are weak as polluted, and too cowardly to defend the rights of US innocent. Let's change that. Support my climb to international controversy, with my unchallenged claims of direct accountability being sought, for the 911's neocon war terror plot.

P.S. someone tell Hannity, I got a beef with his demon lies to sacrifice our guys. I'm calling Hannity out to explain himself freely to US now, as a demand for an immediate match between him and ourselves in the dug pit of his utter contempt for our free to be alive communications.

'A military judge ruled last week that Watada cannot base his defense on the war's legality.'

Telling US what?, that it is a crime to not commit a crime? It isn't only high treason against America the ungodly bushite are guilty of, but of a madness held by those truly Satanic..

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \

No bushite was found gloriously killed for country, yet, they, the godless bushite enemy, continued to shoot innocent People indiscriminately for a distance of six miles, while likely, secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent un-armed Afghans were counted as murdered deliberately, by those who believe our Mankind, can not ever find themselves accountable, without zionist controlled, corporate news permission. See? The military counts mankind as zionist, but I am a man of real men, committed to defend our world from all enemies, foreign, or domestic. Unlike a bushite traitor to God

and America, who's word, as Oath, means as much to them, as we do. Ungodly as they are loveless, the bushite, is Life's enemy.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight,

for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks.

WHERE IS YOUR NATIONAL NEWS TO DEFEND OUR PRIVATE INTERESTS?

Former FBI Director Calls For New OKC Bombing Investigation

/ / The FBI man in charge of collecting evidence from the government building destroyed by the Oklahoma bomb has called for the case to be reopened. \ \

WHERE IS YOUR NATIONAL NEWS TO DEFEND OUR PRIVATE INTERESTS?

First things first: America must demand the immediate arrest of those who told America the victim committed suicide, when clearly, due to autopsy photos, the individual was tortured to death as the innocent. So, the 'officers' responsible for the fraudulent claims, need to be arrested for accessories to MURDER. The torture will earn them both the death sentence, if found guilty under STANDING AMERICAN LAW. And any bushite like a, it's always a great day George Norry, who purposefully with criminal intent stands in life's continuing way for Justice's demand, American Patriots will phone to Bill with every once of pinky power we have at our disposal.

Support Johnny Wizard's personal challenge against thieving LIAR traitor Hannity, and his corporate nazi bush whores who lore our stolen values by how much they can deny US privilege. Coast to Coast radio hosts need to be publicly challenged for debate they deny US knowing of together naturally speaking. Great example of our Problem: CBC National Radio, in Canada. When a caller phones during the very rare moments we're taking public words, have a pre-broadcast rig-a-ma-role question session, you'll have with not only the OFF-AIR screener, where

he'll probe you for controversy, but after the first process of noting in book form your disclosed intel, will notify you that; IF your independent thought is granted by the "Producer" (- who reviews everyone - rules are rules -) Our national station will phone you back this afternoon, so stay tooned, to line you up with your baking gingerbread creds. They never ever dido! The more Brilliant you are, (like the highly charged as extremely charismatically charming, wild man ruler, Johnny America - the media phenomenoner) the higher probability they'll find POSSIBLE concern, on their do nothing for your taxed attitudes..!. Why take chances someone might show a greater living responsibility to a real suffering God as our left corporately forsaken Country?.?.?. A dying Humanity.

Look, seriously, my friends, we have all the answers to our problems.

Support Johnny Wizard's personal challenge against thieving LIAR traitor Hannity, and his corporate nazi bush whores who lore our stolen values by how much they can deny US privilege of equal standing.

Albeit, some rock/country/pop stations are now wading a little ways to allow minimal defensive communications on behalf of our truly dying communities. [i.e. the THIEVING Lottery actually takes more than communities get returned in cash transfers from the government, and this, beat up the unrepresented poor, actually ends costing EVERYONE more. [read "Stand Together, or Don't"] You don't know Evil until you hear CJOB's radio host pontificating on it's greatness to deny our community any time to respond to their direct criminality against OUR interests. A near 75 percent of Our radio content is private commercials, while the rest of twenty percent is amateur sport updates. Why don't the strangely often fat slob sports fanatics go away on their own as blood sucking leeches, and stop denying us more serious subject meters with 'we're just too dumb to hear' censorships. In Winnipeg, it is a teensy, tiny authoritarian illiterate group of sports crowers, that the station has devoted the Province entirely to for private financial profit. And so, what is someone in Selkirk Manitoba going to do with the play by play

radio commentary?, not listen like everyone in Winnipeg does since, that's what. I personally can't even bare the wasted time, to finally get on to be immediately hung up on impolitely by a Station who literally robs from our community. More than 600,000 live in Manitoba, as apposed to a small cadre of proven criminals who stole our public phone system, or took a PULBICLY paid for Private arena or Private sports facility that cost us practically billions to get in the front door of the already completely paid for by ourselves ten times over, to maybe see a concert that Ticketmaster charges half the ticket price to simply just print a paper ticket/contract. ENTERTAINERS, let me be your manager's Manager instead, and I'll get you every last penny your fans paid to see YOU with. I could practically double your earned earnings, or, are you instead going to blindly give HALF your life to a scalper, who's done nothing creative but hire someone near minimum wage to press a print button religiously. I'll tell you what, we just won't do any more good shows until we can get this remedied by freely communicating our concern for dying soldiers left further without measured value, left to actually DIE in the gutter as homelessly forsaken.

Take care by taking action.

God we can't do this alone, I need you.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

promoted through the tyranny of censorship

Corporate News America's Terror Expert, Gaffney, who publicly advocates the rape and murder of the innocent in Iraq to thieve from for the 'escaping' neocons, (as the truly UNGODLY,) stated these words about why American Soldiers continue to lawlessly DIE sacrificed for no better good or reason understood, as total willing dumfuks under deep hypnosis:

"It is not George Bush, it is not the Neocons, it is not people who have been advocating waging that [IRRATIONAL 'Evil' UNJUST] war [against the established innocent] where we find our [hidden from view] enemies, who are responsible for that fact that we are indeed in a global war [sacrificing our conned kids to the un-accountable war profiteering thieves of American labor as the UNELECTED]. It *is* the enemy that started it, that is pursuing it, and that is trying to bring it here back here home now. [, and that way, us neocon zionists would miserably fail against those who would speak in freedom's demand for Universal Justice. Real freedom I mean of course, you know, evidence to form conclusion factually, public trial by questioning juries, blah blah blah. We can't have that Now can We? Colmes? Greenwald?]"

"," = swinging pocket watch

Don't let these neocon zionist bastards doe this to US. Either Gaffney suffers from some blind dolt syndrome, where he clearly can't see himself flailing madly in criminal ignorance, or he's an accomplis of blatant treachery, to help escape his demonic war profiteering benefactors who murdered thousands of Americans for similar gains through the unspeakable bonanza of the "Pearle Harbor" like event that 911 was. What the peenackers publicly stressed they would crave to fool US into Iraq and beyond as glorified war criminals. 911, New York City, where thousands of Americans were murdered, and millions polluted. killed like now American teen soldiers with the Iraqis. Led by a Sattler, or Mattis, Blount or Russell, who order the murder of women and children openly, and 'they', the actual soulless minions of the demon antichrist, the true dumfuk cowardly enemies of Humanity, don't cut them down instantly instead for Life as cherished. That must change for our betterments. Kill any bushite bomber and be loved by God's America.

Any Commander that doesn't support the arrest of those responsible for 911 and the subseqent neocon war crimes of Iraq, is a traitor to God and Country. Death to the bushite, death to our enemies - so says Johnny.

How much much God take as taken, before you people get on over this criminally empowered war monger Congress of an unelected

lawless dictator demon, and call them out on the turning talk commercial radios, all to finally truly defend ourselves with a good media plan for results.

Make the call, be a man.

further to the death cults of corporate news:

Realize, our corporate experts on Life in the national news agenda, don't work to defend our children from mercury in innoculations they promote for profit. Nor, do they tell US about radio-active depleted uranium. Instead, as now, they look to blame others, even God, when suggesting dna is responsible, as if the American corp public could even comprehend multi-demensional cross kingdoming. They can't, (too stupid) but their Satanic death cult [no evidence] where they News pretend and WE DIE, they are willing to continue to go with by refusing all calls. Ahmad funded Atta, but they don't want to tell US there either. Look how many people they have so far watched murdered as the innocent for zionism while entertaining.

Support our call to be heard my brothers.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Powers, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC,

CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

Yours again,

King Johnny Wizard

CONTACT

/ / IDEA: Let's get our show up and running, by allowing open public investigations To be conducted internationally, with open line challenges, so we can publicly isolate each and every bushmobster personally responsible for 911, and then, all of everything else still left outstanding murdering ourselves. Whatdoyahsay?? \ \

Art Bell, the zionist enemy of Life, wont allow free communications with the established facts though,

What do you think? Are you truly all alone on this?

Again, more than half of the money being spent on demon Bush's wars against life's reason for being, is completely left un-accounted for thieving. Not spent to offer dumfuk cowardly soldiers help hunt to kill bushite rapists and torturers. Stolen American values Just like the bushite soldier on the ground, who after gunning down innocent people in the street, go through our pockets to steal the spared change. Kill a bushite for the love of God why don't you my American Patriot brother and sisters?, today!

Again, my friends, Art Bell and George Norry have thousands of bushite dumfuk in America that will phone them to tell US how greatly they are to have no care for dying freedoms in America. While when the humans call, Art Bell for example, between breaks, when privately screening his calls, just hangs up on anyone he fears might articulate things like Ahmad funded 911's Atta, according to the FBI, in defense of America. I say, we at LEAST, talk about putting them both to death for treasons against Your Life dying teen soldier, wannabe Patriot. Make sense?

Again, corporate nazi america states 30 percent of America supports the ungodly George W. Bush's demon antichrist action, when in truth, it's less than one in a thousand. it's just CBC, CNN, CJOB, and Art Bell the liars ain't taking our calls for enlightenment. just like they treat the innocent in Palestine for zionism's encouraged racist in-action. For what does a fan of 'we're the best' Coast to Coast radio network family know about nothing after we witness them froth at the thoughts of nuking countries, or calling for enemies, none of us here in North America have any real problems with?

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and

South African death squad goons, all to war Love for the
neocon god haters. Who, as peenacking atheists, as their very
own documents stress, would murder anyone of US for a stolen
nickel.

This is why the Son of Man through God begs the Peoples of
Humanity to kill on sight, the enemy bushite betrayers to
Life. Ourselves, the innocent. These soulless grunts don't
destroy such deserving commanders, Like Blount, Sattler,
Russell, Wuterich, Pantano or even Kimmitt, and instead, as in
Fallujah, murder every woman and child present, while stealing
all our given monies for desperate life saving help. Anyone
in the Air Force deserves to be justly put down, for, I've
NEVER seen any legitimate bombing campaign, but for to kill
People indiscriminately like NATO regularly does with
radio-active toxic waste, while then sending in the dumfuk
Marines, or the 'from the coast' Canadians, who of course,
rightly get killed on the ground in retaliation for such blind
evil stupidity. Please, I beg, help Iraqis, and kill the
bushite thieves to defend our forsaken God. American
children, help me my loves. Please don't allow the bushmob to
escape for the treasons against America on 911, for, bushites
are OPENLY traitors, as the TRUE enemies of evidenced Justice,
as the Freedom to do our own things loving God on our own.
Besides, most bushites aren't even registered American
citizens. Bushites need to be hunted down for destruction -
by the Loyal Christian American Patriot Soldier, the ones who
war to win against those who torture US innocent to death as
the ungodly Satanic LIAR enemies. Save the Humans, kill a

/ / The proposal, which Sen. John McCain is planning to
introduce on Wednesday, also would require ISPs and perhaps
[!?!] some Web sites to alert the government of any illegal

images of real or "cartoon" minors. Failure to do would be punished by criminal penalties including fines of up to $300,000. [...]

What images must be reported? Illegal images of minors, which includes clothed teens in "lascivious" poses, according to the Justice Department. Obscene "cartoons" and "drawings" also qualify. (18 USC 1466A) \ \

Alert the USER! not tyrannical leaderless dumfuk thievers, for it is the expresser who, if any, that is guilty of a determined illegal expression. In 'The' Canadian case, they, (once proud IRRATIONAL bushiter THEIVES [pro Afghan child killers determined to help the ungodly demon Bush's 'escape' for 911]), want/HAVE to put MEN is prison for beautiful pictures of girls in panties, or bubble bathtubs being. IT IS demonization. Leaving twenty year olds to look like they could be tens in a singled out of context womanly derriere, that our Jurys nations-wide, are generally, denied to perceive normally, if at all. McCain knows he is an enemy to God's children everywhere. McCain speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED. So, where are the North American multi-million dollar "Exploitation Units" to defend our King's children from TRAITOR pro-torture of US as the INNOCENT McCain there then eh? McCain is a demon enemy of Life ourselves to promote the arrest of all the goodness that beauty brings in the heavenly art of our clothed teens. If it weren't for Earth Women, God's boy, Johnny Wizard, wouldn't even be here to bother. It's the reason I first picked up a guitar, it's the reason I did my early plays, then monster movies, and it's the reason I praise the orchestra of the Heavens in Dream, and well.. it's just the reason for everything. I speculate sometimes perhaps slyly that G was kinda lonely all by ourselves for zillions of years, whom, for entertainment, loved us up on the entranced exit starting - before a beginning without ending, yet, as outer there, is still the insider here, forever being we sorta, and gave us this foolish boy for the mental gymnastics. Well, gee, Iran has no nuke program, in anyway, shape, or form, but Israel wants to murder more of humanity for their ungodly lies anyway. The enriched uranium Iran is making, can not be used for a bomb because it's only enriched to 2 percent, and to get the bomb making stuff, you need a COMPLETELY different technology. But science?, in bushite america? Nazi America would rather be nazi chauvinist pigs, before admitting the Son of Man exists, or to go to the trouble of phoning someone who refuses to take our public calls for Justice. A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification, concluding Naturally, that all stolen Iraqi money must be returned by the will of GOD to the victims; with those responsible for stealing it, made to pay US back, with the true American Patriots to be found, backing US up 100 percent. The bush administration has teamed our kids to mercenary forces who have no loyalty to freedom but to freely die another Marine for more dying stolen values. While successful at it corporate America, just lies and lies and lies without shame, nor apology for the death of your poor cowardly kin.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin, and, Influenza is a constantly mutating virus. So, pre-determining which 'deadly' strain is going next, is only because the WHO wants to continue killing US for huge cash profit. With cult slaves, like those who forced Jones Towners to drink at gun point, are the same as those who now demand we give our girls of America from Texas such. It seems the magic TV news people don't want to trouble us on this matter of our actual survival.

You must wake up to life's demand for you to defend our dying lives my friend. Please? Make the call, be a man to defend our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People

/ / Four US oil companies, namely Conoco, Chevron, Amoco and Philips have concessions in nearly two thirds of Somalia. This quartet of oil conglomerates was granted these contracts in the final days of Somalia's deposed dictator, Siad Barre.

The US first military engagement in Somalia was fully supported by Conoco. \ \

In the new world, these soulless bomber bushite of the air force, responsible for blatant first degree acts of murder against the innocent, would be hunted down by Humans, tried, then executed gloriously in the defense of our living justly.

Bush continued, "I believe most Iraqis express that. I mean, the people understand that we've endured great sacrifice to help them. That's the problem here in America. They wonder whether or not there is a gratitude level that's significant enough in Iraq." \ \

Is Bush saying US dumb bastards don't give enough in
sacrifices to himself as the demon antichrist?

New Recruit

Destroying enemy bushite is a gift to Humanity, it is
saying you care for the lives of the innocent a bush
bitch nazi grunt freely confesses to targeting for
murder. Liars are the bushite, who steal Iraqi
resources, allow racists and rapists to commit their
demon crimes in America's name un-challenged, and who
absent mindedly bomb the innocent without just reason
given. All the while, labeling themselves, "pro-Iraqi".
snpd

Real Americans are those of US as humanity that believe
in liberty as Justice for all. Demon bushite nazi
whores, don't like those principles of freedom through
evidentiary findings though, for their false deity,

George W. bush Jr, wouldn't be stealing from the honest
hard working blokes who live for a better day that way.

The Iraqi children did nothing to deserve such awful
suffering and fright and death at the hands of the enemy
bushite. The bushite: who the demon anti-Christ
states, are un-accountable to any rules of law in this
Universe, like with his extremely foolish criminal
decree, 13303. I kill mindless parasite bushite nazi
enemy soldiers just for that alone as eternal defender,
and I do it for to win some mercy for a real living God,
who the fascist enemy bushite hold in their ungodly
contempt as LIARS.

I have the backing of every real man alive on this
planet, and we all know it. No voices of reason have
apposed my factual claims in FREE Usenet, and Art Bell
makes no attempt to defend himself as internationally
painted enemy traitor, and that says a whole lot to Talk
America. Why? Because Mr. Bell, the bushite
propagandist, knows too, I speak and act truthfully,
honorably, and righteously, while the talk radio
american bushite lies, cheats and steals from America's
America, that as bushite, leave undefended for criminal
plunder in Your name call censored from classed
enrollment. You have just as much a right to be here as
I do, and the demon bush, he ain't no better than any of

US when he is "excused" for the murder of well more than a hundred thousand confessed as completely innocent people on this planet called Earth.

The fascist control bushite, don't like You to think independently for Yourself, for we independents out here make them look as stupid as they are. Thank you very much for that not so secret info.

Through the pronounced bush demon's gaffes, embarrassments, and told complete total ignorance on subjects like the science of economics, the whys of constitutional law, or when the bushite takes credit for indiscriminate killing of our families and friends while parading it's all done in bush's name for our freedom, or for 9/11, doesn't fool me, and should get you thinking about reaching for your guns too, for bushite rapists and torturers will not walk this world freely un-accountable, for as long as we remain alive to hunt them down and kill them if so be. As the soulless disciples of the enemy anti-Christ, Our Mr. bush Jr., their "officially" granted legal immunity from all prosecution means nothing to me as a honorable man defending my humanity, or as living Creator, who brought all into this new world to be free, and can just as soon, take you all nazi bushite out the old school way.

How The Demon Bush Misled God's World

How Bush misled the world
http://www.theage.com.au/handheld/articles/2004/02/05/1075853996640.html

/ / Once the document was declassified after the war it became known that it contained 40 caveats - including 15 uses of "probably", all of which had been removed from the previously published version. Tenet further ingratiated himself by remaining silent about the OSP. "That's totally unacceptable for a CIA director," said Thielman. \ \

Thielman meant "totally unacceptable" as in HIGH TREASON. Could it be any higher? Deliberately caught misleading whore-dumb Congress to wage his immoral neocon 'escape' with a unjustified criminal brutality against God as all of our Humanity. A great deal more than a million innocent people have been victims to the 'targeted' Zionist killings of the irrational bushite enemy. Lawless enemies to Creation, spreading their toxic waste who thieve, rape and murder without reprimand from corporate news america, shall, I pray daily, die justly in vengeances by the will of a real undying Love for our victimized innocent family. Justice for Humanity.

Please, help US.

The guilty party of Haditha have confessed that targeted killing of innocent children is fair game in their worlds, and as confessed, they 'got away' committing the same Satanic acts - going house to house in fallujah murdering more than two hundred thousand innocent folks for LIAR E-N-E-M-Y Sattler. Bushite corporate america, has stated in silence, the bushite enemies of Haditha will never face public execution for such offences, YOU apparently WILL NOT GRANT IT, too cowardly, and in all likelihood, (like those of the Saudi Blount's third infantry) will be allowed to walk freely down american streets after being found guilty as politically supporting the robbing and murder of innocent men, women, and children all because we're rag-heads or niggers. The, deserving to die as illiterately intolerable bushite drone soldiers HAPPILY, WITHOUT QUESTION, co-operate with ANY lawless mercenary forces such as south african death squad goons in finding the enemies of themselves. Purposelessly ungodly bushite soldiers are told they are DYING to defend Iraqis, while breaking out of prison, mercenaries caught trying to kill innocent Iraqis for fun and profit. While, at the same time, actually having SLAVES from India preparing their lunches!!! And guess what? they're coming to live bushite america as the patriots after they get killed you're forsaken American Son or Daughter teen! With millions of stolen American dollars to set up new 'freedom' operations.

Shirley, bin Laden would be sided with the fundamentalist Shiites, before, everyone-is-an-equal Sunnis, who as Bathists, had no problem WARRING al-Qeada, while counting as members of their party, Christians, Jews, Muslims, and Atheists. But corporate bushite liar america says no, bin Laden supports Sunni IRRATIONALLY, and that is why bushites have to sacrifice in partnership with those who blow up PEOPLE indiscriminately as the 'good guy' 'heroes'. Similarly like in Somalia, where bushite forces are working to directly arm those who murdered American GIs during Clinton. Those war criming repuglicons responsible for the bombing need to be tried and executed for committing first degree acts of mass murder in America's name. CBC, in Canada reported that Pentagon sources allege their isn't any evidence whatsoever to what bushite news america has reported to the dumfukked populace. [Peter Lance will tell you [mind you, half assly] on behalf of investigating officers of our LAWS, it was a dishonorable LIAR Green Beret actually, a Green Beret who set the bombs and blew them up to KILL AMERICANS, but says Laden ordered him to it though, so he gets to go free on his own apparently. An individual EVERY AMERICAN should hunt to kill with Americxan Law firmly established already. Why? Zionists murder Americans for profit, by simply lying un-challenged through corporate mind control, and culted soldiers to this day, would thoughtlessly call the ungodly lawless bushite traitors to freedom, 'good

guys' and 'heroes'.

Let US demand open radio
communications on the mathimatical facts to save our own
selves further victimhood to their personal contempt for the
true value of YOUR life. Thanks.

Can you help us speak this outrage to your local media outlets?

thanks again bud.

resource security as their primary mission." In April, Tommy

See? It's admitted that the zionists planned to STEAL the rights of Afghans for Enron, by LYING to SOLDIERS to get them killed as the American Pension thieving bad guys. Too COWARDLY parasitic to hunt those responsible for murdering thousands of "Americans". So, as a consequence, they, as loveless bushite drones, die cowardly with the once great America as enemy corporate fascists to Freedom's Justice, Our Living God.

John's truth. Killing a THIEVING bushite is to save the lives of the innocent they target for murder. The cowardly bushite, dies sacrificed - all to help IT slavishly escape those responsible for 'getting away with' murdering thousands of Americans in New York City on 911. Sorry George W. The DUMFUK ENEMY OF CHRIST "Uhhuh."

See, TRAITOR Hannity [who deserves to be executed for the treasonous DOCUMENTED lies he tells America almost daily] would claim any and all serial murderers and rapists in America are the definition of bravery. Bushite dumfuks deserve to die as enemies of America because they openly, purposefully target the innocent to rob from and murder, as bushite did on 911. They bomb cities. Thus is why Christ [ME] tells loving children to gladly help Life kill their own godless fathers or brothers who CHOOSE to commit these war crimes against our humanity with their contempt for Justice, Johnny and America. {Especially those in George W. Bush's air force.] A bushite's hatred for America is blatant with every monosyllabic grunt they make. In nazi zionist america, they have a Zionist national radio program that forbids the nation to know they're presently being victimized for criminal sacrifice, and apparently, Americans would rather DIE, than hunt George Norry, or Art bell for questioning. A nation of fascist nazi cowards, who go silently to their graves in their support of torturing innocent people to death for the thieving EVIL bushite's pleasure.

Death to the godless bushite, death to America's lawless enemies.

AFFIDAVIT

AFFIDAVIT OF JOHNNY WIZARD

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba
MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire
transfer about $100,000 to hijacker Atta. Ahmad later resigns
after the transfer is disclosed in India and confirmed by the
FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street
Journal, 10/10/01, AFP, 10/10/01] The individual who makes the
wire transfer at Ahmad's direction is Saeed Sheikh, later
convinced for kidnapping and murdering reporter Daniel Pearl

in February 2002. ABC News later reports, "federal authorities have told ABC News they've now tracked more than $100,000 from banks in Pakistan to two banks in Florida to accounts held by suspected hijack ringleader Mohamed Atta." [ABC News, 9/30/01] CNN also reports the $100,000 transfer, and the New York Times specifies that it came in 2000. [CNN, 10/1/01, CNN, 10/6/01, New York Times, 7/10/02] Ahmad's order must have preceded June 2000, since that's when Atta and others started opening bank accounts and receiving the money ($109,910 is received by Atta and Marwan Alshehhi between June 19 and September 18). [MSNBC, 12/11/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy

documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegations, thereby guaranteeing criminal invasion. Only workable if Laden pleads innocence to a crime that hadn't yet taken place, a crime serious enough to "justify" sacrificing American GIs truly for a liquefied natural gas pipe line for pension thieving Enron. ["The Dahbol Working Group" and Bridas] Any evidence for any offense would have been sufficient to have Muslim fundamentalists hand Laden immediately over, as they had offered [as others of other nations had also] repeatedly during the Clinton years.

CBC and CNN have still, to this day, consciously refused to do any follow up on the intelligence, deciding instead on behalf of dying people everywhere, our public devolvement of a just society.

3.

RTÉ News - US rejects Taliban bin Laden evidence calls
21 September 2001 17:41

The White House has rejected requests from Afghanistan's ruling Taliban for proof that Osama bin Laden was responsible for last week's attacks. According to the US Secretary of State, Colin Powell, the United States has enough evidence to try bin Laden in an American court.

The US Government said there would be no negotiations.

Daschle, "Did the vice president call you and urge you not to

on Jan. 28 the president himself at one of our breakfast

October 9 2001 - The Times of India

"While the Pakistani Inter Services Public Relations claimed

that former ISI [the "Pakistani CIA"] director-general Lt-Gen
Mahmud Ahmad sought retirement after being superseded on
Monday, the truth is more shocking. Top sources confirmed
here on Tuesday that the general lost his job because of the
"evidence" India produced to show his links to one of the
suicide bombers that wrecked the World Trade Center. The U.S.
authorities sought his removal after confirming the fact that
$100,000 were wired to WTC hijacker Mohammed Atta from
Pakistan by Ahmad Umar Sheikh [Omar Saeed] at the instance of
General Mahmud [Ahmad]. Senior government sources have
confirmed that India contributed significantly to establishing

the link between the money transfer and the role played by the dismissed ISI chief. While they did not provide details, they said that Indian inputs, including [Omar Saeed's] mobile phone number, helped the FBI in tracing and establishing the link."

8.

No evidence was brought against Laden for nine eleven, none. [So according to Bush's official top secret Presidential directives] While Laden himself claimed he played no part in 911. Still, to save the lives of third worlders on the brink of starvation, Laden agreed to hand himself over, but Bush refused the offer, while CBC and CNN denied to report on that fact for the behalf of now dying dismembered American GIs. Once the indiscriminate bombing began, targeting almost every building in the country of Afghanistan, Laden then claimed he had no choice but to fight back to defend US innocent from the ungodly enemies of Creation/Freedom. Then the clear to all fake video came out with an actor who's face wasn't even close to looking remotely like Laden, but for almost the facial hair. [Bridge of the Jamaican actor's nose is HALF as long in proportion to Laden's for example, and surely frightfully shocking for some, the actor doesn't even take blame for 911 either!] Photos comparing the two faces never aired on CBC and CNN available in about twelve seconds with the power of the Internet.

With complete, one hundred percent access to go where ever the Bush Administration pleased without delay, left a situation of an unjust war only detrimental to an ability to bring about any good or better thing. American soldiers are being sacrificed for no better good or reason understood, for if progress will ever be made, it will be when they work to bring about a political situation that was there in Iraq before the Bush Administration starting murdering innocent people for nothing . Well, not completely, for Bremer shipped 19 billion to Greenspan early on, then, hundreds of millions were sent back.

Tony Blair Speaking To House of Commons Liaison Committee

36.

The Washington Post, 23 September 2001.

At American urging, Ahmed traveled ... to Kandahar, Afghanistan. There he delivered the bluntest of demands. Turn over bin Laden without conditions, he told Taliban leader Mohammad Omar, or face certain war with the United States and its allies.

Mahmoud's meetings on two separate missions with the Taliban were reported as a "failure." Yet this "failure" to extradite Osama without providing a shred of eidence was part of Washington's documented design, providing a pretext for a military intervention which was already in the pipeline. If Osama had been extradited, the main justification for waging a war "against international terrorism" would no longer hold. Nor would the ready to go Patriot Act. Incidentally, when MSNBC contacted the Whitehouse regarding the top secret invasion of Afghanistan plan, it was confessed that the plan had been "fully implemented"

There sure are days and days.For example, when I was at Fort Knox,Kentucky (ammo school) in 1963.I saw a beautifull tall blonde civilian gal walking along the sidewalk.I was walking too,I started walking faster and I caught up with her.I got to talking to her and I asked her for a date.She said no.Later on that day in the evening, I stepped over to the Fort Knox Post Grill.(eat joint) I saw her in there sitting at a table with two guys.I pretended I had never seen her tall blonde luverly self before.Himself (that's me,,, himself) turned around and walked right on out the door.

There is a power outage in parts of New York City right now.Might affect some parts of the subway system.

Maybe that's part of it. I just checked again, and am able to pull in WWV on 10 MHz and 15 MHz, but it's poor reception. Still, it's there, so I guess it's just a conspiracy of circumstances keeping me from testing my latest improvement on the perpetual project. :)

Oopsies... hit the wrong button on that last one.

Question for you:

Is there ANYTHING that can be proved to the standards and expectations of 100% of any given group of people? It has been 'proven' that the Earth is a sphere, and that it revolves around the Sun.... but there are still at least thousands of people that believe otherwise.

TO GAIN MONEY FAST, facil and LEGALLY. The best form to make fast money If you really want to know if this works, it observes by same you, and it only watches how much people this doing this. If this does not convince to you, nothing will do it you do not let pass this opportunity, I did not believe it but I was convinced and now all my family and friends we are improving our lives! you do not have anything to lose but if that to win much. You will realize that is something truely ingenious, that is and it will make you gain a few euros and it only costs 6 EUROS or 6 U.S. dollars, and that is not nothing compared with which reportarte could if you dedicate to time and sacrifice. YOU WANT TO MAKE MONEY TO PAY YOUR DEBTS? IT LEGALLY INVESTS To 5 MINUTES OF YOUR TIME And SIDES THAT THIS REALLY WORKS And IN ADDITION! Permíteme decirte that I found it. And that that I detest those schemes of marketing with several levels, or to make orders by mail, or putting propagandas in you exceed of mail, etc., the list is interminable. I proved all the odiosos schemes of hacerte rich express during 5 years. It was sailing by the groups (GOOGLE, YAHOO, ALTAVISTA, ETC.) when I saw an article that something said to obtain fast money. Pensè in Internet? Good, I said myself to same me, I have to do what type of scheme can present/display in Internet. This article described the way to send BY MAIL 1 CURRENCY OF EURO or 1 DOLLAR AMERICAN To ONLY 6 PEOPLE and TO GAIN $ 50,000 IN CASH IN 4 WEEKS. Good, the more I thought about this the more anxious was. So I concluded yes! clear it must of being a swindle. But as most of us I felt curiosity, so I continued reading. After meditating it and consulting it with some people I decided to try it! Really it is worth only 6 euros or 6 dollars and 6 seals of mail, I have spent more buying lottery and never I have won. *** This is not a swindle; he is not indecente, is not illegal; and he is free 99% of risk, really works if you follow the instructions, you will receive extraordinary dividends. Now you will be part of the business of the mail lists. In this business your product is not solid nor tangible, is a service. You are in the business of the development of the lists of mail (Mailing lists) Good first of all the main intention of this letter is convencerte of which this it is an honest system, legal and extremely profitable and also a form to obtain excellent income in a very short period of time. It is possible to also stand out, that this system has fulfilled its cycle natural, that is to say, has verified its effectiveness and with excellent results. Also, this system does not require physical contact with people, it does not require either of a heavy or difficult work, and the best thing: you will not have to leave house except gathering its mail. This it is a program of ELECTRONIC SUPPORT that takes advantage of the world-wide platform Internet, which guarantees its operation in perfect form. 100 % OF THE

TIMES! Thousands of people have resorted to this average one to obtain good capitals and thus to initiate their own business. Basically, it becomes possible through a chain that goes to thousands of people and who will also be made reality for you, only with your collaboration. For that reason I recommend to you TO FOLLOW CAREFUL and EXACTLY the INSTRUCTIONS OF THIS LETTER, recalcándote once again that this is 100 % insurance and that you will not regret to have read this I articulate and put in practice... IT SHARES MONEY And IT RECEIVES FAST MONEY... BY MAIL. THIS REALLY WORKS!!!!!! LÉELO PLEASE, IS SUITABLE LÉERLO. TO YOU! FAST MONEY! If you are very anxious and you do not want to read what continuous, it sees the section of the instructions at the end of this article directly. **** the $50,000 in cash could be a high point to reach, but it was possible. I imagined that perhaps it could have a reach of $1,000 more or less, so I did it. As they said the instructions in the article, I sent by mail a SINGLE EURO to each one of the six people of the list that contained I articulate that I read. I included a small note that PLEASE said "to INCLÚYEME IN YOUR LIST OF CORRESPONDENCE Or email" along with the Euro. Soon I remade the list in where saquè to first, I above moved a position to each one of the rest and included my name at the end of her. This was the form to obtain that the money began to arrive to me. Soon I took this list that finished modifying and I PUBLISHED it IN ALL the NEWSGROUP (Groups of the News or Forums of Discussion) and BBS LOCAL THAT KNEW DEPENDS COMPLETELY ON YOU, Of the INDIVIDUAL. You must follow it and to publish it where it is possible to you, whichever but is published and more people see it, will have but possibilities for all of making but money, this determined whichever arrived to you by mail. It is really easy to do it... Let us review the reasons of so that to do it: the only expenses are: 6 Estampillas, 6 you exceed and 6 EURO (a currency of a EURO or a dollar for each one in the list), soon to publish the article with your name including in ALL the NEWSGROUP that are happened to you (this are free) and soon to hope that you exceed them arrive to you. All we have 6 EUROS to spend in a easy investment and that it does not entail no type of effort with a SPECTACULAR one compensates OF BETWEEN $15,000 and $25,000 in single 3 to 5 weeks. So prívate to play the lottery, or today better eats in house instead of going outside and invests those 6 EUROS in which one pleasing surprise can darte. There is no form to lose! As this works exactly, Next I detail the simple instucciones to you of how you are going to obtain that easy money arrives to you. Prepárate to obtain it, this is the form... ********** INSTRUCTIONS: *** STEP 1: It obtains 6 white sheets of paper and writes the following thing: "PLEASE IT INCLUDES MY NAME IN YOUR LIST OF CORRESPONDENCE Or Email" Or "PLEASE ADD MY NAME TO YOUR LIST". Soon, it also writes your name, direction and electronic mail (and mail). Like a pretty detail pon also in which POSITION appeared each name of the people when you sent your EURO (Ejm: "You were in the 3 position" or "You were in slot 3") like making it but complete. That one is, to make money and to pass it well at the same time, everything with good will. Now it doubles this page where you have written the previous thing, around the currency of

1 Euro or of the bill of 1 dollar American, you do not send to checks nor another type of payments, single EUROS or American Dollars. Ponlo everything within 1 on and màndalo to each one of the 6 listed people, the idea to double the paper around the Euro is for assuring that it is going to arrive at his destiny and THAT IS IMPORTANT!!!!! Of another way the people who work in the mail podrìa to detect that she is money and to remain with the thousands of you exceed that they are to you arriving; so that she recommends herself to surround everything, additionally, in a dark paper or of coal so that she does not see herself through on). What these doing are to create a service and like so, makes LEGAL COMPLETELY. From now on these not sending to him to a EURO or a DOLAR to some person without any reason, these paying to a EURO or a DOLAR by a legitimate service (I assure to you, again, that this is completely legal). Immediately afterwards, it sends the 6 you exceed (better with fine cardboard or waddings in case of being currency so that one does not notice and it disappears by the way) to the following directions: 1.HÉCTOR LLANEZA ALVAREZ C/ELEUTERIO QUINTANILLA Nº32 3ºA C.P 33208 GIJÓN ASTURIAS SPAIN 2.VICTOR ENRIQUE HUMOFFE DORREGO 588. 3ºPISO DTO. 35 BELL. C.P 2804 BS. AS. ARGENTINA BALD 3.ILUMINADA BELTRÁN C/PEDRO JUAN NÚÑEZ Nº 8 PTA: 5 C.P.46021 VALENCIA VALENCIA SPAIN CANARY 4.JORGE CRESPO CELDRÁN C/ISLAS 180 ESC/ 1 PTA/17 C.P.46024 VALENCIA VALENCIA SPAIN 5, Eduardo Yafe Silva Irigoyen n· 86 Santa Lucia dep. Canelones Uruguay C.P. 90700 6, JUAN.JOSE GONZALEZ PARRA SEPARATED FROM Nº POST OFFICE 63 30002 C.P MURCIA MURCIA SPAIN *** STEP 2: Listening with care, this is the form of as you are going to receive Money by mail. It watches the list of the SIX people, flock the name #1 of the list of above, and adds yours at the end of her, so the one that was # 2 happens to be # 1 and the one that was # 3 happens to be # 2, the one that was # 4 happens to be # 3 and the one that was # 5 happens to be 4 etc... and YOU are now number 6, includes your name, direction, C.P. and country *** STEP 3: It changes everything what you create advisable of this article, but tries to maintain it but near the possible thing the original one. Now pon your article in at least 200 NEWSGROUP, also calls Forums of Discussion or Groups of the News (they exist more than 24,000 groups). Sòlo you need 200, but at the most amount you put, but money will arrive to you. Here some indications of like introducing itself in the newsgroup go. LIKE HANDLING THE NEWSGROUP: In the first place, you do not need to write up all this letter again to do the yours own one. Only pon the cursor at the beginning of this letter and drags downwards so that everything is "shaded". Later, it presses keys CTRL +C, of this form is in the memory of your computer. Soon, it opens an application Block de Notas (NotePad), Wordpad or MsWord preferably. Soon, once opened anyone of these applications it places the cursor at the beginning of a leaf in target and presses CTRL+V, and you will already have this letter and you will be able to add your name and direction in #6 being followed the instructions of above. By I complete guard this letter with your changes in a new file of the application. HE IS EVERYTHING! Everything what you must do now is meterte in different "newsgroup", forums, classified, or announcements

free, etc. and to publish it. It remembers that whenever you want to do it it was enough with opening the file kept, copying it and to stick it in the area of message of the newsgroup, or classified, forum or announcement free, etc. In order to arrive at them in any finder pon these terms: newsgroup, forums of discussion, classified, announcements free or guestbooks; and they will appear thousands of pages. You do not forget to publish all the announcement or letter but with YOUR NAME in position 6, disappearing the 1; when you already have practice to only will take about 30 seconds you by each newsgroup. It is recommended, in addition, that when you publish the description of this article you try to give a name him that "catches", as "IT NEEDS MONEY RÁPIDO?, reads EAST ARTICLE" or "IT NEEDS MONEY TO PAY HIS DEBTS", "IT LOWERS EAST FILE and IT READS AS IT CAN RECEIVE MONEY BY MAIL" etc. and not thus "DESIRE MILLION IN 1 WEEK", because nobody took you in serio.********RECUERDA, WHICHEVER MAS NEWSGROUP YOU OBTAIN, MAS ANSWERS (and MONEY) YOU RECEIVE! BUT YOU MUST ENTER AT LEAST 200. * ********* ALREADY IS!!... Your you will be receiving money worldwide, of places that nor you know and in few days. ** ASEGÚRATE OF WHICH ALL the CORRECT DIRECTIONS ARE ** Now So that of all this: of 200 sent announcements, we say that to single receipt 5 answers (lowest example). THEN I WILL HAVE GAINED 5 EUROS or DOLARES WITH MY NAME in the position # 6 of èsta letter. Now each one of the 5 people who sent a Euro or DOLAR to me tambièn creates a minimum of 200 newsgroup each one with my name in no. 5 of the List and if to these people to only 5 people to each one of the 5 original ones responded them, this would cause that I gained 25 more Euros (DOLARES), now, if these 25 people create a 200 minimum of newgroups with my name in no. 4 and receiving sòlo 5 answers of each one. Estaria winning other 125 Euros (Dolares)adicionales. Now 125 people put their same 200 groups with my name in no. 3 and they only receive 5 answers of each one, I I would receive additional from 625 Euros (Dolares)!!!! Ok? Aquì is the amused part more, each one of these 625 people put its letters in other 200 groups with my name in only 5 no. 2 and each one receives answer, this causes that I receive 3,125 EUROS (DOLARES)!!!!!!! These 3,125 people enviaràn èste message to a minimum of 200 newgroups with my name in no. 1 and if only 5 people of the 200 groups respond I will be receiving 15,625 EUROS (DOLARES)!!!!! Of an Original investment of of 6 Euros or 6 Dolares more stamps (seals). INCREDIBLE! and as I said before, that single 5 people respond is very little, the real average would be of 20-30 people! There that we put these numbers but to calculate. If single 15 people respond, this does: In # 6 15 Euros (Dolares) In # 5 225 Euros (Dolares) In # 4 3,375 Euros (Dolares) In # 3 50,625 Euros (Dolares) In # 2 759,375 Euros (Dolares) In # 1 11.390.625 Euros (Dolares) Yes, more than ELEVEN MILLION EUROS (DOLARES)! Once your name no longer is in the list, it again removes the last announcement from the newsgroup. What you must remember is that thousands of people more, anywhere in the world, connect to Internet every day and will read these articles every day as your and I we do it. So I believe that nobody would have problems to invest 1 EURO or DOLAR and to see if it really works. Some people get to think

"and if nobody decides to answer to me". That which is the probability that this happens when there are thousands and thousands of honest people (who as you and I) they look for a way to have extra money... and who they are arranged to treat, because "there is no worse fight than the one than it does not become". Esteem that exists Every day of 20.000 to 50.000 new users (anywhere in the world). ANOTHER SYSTEM TO COMMUNICATE IS OBTAINING the email OF PARTICULAR PEOPLE. THEY MUST BE At least 200 DIRECTIONS, And THIS HAS A MINIMUM EFFECTIVENESS From The 5 To 15%. IF SINGLE YOU LOOK FOR PEOPLE WHO SPEAK SPANISH, IT SEES An Email SUPPLIER And PRINTS A LATIN LAST NAME ALREADY And THIS. Another form is to publish this letter in your PAGINA WEB (if you have it). *** Recuerda to do this of CORRECT, CLEAN and HONEST form and will work with complete certainty. You only must be honest. Asegúrate TO PRINT this article NOW, tries to maintain the list of all those that always send money to you and fíjate in the newsgroup and sees if all are participating cleanly. It remembers, HONESTY IS The BEST METHOD. I have the 1103 and just recently acquired the E5. The 1103 was and
early one and it has the frequency tuning bounce problem. It is
frustrating to tune and the ergonomics on this radio suck.
The E5 is very user friendly. The tuning knob works like a
charm. The nicest tuning on a portable I think.
If you can afford the extra $ go with the E5. Performance is
about the same.
Re the S 350. I was listening for R. Australia on 17795
recently. The S350 heard nothing whatever on that freq while the E5
managed a rough but copyable signal.

Finally settled on and Eton E5. After many many searches, contacting "The Source" head office for assistance in finding one "not a demonstrator model", at their stores, I finally got one "new" in the box with all accesories.
The first one was picked up at a downtown store where the online site indicated that they had three.
When I got there the clerk, Hugo, told me that the manager had put two aside for himself and that the one I was buying was not a demonstrator, yet it took him 20 minutes to find it in the back room.
I get the thing home and it doesn't work. 'Phoned the store "Circuit City" and now he tells me that somehow I managed to get one that was supposed to be sent back for repair. OK......lets return it to a Circuit City store a little closer to home.
I enter the store and explain my problem and ask for a refund. At that the clerk opens the till and "voila", he says he doesn't have enough cash and to come back later.
On hearing that I started to get a little heated.
Go sell something, I told him, or take out a loan. I'm not leaving here until I get a refund. With that the money mysteriously appeared and I was on my way, empty handed as they too were out of the E'5s.
I contact someone at customer service and explain all that's been happening and she tells me that both stores are in for a little training and she will call me back with her results of a search for an "in box E5".
She phones back shortly and tells me that the store that I have just been in and received the refund from, do have an E5 "in the box", not a demonstrator, and to get over there before they loose it. (When I returned the first radio, they said that they didn't have another E5 and asked me if I'd like to order one). Strange, strange.
Anyway I picked up the radio, it was not the one I had returned, and it was as they said, unopened in the box.
I pay for it, tell the manager he's made his profit for the day, turn out the lights and go home.
Have you noticed lately how little inventory Circuit City acually has at some of their stores? 'More returns than retail merchandise.
At last I get to try out the E5 and it is as good as the group says. The sideband signals are coming in loud and clear (6604, 8918, 6501 etc)and that's just with a 6 foot length of wire clipped to the whip! The 700 memories are a fantastic feature as is the paging and "4 letter" tagging. Sounds better than one would expect for it's size.
That non-slip finish is great too.
A little noisier with the wall wart but I think I'll just run it from batteries.....Very good battery life!
Thanks to everyone who responded with their "hands on" comments.
I hope my experiences with these retail outlets (both of them) are an

isolated incident.
Thans again.

3566. AM electromagnetic waves: astronomically-high modulation frequency on an astronomically-low carrier frequency

Hi:

Please don't be annoyed/offended by my question.

I have a very weird question about electromagnetic radiation,
carriers, and modulators.

Is it mathematically-possible to carry a modulator signal with a
frequency of 10^1,000,000,000-to-the-power-10^1,000,000,000 gigacycles
every 10^-(1,000,000,000-to-the-power-10^1,000,000,000) nanosecond and
an amplitude of 1-watt-per-meter-squared on a AM carrier signal whose
frequency is 10^-(1,000,000,000-to-the-power-10^1,000,000,000)
nanocycle* every 10^1,000,000,000-to-the-power-10^1,000,000,000 giga-
eons and whose amplitude is a minimum of 10^1,000,000,000-to-the-
power-10^1,000,000,000 gigaphotons per 10^-(1,000,000,000-to-the-
power-10^1,000,000,000) nanosecond?

If it is not mathematically-possible, then please explain why.

10^-(1,000,000,000-to-the-power-10^1,000,000,000) second is an
extremely short amount of time. 10^-(1,000,000,000-to-the-
power-10^1,000,000,000) nanosecond is even shorter because a
nanosecond is shorter than a second.

10^1,000,000,000-to-the-power-10^1,000,000,000 cycles is an extremely
large amount of cycles. 10^1,000,000,000-to-the-power-10^1,000,000,000
gigacycles is even more because a gigacycle is more than a cycle.

Giga-eon = a billion eons

Eon = a billion years

Gigacycle = a billion cycles.

*nanocycle = billionth of a cycle

Gigaphoton = a billion photons

10^1,000,000,000-to-the-power-10^1,000,000,000 -- now that is one
large large number.

10^1,000,000,000 = 10-to-the-power-1,000,000,000

So you get:

(10-to-the-power-1,000,000,000) to the power (10-to-the-
power-1,000,000,000)

10^-(1,000,000,000-to-the-power-10^1,000,000,000) = 10^-(10-to-the-power-1,000,000,000)-to-the-power-(10-to-the-power-1,000,000,000)

10^-(10-to-the-power-1,000,000,000) to the power (10-to-the-power-1,000,000,000) is an extremely small number at it equals 10-to-the-power-NEGATIVE-[(10-to-the-power-1,000,000,000) to the power (10-to-the-power-1,000,000,000)]

No offense but please respond with reasonable answers & keep out the jokes, off-topic nonsense, taunts, insults, and trivializations. I am really interested in this.

Thanks,

Radium

While that's certainly true, what the original poster was getting at, is if one drop of Peanuts may define peanut butter, why then is Chinese cooking, with it's peanut oil and peanut meats, prevented from also being defined as peanut butter? It would appear that the only time one drop may define peanut butter is when there's a benefit to be derived from being peanut butter.

AM = k*(1+f(t))*cos(w*t+theta) Eqn. 1

where k is the desired carrier amplitude
f(t) is the modulating signal, scaled so that negative peaks are
greater than -1
w is the radian carrier frequency
t is time
theta is whatever carrier phase offset you want; a constant.

Now you go figure it out. Is there anything in your incomprehensible
problem statement that can't be accommodated by Eqn. 1? Actually
accomplishing it is left as an exercise for you to spend the rest of
your life on.

Oh, that's easy. The worlds supply of zeros, nulls, and comma
separators is strictly limited. The galactic supply of such things
were created by the big bang and are not being made any more. If you
consume a substantial number of zeros, the zeros must be borrowed from
somewhere. While it is mathematically possible to bury the reader in
zeros, it is ecologically incorrect to do so. Also, be advised that
the government budget and trade deficits have cornered the supply of
zeros, and may soon approach an astronomical accumulation of zeros. At
the present rate of zero depletion, you may soon be forced to use
large exponentials, in order to avoid consuming zeros.

There are about 10^80 particles in the universe. Do with them as you
please but do save the zeros for those that need them.

Didn't you pull something like this crap in the sci.engr.television.advanced newsgroup a few years ago? The correct anwer then and now is that the output signal is the modulating signal with a slow phase change impressed on it proportional to the instantaneous amplitude of the carrier. Think "rotating vector."

No further replies forthcoming, as my troll-o-meter is edging into the red zone.

Radium

The answer is no. It takes a finite time for even so called 'instantaneous' quantum interactions to occur, so the frequencies quoted are a nonsense. Essentially frequencies above around 10 ^ 30 Hz may (as) well not exist. I am probably a few orders of magnitude out here, but that is the general idea.

For a detailed explaination see "The Road to Reality: A complete Guide to the Laws of the Universe by Roger Penrose - ISBN 0739458477". Available from Amazon and all good booksellers. Mr. Penrose has collaborated with some of the greatest theoretical mathamaticians and physicists of the last fifty years and if you can follow the maths, all will become clear. This book will explain a lot of the maths required anyway, so worth giving it a go.

Most mathematicians prefer to simplify equations by removing superfluous zeroes and exponents by cancellation on either side of the equation. :-)

Well not a beep

I can see the converted audio spectrum 0 > 11/12 Khz on the screen , lots of flashing red , sometimes yellow , inicators on the traffic lighs , but never a full set of green ones .. tried all the sig's i can pick up , maine ones round 6 mhz ....

looks like maybe the audio needs to be centered round 12 khz and not zero to 12 ? .... if your running one of these 'add on' if convertors , where is the main bulk of the audio signal , when you view the 'spectrum display' center or biased to the left ...?

As the display gos upto over 20 khz , i suspect , the audio must be centered round the middle , ie 12khz , in which case, it will not be posible to use the rx , as is, however it dose have a 455khz if

outlet .. next step get one of these little down convertors ... any good link's

Tnx . G ..

Yes, that could be, I remembered it was right around 3.3 KHz it
sounded the same as WWV.
CHU must be a different station. I'm not familiar with a lot of SW

On the first point - yes, the magic 100% probably will not be reached
on black holes - but 75% and climbing may be good enough for most of
us forever :-)

Your example of the earth being round may not quite be the best
analogy, for two reasons -

One - the earth *is* factually approximately spherical, and this can
be proven beyond a shadow of a doubt several different ways. Even the
ancient Greeks knew it. There are some phenomenae and evidence for
which there can be no other scientific explanation (the most stunning
of which are direct photographs from space). People who choose to
ignore it - well, it's their choice to be ignorant. Black holes may
factually exist, but there are still other possible ways to explain
the evidence that shows up, and until those ways are all discarded
(and granted, they may be someday), black holes are still not quite
there.

Two - belief by 100% of the population, or any other fraction, is not
a prerequisite for something, either a statement or a theory, being
correct or factual. The earth is either round or it isn't, regardless
of what people may choose to believe. Black holes either exist as
postulated or they do not, irrespective of the opinions of us mere
Newtonian-reference-frame mortals. It matters not whether people are
around when the proverbial tree falls in the forest - it makes a
sound, or at least the mechanical waves that, if heard, would be a
sound.

OBSTRUCTING JUSTICE FOR AMERICA

Tony Snow "The executive branch is under no compulsion to

oversight abilities."

IT LOOKS like they are going to attempt making the move of
BLATANTLY TREASONOUS war criminals acting to measurably now
destroy yOur Freedoms in godless America. The Satanic
neocon's 'faith', is in that YOU as an American, will watch
the same corporate drivel that offers next to nothing to
empower YOURSELF to speak Justly for a dying America. Instead
of demanding 24 hour, wall to wall news coverage, of war
criminals going down one by one by the will of Man to Justice,
CNN, CBC, and FOXNEWS will broadcast your blind 'belief' that
you are only a impartial viewer, who doesn't really care about
dying right in front of yourself for the zionist's riches, and

AMERICA HATES BUSHITE

Nationally broadcasted every day across America, Mr. George Norry publicly supports the murder of innocent Arab children, and I'm beginning to really hate a silent dying America for it. Speak to defend the innocent in this world American, or die yourself from self contempt.

Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man.

/ / "They can try to have their votes of no confidence," the president said, "but it's not going to determine - make the determination - who serves in my government."

MY government? Now that's entitlement. And you thought George Bush didn't have a vision for America \ \

Hitler, the mad man, wasn't as insane as our demon enemy George Bush Jr. is.

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite

torturers of completely INNOCENT PEOPLE]. \ \

Christ, The Son of Man, Begs the Godly Men of Earth

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Brig. General David Fraser - former nazi commander of NATO who 'okayed' the bombing of defenseless innocent Afghan women and children for the Satanic enemies of Man, stated on CBC, he liked killing police officers, along with innocent women and children, (deliberately targeted for the pleasures of the demon antichrist) because, Afghanistan's children hope to learn. See? The bushite 'will' murder all our children and teachers on hope that we will never learn the Taliban, led by "Omar the Just", were loyal to Christ as REAL American Freedom, when publicly demanding evidence to form your conclusions. Thus is why the ENEMY to LIFE neocon state on YOUR TV and radio, WE must never be allowed to speak openly with the Taliban regarding the FACTS. Because if we did, neocon pension thievers would be hunted down in the streets for public trial, and then gloriously put to death by Christian values committed to TRUE freedom from lawless godless zionist LIAR tyrannies against Mankind - YOU included.

George Norry and Art Bell are the most evil of bushite, who as betrayers of the Human race, deny soldiers to know: General Ahmad funded Atta. They will both support the murder of Your American Son or Daughter for further zionist evils, before allowing true open line communications, to defend ourselves from the lawless demon enemies of Man. Do something about it, or don't. Let TRUTH set US free.

Instead of making an easy phone call today for your dying brothers and sisters, die as Satanic bad guy enemies of Life on Earth, sacrificed in cowardice to the real demon antichrist, and see if we, the true, strong, and free, care. The Son of Man SCREAMS before coming home to GOD'S America: We are coming to destroy Satanically lawless bushite enemies, all for the love of God, we shall succeed my friends, we shall succeed. I will not willingly live in a forsaken world with LIAR zionist war criminals conning US to believe, God is not Great, True, Strong and Just.

Die bushite die!

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC
zionists, actual treasonous LIARS, actually smile to dying

Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

To Kill a Bushite, is to be Heroic

Pro child killer George Norry, enemy of the American soldier, still blabs about how more must die unjustly for bin Laden with LIES, knowing full well, video of steel flowing like water from the WTC exists, and that General Ahmad funded Atta. George Norry is a traitor to the FBI, who further plans more to die sacrificed under the censorship of the tyrant antichrist. Who cares I ask about America truly dying as neoCONNED, for George Norry has millions to not take your calls for protection, and honestly, 'Americans' couldn't care much less for Our Humanity's future. Love to God Gives US Strength

The Son of Man begs the Men of Earth to defend Ourselves from the unholy forces of our tyrannical enemies. Death to the ungodly bushite thieving LIARS, death to the ungodly enemies of American children everywhere. GOD praises all Men, who kill the murderous bushite enemies of Just causes. The THIEVING satanic bushite forces, speak only contempt for GOD on our demandings of the public execution of the boastful terrorists, like the bushite who video taped the murderous assault of OUR kidnapped bare footed children, or murdered Iraqis while desecrating ELVIS, done all to please the "escaping" satanic demon antichrist zionist, Our Mr. bush Jr., who with his private business partner, General Ahmad, actually committed the ungodly treasons of 911 in a land of blind men sleeping., according to the eternally Honorable FBI anyway.

War criminals who deliberately set them up with Satanic 'black magic' to be killed in criminal actions. P2OG. But see?, the bushite fodder, can't care enough for Life to read, because it already knows like the zionist, it's an ungodly coward and a thief, as siding to lying and censorship, this will out work for evil doers in the long run without any consequences to themselves as Our sworn eternal enemy.

Bushites 'think' that being Satanic brethrens for the LIAR neoCON, they'll die sacrificed not seen by all Patriot Warriors, as a dead coward - too fearful to stand as a godly Man for true accountability to living Life honorably. Cheney, McCain, and 911's gooliannie believe, You can only TV 'see' them protected Satanically by "Molech" [THEIR DEMON COG] Immune from REAL American Justice the bushite bray, We are told they believe so anyway. Hillary "[DEMON] Bush pulled out the inspectors."
[DEMON] Bush declared, "and he wouldn't let them in."

In Hell

Firstly, the White house doctored the NIE in an act of HIGH TREASON.

Two:

CNN with Hillary acknowledges that the demon Mr. Bush pulled inspectors out of Iraq, but then... how is this not HELL to pay?

/ / Bush declared, "and he wouldn't let them in. And, therefore, after a reasonable request, we decided to remove him from power." \ \ HE LIED. Not the 'NWO', George Walker Bush, who Alex Jones tells US to look away, because he's only a puppet. Should not Bush be held accountable to the criminal actions he is PERSONALLY responsible for Christ asks YOU?

/ / So, there was indeed no imminent threat posed by Saddam to Amerka, and inspectors had complete unrestricted access throughout Iraq without delay prior to the, bush demon's further war crimes. So, what was the reason for all the pointless mass murder and destruction again? Oh right.. to sacrifice American soldiers so terrorist bush's war profiteering can feed off themselves as family without leadership present as spoken for.[...] it's only the dummy American People bid payers again left unaccounted to DIE intentionally. \ \

The Haditha perpetrators, if convicted, are looking at serving, maybe, a couple of years, for freely confessing to the targeting MURDER, of innocent women, men, and infants.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man. - The Son of Man, as the Man of Men,

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their

flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and that's why he irrationally started this war against God conflict. Impeach him, then have him PUNISHED for high treason against a further dying as truly unheard from America - for that lie alone - we ALL could/should stand together as equals demanding re-dress for the innocent murder victims who've suffered for such contempt, and belligerence for the basic precepts of freedom as Justice, or G-D as Johnny.

Kucinich for President!
http://www.democracynow.org/index.pl?issue=20070524

Now, it's true, America's Alex Jones states Kucinich wants to take away all your guns, and is a communist, but, Alex as sometimes, is terrified of those who seek the requirements to defend freedom directly, as more specific. (Example: NWO isn't the name of the specific guy who financed 911 to murder America.) So, as a consequence, he gets near ridiculous with labels applicable to generalizations only dummies could believe blindly. With Kucinich campaigning on ACCOUNTABILITY, Alex Jones looks quite foolish. But, he's still trying. Thank god for that. Thank god for that. Talk radio in America should take open line calls on our ideas about how to actually plan to defeat these, found factually to be, traitors

to God and Country.

MSNBC told YOU when interviewing Tom Daschle in discussion
of the official public contention, that immediately after the
terrorist act of 9/11 in New York City, (where thousands of
American People were murdered,) bush and cheney frantically,
desperately, INTENTIONALLY, worked paid overtime to close 9/11
(the justice-freedom thing) Investigations on who or whom

planned to get away un-apprehended with the still living as freely wealthy General Ahmad. \ \

911 "truthers" don't want to address the hard evidence like the clear as day video of steel running like water from the WTC towers, for, as Humanity witnesses, they'd rather watch silently, children murdered indiscriminately, before, acknowledging wise godly men from our communities who speak ONLY facts on America's derision for real, open market Free communications - freedom fighters who ACTUALLY defend the innocent from the neocon bushmob traitors. Each day we hear of near hundreds of US murdered by the godless Satanic THEIVING "American" forces in Iraq. without near a peep of concern by "America". Lawless bushite mercenaries torture rape and murder, paid to do so by the WILLING American tax payer, and near 300 million "People" (the NAZIS) can't find the effort to pick up a princely phone and call the ENEMY pro child killer George Norry, (who broadcasts every day across America nationally for the IRRATIONAL neocons,) to air any real concern for our Lives. True, the demon enemy censors OUR calls, and contrives WE a buyer without questions, but he doesn't censor You always forever. So, get to it fukhead, JOHN is growing angry with americans of EVIL ignoramuses escaping the bushmob for crimes against MY HUMANITY. The Son of Man States: Death to the bushite, death to our MURDEROUS enemies, who lie cheat and steal to assist in the further criminal escape of the ungodly bushmob for 911 as TRAITORS.

Loyal bushie McCain as bona-fide nazi savage "Bomb bomb bomb Iran.."

Reporter 'Mr. McCain, you demon liar nazi fu-ker, don't you think your being insensitive to innocent god loving Iranians?'

Pro-Torture of INNOCENT PEOPLE McCain "Insensitive to what? The Iranians? My response is lighten up and get a life."

Johnny America Lyrics: "Can't an American PROUDLY kill TRAITOR pro-torture Zionist McCain for the Love of living Life Justly, as Freedom was Country?"

Investigating the Investigation

PRO-TORTURE Gonzales "I quite frankly don't like the idea of the Judiciary deciding who is on my staff." [at Justice]

PRO-TORTURE Gonzales "I did not make decisions about who should or should not be asked to resign." [in mid-term]

As US State Attorneys?, whom have the most serious of American Justice Department Motions of Defense for REAL Freedom?, he's not concerned directly with?, nor would "like" democratic Peoples to be allowed to care either?. IF he gets HIS way he says - as minding for the criminal master. True, Americans are generally, extremely cowardly as Bush's freely giving PAYERS, led for more ungodly sacrifices in fascistic silence, but this continuing charade of incompetence gathering against our entire Humanity, is going way beyond acceptable to everyone concerning. Johnny Wizard conceivers and otherwise non-believers state together:

The Iraq war against Christ has no true justifiable cause.
Torture is against the law warranting immediate death sentences
The Zionist AIR FORCE bomb people indiscriminately as Satanic
The bushmob stole all the Development Funds for Iraq
The bushmob are stealing ALL of Iraq's oil
The bushmob stole 100s of billions from censored AMERICANS, while George W. Bush personally stole 50 billion from America in the first four months of stealing the initial election.

/ / A BUSHITE GRUNT PRISSING PROUD AS OUR ENEMY "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children pratically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones. \ \

Art Bell, "the thief", is really fuking evil to GOD as America.. being a blatant naked LIAR to the American Patriot Warriors

Death to the bushite, death to our MURDEROUS enemies, who lie cheat and steal to assist in the criminal escape of the bushmob for 911 as CLEARLY TRAITORS, so says the one and only,

King Johnny Wizard -

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

/ / Never in modern history has country been forced to pay for its death, torture, and destruction with its own money - its own oil revenues. A country where thieves are entrusted with its richness and where murderous gangs are entrusted with its security. \ \

pleasure of the president

US Attorneys don't serve "the pleasure of the president", they serve freedom lovers dedicated to defending America from willful criminality. But, americans are too stupidly weak to demand Coast to Coast hosts allow open communications on America's highest of concerns. Bushite america would rather, in silence, thieve from God as our Humanity, than serve the protections of Justice as ourselves.

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Hmmm. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. The tribal strategy of Afghan fighters, where Allah is Oonerroh, seems to be not the only thing missing from the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top

top top leader. Only "second" to Omar the Just. (Apparently an individual this current bushite incantation of "Dadullah" is totally un-familiar of.) Omar, the Just, whom Dadullah claims he receives his Top Secret nobody can see'im orders. In other winds: Bill a bushite for God and America, an all day long you'll have good faith in a world freeing ourselves of godless dumfuk tyranny implemented by the horribly foolish, as deeply ignorant of Allah, bushite demon liars for the traitor neocon. TRAITORS!

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering? Frankly, George Norry is a total dickhead. True, he has lots of money in America, but he's still a dickhead nevertheless.

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their

comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

/ / According to Danish Karokhel, director of Pajhwok, the Italian government should negotiate directly with Dadullah. "Italy is negotiating with the wrong people," he said in an email to IPS. "The only one that counts and decides is Mullah Dadullah." \ \ Oh Yeah, but what about Omar the Just, And... hmmmm. who is Karokhel today anyway, and when was the last time anyone seen him alive?

/ / How did a member of the Taliban in Afghanistan get hold of the phone number of an ABC news producer? Afghan 411 must be REALLY good! \ \ iiIII! can't even do that.. well... easily from Canada as an official non-fugitive that is. Just what is the going rate of satellite phone service out of Afghanistan? Remember: evil is DUMB about everything, including technology. Or so, how are we missed for report by point to point presentation using the same old satellite for phone service? Repeatedly calling the same mumblers? Jesus,

If we really worked at it, I could probably reach where they were in a day or two by hitch-hiking.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless

aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

/ / "He realized that they had killed these three [innocent] detainees, and in that moment, yes, he decided to help his [ungodly murderously nazi fascist] squad members, [escape Freedom through Law wisely practiced]" Gorecki said. \ \

There is much self evident truth hovering above the realities of such statements. For the exampled fact, that he did actually use a weapon against 'his' troops, 'to save them punishment', says a great deal more than they contend we hear. Now really, how ''we be dying as godless war criminals for demon LIAR Bush'' dumb is that? (and how does such an evil thing steal our military command in an un-defended Johnny's America? as a dying for bushite tyranny, irrational neocon war wanker? like holy fu-k..) Remember: evil is real.

The time is now.

Let Johnny Wizard on Coast to Coast everywhere god damn them man, get US on the PUBLIC radio to make something better of ourselves by communicating freely. Do it!

Praise Jesus, and pass the ammo forthrightly. I'm a hungry man.

Come on now, who wouldn't take great joy in destroying any and all such ungodly bushite hatred for Humanity in this light of day, eh? In fact,why don't American Congessmen, who believe in defending Liberty, campaign JUST that? Why not??? Is it because they're LIARS?

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars]

that sexual assault is illegal [...] \ \

Rumsfeld, as it was told on Oprah, doesn't want any arrests of bushite rapists though, so has worked to deny Justice for female grunts by denying all requests to the 'Pentagon' from American Police Departments. [and you thought he was fired!] Why? because, they, the very weakest intellectually of America's - do what they're told teen kids, ALL don't have rights anyone in bushite corporate america is willingly strong enough as a dedicated Leader to speak in demanding defense of, for innocence.. Why? because they soullessly advocate continuing bushite war crimes for a stolen dollar. Stuck that way apparently. Support my rise to speaking publicly for open challenge on the rights and privileges of all concerned parties. Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911. I would like to form a global posse of sleuthers to identify on international open line radio, all guilty INDIVIDUAL parties by evidenced conclusion on our highest of priority issues, and get started with the nothing to hide from anyone global arrests, with PUBLIC court proceedings, done all for our public interest as the refusing to further fall as innocent murder victims.

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush: "If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win." http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true.

(It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: Greenspan STOLE four trillion American dollars for his international billionaire banker friends before 'leaving'. [Asian market chaos SCAM]

Look: Lotteries everywhere in North America are running the same PROVEN criminal scams that cost US ALL billions and billions of public dollars that, without question, (as MATHEMATICAL FACT), regressively destroy our dying communities. CRIMINAL. [Solution: 100 percent cash payouts.]

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of steel running like water moments before the first tower fell is freely available for download

all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. I've spoken to most of those 'in control', and I'm telling you, they're losers, and they know it. Remember: they'll censor my voice to send YOUR child to die for no better good, or reason understood, while entertaining. Weekend TV in North America totally sucks. Now, why do YOU think that is brother? The more powerless they make US, the more money the neocon zionists can murder Humanity for, thinking they might just get away from this if we continue to take no action in defense of anyone as God would will. Let me be Your servant King, by backing me up some here. We need some dollars to eat, and I need it now before we starve to deaths.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 100,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

Look: I am a guy that is regularly denied public access to our national radio programs because I speak documented truths consistently on behalf of real honorable soldiers and police officers. I agree with most, if not all facts Alex Jones importantly brings to our attention, however, I almost as often, disagree with his conclusions.

Support my cause, which is your cause.

King Johnny Wizard
President and CEO

-

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be

questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that Father's intent to bare on lancing Boudreaux, and any other who would sing in it's ungodly defense.

Zionist american media celebs do tell, everyday, soldiers for the neocon are all Heroes. (True Hero worship has long gone dead, and simple common respect for the starving man of Johnny Wizard is almost entirely illusionary, but for the love of God has for me, the Son, to never stop caring religiously.) While McCainites advocate imprisoning any (chosen) man in America (with our familiar "Exploitation Units"), who has a picture anywhere on their computer of a fully clothed teen, while denying this following censored video of children being beat to death for fun and profit is real. When I watch only thirty seconds, my rage as a god increases beyond anything anyone of Humanity can even contemplate, and i start crushing bricks in my hands with fury, twist iron bars into pretzels, all as a foolishly feeble attempt to personally have killed those present in this video. Then I cry. I cried for these children present in this video the first time I watched it, and I cried last night briefly, before stopping it.

Please, my brothers, join me in hunting each and every bushite present in this video down for death. For a Love of God that will never end, until we have seen each and every responsible child killing bushite present brought to true Justice extreme.

Did you know Blair had arrested the reporters who reported this initially? Didn't think of defending children, no sir. For, the commentator, who gives the play by play, while masturbating, has been given forgivence because it's an heroic "Christian". Not publicly executed. This must change for the better. Here is where I will make my final stand, and where heaven shall part from hell in America.

ARE YOU TALKING TO ME?

George W. Bush:

"If the absence of violence is victory, no one will ever win."

But for those of us who would believe protection to be a
heavenly good thing actually he means? What the. does he
mean?? Find out!, in the new candid, let's talk politics
interview, with no other than, PRESIDENT GEORGE W. BUSH.
(talk about having connections!) Have your mind blown on his
TRUE wisdom, seldom since ever, so wisely articulated in a
more private setting, than this: The Story of the Millennium.

ARE YOU TALKING TO ME? - A Johnny America Exclusive! - a
candid interview on Bush's deeper than ever political thoughts
about the war, up front, and personal. Surely, an historical
event such as this, with the revelations contained in his own
shockingly powerful words, while granting a stage in Johnny
Wizard's World, is frankly, beyond the pale, quite shocking in
perspective I'm sure I would state again. I feel confident
Bush's surprising candor on life's humbling higher meaning
wont make the crazies 'out there' any more less right per say.
As for the barely living of you passing travelers to our dying
Realm.... be ready to be taken on a journey of such profound
discovery, with a wit never before witnessed from President
Bush!, all about the cruel hardships Americans continue to
endure without guidance through effective leadership. Without
evidence to form his guilty verdicts. That orders the murder
of the innocent with. I kid you NOT. Hey? maybe the Son of
Man doesn't have to wipe out the entire human race after all..
With Bush co-operating now, I personally believe, no, I know,
we're going to make a go of this after all.

Let US speak in challenge to any or all bushite enemies

NATO war plane bombers must be hunted down by the will of Humanity to be gloriously publicly executed to defend the innocent lives, they once again, have indiscriminately murdered in Afghanistan without a sliver of evidence, but for to say, some dumfuk had a 'rumor' that a single individual SUSPECTED to be an anti-heroin pro-child defending Taliban supporter, granted the bombers of NATO to wipe out an entire village MURDERED indiscriminately by the TRUE demonic enemies of LIFE. Please, if you must forsake me in your personal cowardice and self loathing, don't forsake GOD and America by not killing with PRIDE, these bushite dumfuks of NATO the first chances you get. Love liberty as if it were your own, and kill a lawlessly murderous bushite nazi savage for your love of anyone included. (You can quote me forever on that.)

Giuliani told ABC's Peter Jennings on September 11, 2001

'..and I was operating in there [75 Barkley St.], when I was told that the World Trade Center Towers were going to collapse.'

WTC TOWERS? "WERE"?

Did you know that the international Johnny Wizard comic book is out there? Don't miss out on picking up a copy for yourself, or your loved ones. And did you know, I'm trying to get on international radio without a censor to thunder my audience back into submission. I HATE HANNITY. All I want is free open debate to resolve this crisis, that doesn't have to be so ruining our dying worlds without questions forwarded by the dumfuks. Justice is Paramount through reason to be so. The Bush Administration have been up to no good, escaping for 911, that New York City should sue for. Hire me on as legal consultant buddies, cause I'm like near starving broke here, with supreme court challenges failing my cost factor, and hunger pangs slowing our progress on fighting unjust incarceration. I desperately need money, like now, as a gift, or an advance on a industry paid private consultant gig. Or, instead, maybe you'll idly watch some innocent person willfully be sent to prison by liars in your demonized name, to defend the ungodly evils of war criminal traitor, our Mr. Bush Jr. in foolish disguises. Your call Bud.

be Wiser,

Johnny Wizard - Patriot Liberator of Eternal Destiny
(i.e. REAL sustainability as self sufficiency)

(i.e. nothing is separate from existence ourselves, not even time, and Justice is binding to defend our lives if practiced fairly with it's elemental divisions through reason. Example: a person accused of a criminal offence, without any evidence, is INNOCENT. Those who say otherwise, are the actual

terror-ists. Civilization's ancient Founder Hammurabi,
suggested just to openly publicly have executed those who lay
capital allegations without any evidence, while working to
close outstanding criminal investigations. A made CRIME
within ourselves Hammurabi claimed, and by thinking such ways,
brought birth of 'Civilized' to an untamed till then, chaotic
confusion. Old becomes again anew, because Americans are weak
as polluted, and too cowardly to defend the rights of US
innocent. Let's change that. Support my climb to
international controversy, with my unchallenged claims of
direct accountability being sought, for the 911's neocon war
terror plot.

our free to be alive communications.

'A military judge ruled last week that Watada cannot base his

No bushite was found gloriously killed for country, yet, they,
the godless bushite enemy, continued to shoot innocent People
indiscriminately for a distance of six miles, while likely,
secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent
un-armed Afghans were counted as murdered deliberately, by
those who believe our Mankind, can not ever find themselves
accountable, without zionist controlled, corporate news
permission. See? The military counts mankind as zionist, but
I am a man of real men, committed to defend our world from all
enemies, foreign, or domestic. Unlike a bushite traitor to God
and America, who's word, as Oath, means as much to them, as we
do. Ungodly as they are loveless, the bushite, is Life's enemy.

See my friends, this is why I, as the Son of Man beg and plead
for all able bodied men, to kill treasonous bushite on sight,

for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks.

WHERE IS YOUR NATIONAL NEWS TO DEFEND OUR PRIVATE INTERESTS?

Former FBI Director Calls For New OKC Bombing Investigation

/ / The FBI man in charge of collecting evidence from the government building destroyed by the Oklahoma bomb has called for the case to be reopened. \ \

WHERE IS YOUR NATIONAL NEWS TO DEFEND OUR PRIVATE INTERESTS?

First things first: America must demand the immediate arrest of those who told America the victim committed suicide, when clearly, due to autopsy photos, the individual was tortured to death as the innocent. So, the 'officers' responsible for the fraudulent claims, need to be arrested for accessories to MURDER. The torture will earn them both the death sentence, if found guilty under STANDING AMERICAN LAW. And any bushite like a, it's always a great day George Norry, who purposefully with criminal intent stands in life's continuing way for Justice's demand, American Patriots will phone to Bill with every once of pinky power we have at our disposal.

Support Johnny Wizard's personal challenge against thieving LIAR traitor Hannity, and his corporate nazi bush whores who lore our stolen values by how much they can deny US privilege. Coast to Coast radio hosts need to be publicly challenged for debate they deny US knowing of together naturally speaking. Great example of our Problem: CBC National Radio, in Canada. When a caller phones during the very rare moments we're taking public words, have a pre-broadcast rig-a-ma-role question session, you'll have with not only the OFF-AIR screener, where he'll probe you for controversy, but after the first process of noting in book form your disclosed intel, will notify you that; IF your independent thought is granted by the "Producer" (- who reviews everyone - rules are rules -) Our national station will phone you back this afternoon, so stay tooned, to line you up with your baking gingerbread creds. They never ever dido! The more Brilliant you are, (like the highly

charged as extremely charismatically charming, wild man ruler, Johnny America - the media phenomenoner) the higher probability they'll find POSSIBLE concern, on their do nothing for your taxed attitudes..!. Why take chances someone might show a greater living responsibility to a real suffering God as our left corporately forsaken Country?.?.?. A dying Humanity.

Look, seriously, my friends, we have all the answers to our problems.

Support Johnny Wizard's personal challenge against thieving LIAR traitor Hannity, and his corporate nazi bush whores who lore our stolen values by how much they can deny US privilege of equal standing.

Get it done brother.

Albeit, some rock/country/pop stations are now wading a little ways to allow minimal defensive communications on behalf of our truly dying communities. [i.e. the THIEVING Lottery actually takes more than communities get returned in cash transfers from the government, and this, beat up the unrepresented poor, actually ends costing EVERYONE more. [read "Stand Together, or Don't"] You don't know Evil until you hear CJOB's radio host pontificating on it's greatness to deny our community any time to respond to their direct criminality against OUR interests. A near 75 percent of Our radio content is private commercials, while the rest of twenty percent is amateur sport updates. Why don't the strangely often fat slob sports fanatics go away on their own as blood sucking leeches, and stop denying us more serious subject meters with 'we're just too dumb to hear' censorships. In Winnipeg, it is a teensy, tiny authoritarian illiterate group of sports crowers, that the station has devoted the Province entirely to for private financial profit. And so, what is someone in Selkirk Manitoba going to do with the play by play radio commentary?, not listen like everyone in Winnipeg does since, that's what. I personally can't even bare the wasted time, to finally get on to be immediately hung up on impolitely by a Station who literally robs from our community. More than 600,000 live in Manitoba, as apposed to a small cadre of proven criminals who stole our public phone system, or took a PULBICLY paid for Private arena or Private sports

facility that cost us practically billions to get in the front door of the already completely paid for by ourselves ten times over, to maybe see a concert that Ticketmaster charges half the ticket price to simply just print a paper ticket/contract. ENTERTAINERS, let me be your manager's Manager instead, and I'll get you every last penny your fans paid to see YOU with. I could practically double your earned earnings, or, are you instead going to blindly give HALF your life to a scalper, who's done nothing creative but hire someone near minimum wage to press a print button religiously. I'll tell you what, we just won't do any more good shows until we can get this remedied by freely communicating our concern for dying soldiers left further without measured value, left to actually DIE in the gutter as homelessly forsaken.

Take care by taking action.

God we can't do this alone, I need you.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

Corporate News America's Terror Expert, Gaffney, who publicly
advocates the rape and murder of the innocent in Iraq to
thieve from for the 'escaping' neocons, (as the truly

UNGODLY,) stated these words about why American Soldiers continue to lawlessly DIE sacrificed for no better good or reason understood, as total willing dumfuks under deep hypnosis:

"It is not George Bush, it is not the Neocons, it is not people who have been advocating waging that [IRRATIONAL 'Evil' UNJUST] war [against the established innocent] where we find our [hidden from view] enemies, who are responsible for that fact that we are indeed in a global war [sacrificing our conned kids to the un-accountable war profiteering thieves of American labor as the UNELECTED]. It *is* the enemy that started it, that is pursuing it, and that is trying to bring it here back here home now. [, and that way, us neocon zionists would miserably fail against those who would speak in freedom's demand for Universal Justice. Real freedom I mean of course, you know, evidence to form conclusion factually, public trial by questioning juries, blah blah blah. We can't have that Now can We? Colmes? Greenwald?]"

"," = swinging pocket watch

Don't let these neocon zionist bastards doe this to US. Either Gaffney suffers from some blind dolt syndrome, where he clearly can't see himself flailing madly in criminal ignorance, or he's an accomplis of blatant treachery, to help escape his demonic war profiteering benefactors who murdered thousands of Americans for similar gains through the unspeakable bonanza of the "Pearle Harbor" like event that 911 was. What the peenackers publicly stressed they would crave to fool US into Iraq and beyond as glorified war criminals. 911, New York City, where thousands of Americans were murdered, and millions polluted. killed like now American teen soldiers with the Iraqis. Led by a Sattler, or Mattis, Blount or Russell, who order the murder of women and children openly, and 'they', the actual soulless minions of the demon antichrist, the true dumfuk cowardly enemies of Humanity, don't cut them down instantly instead for Life as cherished. That must change for our betterments. Kill any bushite bomber and be loved by God's America.

Any Commander that doesn't support the arrest of those responsible for 911 and the subseqent neocon war crimes of Iraq, is a traitor to God and Country. Death to the bushite, death to our enemies - so says Johnny.

How much much God take as taken, before you people get on over this criminally empowered war monger Congress of an unelected lawless dictator demon, and call them out on the turning talk commercial radios, all to finally truly defend ourselves with a good media plan for results.

Make the call, be a man.

further to the death cults of corporate news:

Realize, our corporate experts on Life in the national news agenda, don't work to defend our children from mercury in innoculations they promote for profit. Nor, do they tell US about radio-active depleted uranium. Instead, as now, they look to blame others, even God, when suggesting dna is responsible, as if the American corp public could even comprehend multi-demensional cross kingdoming. They can't, (too stupid) but their Satanic death cult [no evidence] where they News pretend and WE DIE, they are willing to continue to go with by refusing all calls. Ahmad funded Atta, but they don't want to tell US there either. Look how many people they have so far watched murdered as the innocent for zionism while entertaining.

Support our call to be heard my brothers.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Powers, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life

begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

Yours again,

King Johnny Wizard

CONTACT

/ / IDEA: Let's get our show up and running, by allowing open public investigations To be conducted internationally, with open line challenges, so we can publicly isolate each and every bushmobster personally responsible for 911, and then, all of everything else still left outstanding murdering ourselves. Whatdoyahsay?? \ \

Art Bell, the zionist enemy of Life, wont allow free communications with the established facts though,

What do you think? Are you truly all alone on this?

Again, more than half of the money being spent on demon Bush's wars against life's reason for being, is completely left un-accounted for thieving. Not spent to offer dumfuk cowardly soldiers help hunt to kill bushite rapists and torturers. Stolen American values Just like the bushite soldier on the ground, who after gunning down innocent people in the street, go through our pockets to steal the spared change. Kill a bushite for the love of God why don't you my American Patriot brother and sisters?, today!

Again, my friends, Art Bell and George Norry have thousands of bushite dumfuk in America that will phone them to tell US how greatly they are to have no care for dying freedoms in America. While when the humans call, Art Bell for example, between breaks, when privately screening his calls, just hangs up on anyone he fears might articulate things like Ahmad funded 911's Atta, according to the FBI, in defense of America. I say, we at LEAST, talk about putting them both to death for treasons against Your Life dying teen soldier, wannabe Patriot. Make sense?

Again, corporate nazi america states 30 percent of America supports the ungodly George W. Bush's demon antichrist action, when in truth, it's less than one in a thousand. it's just CBC, CNN, CJOB, and Art Bell the liars ain't taking our calls for enlightenment. just like they treat the innocent in Palestine for zionism's encouraged racist in-action. For what does a fan of 'we're the best' Coast to Coast radio network family know about nothing after we witness them froth at the thoughts of nuking countries, or calling for enemies, none of us here in North America have any real problems with?

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and South African death squad goons, all to war Love for the neocon god haters. Who, as peenacking atheists, as their very own documents stress, would murder anyone of US for a stolen nickel.

This is why the Son of Man through God begs the Peoples of

Life. Ourselves, the innocent. These soulless grunts don't
destroy such deserving commanders, Like Blount, Sattler,
Russell, Wuterich, Pantano or even Kimmitt, and instead, as in
Fallujah, murder every woman and child present, while stealing
all our given monies for desperate life saving help. Anyone
in the Air Force deserves to be justly put down, for, I've
NEVER seen any legitimate bombing campaign, but for to kill
People indiscriminately like NATO regularly does with
radio-active toxic waste, while then sending in the dumfuk
Marines, or the 'from the coast' Canadians, who of course,
rightly get killed on the ground in retaliation for such blind
evil stupidity. Please, I beg, help Iraqis, and kill the

escape for the treasons against America on 911, for, bushites
are OPENLY traitors, as the TRUE enemies of evidenced Justice,
as the Freedom to do our own things loving God on our own.
Besides, most bushites aren't even registered American

McCain is insane

/ / The proposal, which Sen. John McCain is planning to
introduce on Wednesday, also would require ISPs and perhaps
[!?!] some Web sites to alert the government of any illegal
images of real or "cartoon" minors. Failure to do would be
punished by criminal penalties including fines of up to
$300,000. [...]

What images must be reported? Illegal images of minors, which
includes clothed teens in "lascivious" poses, according to the

Justice Department. Obscene "cartoons" and "drawings" also qualify. (18 USC 1466A) \ \

Alert the USER! not tyrannical leaderless dumfuk thievers, for it is the expresser who, if any, that is guilty of a determined illegal expression. In 'The' Canadian case, they, (once proud IRRATIONAL bushiter THEIVES [pro Afghan child killers determined to help the ungodly demon Bush's 'escape' for 911]), want/HAVE to put MEN is prison for beautiful pictures of girls in panties, or bubble bathtubs being. IT IS demonization. Leaving twenty year olds to look like they could be tens in a singled out of context womanly derriere, that our Jurys nations-wide, are generally, denied to perceive normally, if at all. McCain knows he is an enemy to God's children everywhere. McCain speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED. So, where are the North American multi-million dollar "Exploitation Units" to defend our King's children from TRAITOR pro-torture of US as the INNOCENT McCain there then eh? McCain is a demon enemy of Life ourselves to promote the arrest of all the goodness that beauty brings in the heavenly art of our clothed teens. If it weren't for Earth Women, God's boy, Johnny Wizard, wouldn't even be here to bother. It's the reason I first picked up a guitar, it's the reason I did my early plays, then monster movies, and it's the reason I praise the orchestra of the Heavens in Dream, and well.. it's just the reason for everything. I speculate sometimes perhaps slyly that G was kinda lonely all by ourselves for zillions of years, whom, for entertainment, loved us up on the entranced exit starting - before a beginning without ending, yet, as outer there, is still the insider here, forever being we sorta, and gave us this foolish boy for the mental gymnastics. All in good fun. Rocking on to leave all as Mystery, never realized forever and a day in Eternity. You are a Servant, as so I am. Quite a place eh kid? So as it looks now presently, we're here still barely hanging on striving to survive against Mr. Bush's continuing unfair irrational tyrannies of clear injustices committed in Your Name against our Humanity, or, end ourselves dying without true representation, left falling further forsaken. [Home is home sweet home as in Chicago, as we always was going

Please help God.

We have to overhaul how all our national news Podcasts are assimilated through corporate nazi zionist censorship. Art Bell and George Norry are enemies to ALL american teen troops put in harms way to die as bad guy irrationally for the neocon God betrayers. Why? because they purposefully lie to have YOU die as innocent murder victim. Death to the bushite, death to God's enemies.

Be a friend if not an enemy,
Your buddy,

Well, gee, Iran has no nuke program, in anyway, shape, or form, but Israel wants to murder more of humanity for their ungodly lies anyway. The enriched uranium Iran is making, can not be used for a bomb because it's only enriched to 2 percent, and to get the bomb making stuff, you need a COMPLETELY different technology. But science?, in bushite america? Nazi America would rather be nazi chauvinist pigs, before admitting the Son of Man exists, or to go to the trouble of phoning someone who refuses to take our public calls for Justice. Cause I'm ready.

-

A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification, concluding Naturally, that all stolen Iraqi money must be returned by the will of GOD to the victims; with those responsible for stealing it, made to pay US back, with the true American Patriots to be found, backing US up 100 percent. The bush administration has teamed our kids to mercenary forces who have no loyalty to freedom but to freely die another Marine for more dying stolen values. While successful at it corporate America, just lies and lies and lies without shame, nor apology for the death of your poor cowardly kin.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin, and, Influenza is a constantly mutating virus. So, pre-determining which 'deadly' strain is going next, is only because the WHO wants to continue killing US for huge cash profit. With cult slaves, like those who forced Jones Towners to drink at gun point, are the same as those who now demand we give our girls of America from Texas such. It seems the magic TV news people don't want to trouble us on this matter of our actual survival.

You must wake up to life's demand for you to defend our dying lives my friend. Please? Make the call, be a man to defend our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

truly Satanic. Just obeying lawless orders to thieve from
Humanity as bushite for neocon zionist traitors of G-D doesn't

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt
those who stole billions with ear-marks, Social Security,
no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the
emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People
like in Fallujah or Somalia with land mines and mini nukes

So, is the block head saying American soldiers so far have died for lawless tyranny? Kill a bushite, to protect the lives of us as innocent victims in other words, right?

-

/ / And the Iraqi people owe us a debt of gratitude?

Bush continued, "I believe most Iraqis express that. I mean, the people understand that we've endured great sacrifice to help them. That's the problem here in America. They wonder whether or not there is a gratitude level that's significant enough in Iraq." \ \

Is Bush saying US dumb bastards don't give enough in sacrifices to himself as the demon antichrist?

New Recruit

Destroying enemy bushite is a gift to Humanity, it is
saying you care for the lives of the innocent a bush
bitch nazi grunt freely confesses to targeting for
murder. Liars are the bushite, who steal Iraqi
resources, allow racists and rapists to commit their
demon crimes in America's name un-challenged, and who
absent mindedly bomb the innocent without just reason
given. All the while, labeling themselves, "pro-Iraqi".
snpd

Real Americans are those of US as humanity that believe
in liberty as Justice for all. Demon bushite nazi
whores, don't like those principles of freedom through
evidentiary findings though, for their false deity,

George W. bush Jr, wouldn't be stealing from the honest
hard working blokes who live for a better day that way.

The Iraqi children did nothing to deserve such awful
suffering and fright and death at the hands of the enemy
bushite. The bushite: who the demon anti-Christ
states, are un-accountable to any rules of law in this
Universe, like with his extremely foolish criminal
decree, 13303. I kill mindless parasite bushite nazi
enemy soldiers just for that alone as eternal defender,
and I do it for to win some mercy for a real living God,
who the fascist enemy bushite hold in their ungodly
contempt as LIARS.

I have the backing of every real man alive on this
planet, and we all know it. No voices of reason have
apposed my factual claims in FREE Usenet, and Art Bell
makes no attempt to defend himself as internationally
painted enemy traitor, and that says a whole lot to Talk
America. Why? Because Mr. Bell, the bushite
propagandist, knows too, I speak and act truthfully,
honorably, and righteously, while the talk radio
american bushite lies, cheats and steals from America's
America, that as bushite, leave undefended for criminal
plunder in Your name call censored from classed
enrollment. You have just as much a right to be here as
I do, and the demon bush, he ain't no better than any of
US when he is "excused" for the murder of well more than
a hundred thousand confessed as completely innocent

people on this planet called Earth.

The fascist control bushite, don't like You to think independently for Yourself, for we independents out here make them look as stupid as they are. Thank you very much for that not so secret info.

Through the pronounced bush demon's gaffes, embarrassments, and told complete total ignorance on subjects like the science of economics, the whys of constitutional law, or when the bushite takes credit for indiscriminate killing of our families and friends while parading it's all done in bush's name for our freedom, or for 9/11, doesn't fool me, and should get you thinking about reaching for your guns too, for bushite rapists and torturers will not walk this world freely un-accountable, for as long as we remain alive to hunt them down and kill them if so be. As the soulless disciples of the enemy anti-Christ, Our Mr. bush Jr., their "officially" granted legal immunity from all prosecution means nothing to me as a honorable man defending my humanity, or as living Creator, who brought all into this new world to be free, and can just as soon, take you all nazi bushite out the old school way.

How The Demon Bush Misled God's World

How Bush misled the world
http://www.theage.com.au/handheld/articles/2004/02/05/1075853996640.html

/ / Once the document was declassified after the war it became known that it contained 40 caveats - including 15 uses of "probably", all of which had been removed from the previously published version. Tenet further ingratiated himself by remaining silent about the OSP. "That's totally unacceptable for a CIA director," said Thielman. \ \

Thielman meant "totally unacceptable" as in HIGH TREASON. Could it be any higher? Deliberately caught misleading whore-dumb Congress to wage his immoral neocon 'escape' with a unjustified criminal brutality against God as all of our Humanity. A great deal more than a million innocent people have been victims to the 'targeted' Zionist killings of the irrational bushite enemy. Lawless enemies to Creation, spreading their toxic waste who thieve, rape and murder without reprimand from corporate news america, shall, I pray daily, die justly in vengeances by the will of a real undying Love for our victimized innocent family. Justice for Humanity.

Please, help US.

The guilty party of Haditha have confessed that targeted killing of innocent children is fair game in their worlds, and

as confessed, they 'got away' committing the same Satanic acts - going house to house in fallujah murdering more than two hundred thousand innocent folks for LIAR E-N-E-M-Y Sattler. Bushite corporate america, has stated in silence, the bushite enemies of Haditha will never face public execution for such offences, YOU apparently WILL NOT GRANT IT, too cowardly, and in all likelihood, (like those of the Saudi Blount's third infantry) will be allowed to walk freely down american streets after being found guilty as politically supporting the robbing and murder of innocent men, women, and children all because we're rag-heads or niggers. The, deserving to die as illiterately intolerable bushite drone soldiers HAPPILY, WITHOUT QUESTION, co-operate with ANY lawless mercenary forces such as south african death squad goons in finding the enemies of themselves. Purposelessly ungodly bushite soldiers are told they are DYING to defend Iraqis, while breaking out of prison, mercenaries caught trying to kill innocent Iraqis for fun and profit. While, at the same time, actually having SLAVES from India preparing their lunches!!! And guess what? they're coming to live bushite america as the patriots after they get killed you're forsaken American Son or Daughter teen! With millions of stolen American dollars to set up new 'freedom' operations.

Let US demand open radio communications on the mathimatical facts to save our own selves further victimhood to their personal contempt for the true value of YOUR life. Thanks.

Can you help us speak this outrage to your local media outlets?

thanks again bud.

- "The months preceding September 11 [see] a shifting of the US military's focus ... Over several months beginning in April [2001] a series of military and governmental policy documents [are] released that [seek] to legitimize the use of US military force in the pursuit of oil and gas." Michael Klare, an international security expert and author of Resource Wars, says the military has increasingly come to "define resource security as their primary mission." In April, Tommy Franks, the commander of US forces in the Persian Gulf/South Asia area, testifies to Congress in April that his command's key mission is "access to [the region's] energy resources." The next month US Central Command begins planning for war with Afghanistan, plans that are later used in the real war. [Sydney Morning Herald, 12/26/02]

See? It's admitted that the zionists planned to STEAL the rights of Afghans for Enron, by LYING to SOLDIERS to get them killed as the American Pension thieving bad guys. Too COWARDLY parasitic to hunt those responsible for murdering thousands of "Americans". So, as a consequence, they, as loveless bushite drones, die cowardly with the once great America as enemy corporate fascists to Freedom's Justice, Our Living God.

John's truth. Killing a THIEVING bushite is to save the lives of the innocent they target for murder. The cowardly bushite, dies sacrificed - all to help IT slavishly escape those responsible for 'getting away with' murdering thousands of Americans in New York City on 911. Sorry George W. Death to the godless bushite, death to America's lawless enemies

DUMFUK BUSHITE ENEMY OF GOD "This is not a job in anyway shape or form, this is not a job. this is a lifestyle. and we choose this type of lifestyle."

Traitor LIAR Hannity "Knowing the danger?"

DUMFUK BUSHITE ENEMY OF GOD "Yeah."

Traitor LIAR Hannity "Well, isn't that the definition of Bravery?"

The DUMFUK ENEMY OF CHRIST "Uhhuh."

See, TRAITOR Hannity [who deserves to be executed for the treasonous DOCUMENTED lies he tells America almost daily] would claim any and all serial murderers and rapists in America are the definition of bravery. Bushite dumfuks deserve to die as enemies of America because they openly, purposefully target the innocent to rob from and murder, as bushite did on 911. They bomb cities. Thus is why Christ [ME] tells loving children to gladly help Life kill their own godless fathers or brothers who CHOOSE to commit these war crimes against our humanity with their contempt for Justice, Johnny and America. {Especially those in George W. Bush's air force.] A bushite's hatred for America is blatant with every monosyllabic grunt they make. In nazi zionist america, they have a Zionist national radio program that forbids the nation to know they're presently being victimized for criminal sacrifice, and apparently, Americans would rather DIE, than hunt George Norry, or Art bell for questioning. A nation of fascist nazi cowards, who go silently to their graves in their support of torturing innocent people to death for the thieving EVIL bushite's pleasure.

Death to the godless bushite, death to America's lawless enemies.

Bushite Zionist atheists believe that I, as the Son of Man, Couldn't be anything but their worst nightmare. No, WE, as Humanity, will religiously really kill bushite continuously to hasten the day when America actually fights to win, free communications for Justice's claim. AFFIDAVIT

AFFIDAVIT OF JOHNNY WIZARD

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba
MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01] The individual who makes the wire transfer at Ahmad's direction is Saeed Sheikh, later convinced for kidnapping and murdering reporter Daniel Pearl in February 2002. ABC News later reports, "federal authorities have told ABC News they've now tracked more than $100,000 from banks in Pakistan to two banks in Florida to accounts held by suspected hijack ringleader Mohamed Atta." [ABC News, 9/30/01] CNN also reports the $100,000 transfer, and the New York Times specifies that it came in 2000. [CNN, 10/1/01, CNN, 10/6/01, New York Times, 7/10/02] Ahmad's order must have preceded June 2000, since that's when Atta and others started opening bank accounts and receiving the money ($109,910 is received by Atta and Marwan Alshehhi between June 19 and September 18). [MSNBC, 12/11/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy

documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegations, thereby guaranteeing criminal invasion. Only workable if Laden pleads innocence to a crime that hadn't yet taken place, a crime serious enough to "justify" sacrificing American GIs truly for a liquefied natural gas pipe line for pension thieving Enron. ["The Dahbol Working Group" and Bridas] Any evidence for any offense would have been sufficient to have Muslim fundamentalists hand Laden immediately over, as they had offered [as others of other nations had also] repeatedly during the Clinton years.

CBC and CNN have still, to this day, consciously refused to do any follow up on the intelligence, deciding instead on behalf

of dying people everywhere, our public devolvement of a just society.

RTÉ News - US rejects Taliban bin Laden evidence calls
21 September 2001 17:41

The White House has rejected requests from Afghanistan's ruling Taliban for proof that Osama bin Laden was responsible for last week's attacks. According to the US Secretary of State, Colin Powell, the United States has enough evidence to try bin Laden in an American court.

The US Government said there would be no negotiations.

After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" Daschle flatly contradicted Cheney: "Yes, he did, Tim, on Jan. 24, and then on Jan. 28 the president himself at one of our breakfast meetings repeated the request."

...."[T]hat request was made" by Cheney not only on Jan. 24 and by Mr. Bush four days later, but "on other dates following" as well.

October 9 2001 - The Times of India

"While the Pakistani Inter Services Public Relations claimed

that former ISI [the "Pakistani CIA"] director-general Lt-Gen Mahmud Ahmad sought retirement after being superseded on Monday, the truth is more shocking. Top sources confirmed here on Tuesday that the general lost his job because of the "evidence" India produced to show his links to one of the suicide bombers that wrecked the World Trade Center. The U.S. authorities sought his removal after confirming the fact that $100,000 were wired to WTC hijacker Mohammed Atta from Pakistan by Ahmad Umar Sheikh [Omar Saeed] at the instance of General Mahmud [Ahmad]. Senior government sources have confirmed that India contributed significantly to establishing the link between the money transfer and the role played by the dismissed ISI chief. While they did not provide details, they said that Indian inputs, including [Omar Saeed's] mobile phone number, helped the FBI in tracing and establishing the link."

8.

No evidence was brought against Laden for nine eleven, none. [So according to Bush's official top secret Presidential directives] While Laden himself claimed he played no part in 911. Still, to save the lives of third worlders on the brink of starvation, Laden agreed to hand himself over, but Bush refused the offer, while CBC and CNN denied to report on that fact for the behalf of now dying dismembered American GIs. Once the indiscriminate bombing began, targeting almost every building in the country of Afghanistan, Laden then claimed he had no choice but to fight back to defend US innocent from the ungodly enemies of Creation/Freedom. Then the clear to all fake video came out with an actor who's face wasn't even close to looking remotely like Laden, but for almost the facial hair. [Bridge of the Jamaican actor's nose is HALF as long in proportion to Laden's for example, and surely frightfully shocking for some, the actor doesn't even take blame for 911 either!] Photos comparing the two faces never aired on CBC and CNN available in about twelve seconds with the power of the Internet.

The honorable Argentinean oil company Bridas' relationship can not be understated as the Bush Administration's primary motive on criminal invasion of Afghanistan to save his biggest corporate backers, the American pension thieving Enron.

HANS BLIX: "And at this juncture, we are able to perform professional no-notice inspections all over Iraq and to increase aerial surveillance..."

With complete, one hundred percent access to go where ever the Bush Administration pleased without delay, left a situation of an unjust war only detrimental to an ability to bring about any good or better thing. American soldiers are being sacrificed for no better good or reason understood, for if progress will ever be made, it will be when they work to bring about a political situation that was there in Iraq before the Bush Administration starting murdering innocent people for nothing . Well, not completely, for Bremer shipped 19 billion to Greenspan early on, then, hundreds of millions were sent back.

Tony Blair Speaking To House of Commons Liaison Committee

36.

The Washington Post, 23 September 2001.

At American urging, Ahmed traveled ... to Kandahar, Afghanistan. There he delivered the bluntest of demands. Turn over bin Laden without conditions, he told Taliban leader Mohammad Omar, or face certain war with the United States and its allies.

Mahmoud's meetings on two separate missions with the Taliban were reported as a "failure." Yet this "failure" to extradite Osama without providing a shred of eidence was part of Washington's documented design, providing a pretext for a military intervention which was already in the pipeline. If Osama had been extradited, the main justification for waging a war "against international terrorism" would no longer hold. Nor would the ready to go Patriot Act. Incidentally, when MSNBC contacted the Whitehouse regarding the top secret invasion of Afghanistan plan, it was confessed that the plan had been "fully implemented"

Yes indeed he does. This book is about as leading edge as it gets. The author has worked closely with Stephen Hawking and people of similar academic credentials. It doesn't get any better than that.

It is clear from reading this book that we have reached a plateau in our capability of understanding how the universe works and we need to await the arrival of new technology and techniques to be able to test the latest theories. The theory has outstripped the technology for the time being.

Divorcing oneself from reality is probably easier and cheaper than
getting the church involved in an annulment.

The problem here is that most people don't understand the difference
between a zero and a null. Zeros are easy as they are place holders
for orders of magnitude increases in quantities. Nulls are what's
left when we run out of zeros. Think of nulls as place holders for
the missing zeros.

The uncontrolled substitution of nulls for missing zeros has the
potential for destroying civilization as we know it. For example, a
check written for a million dollars would normally be inscribed:
$1,000,000.00
When all the zero have been consumed and replaced by nulls, it would
look like this:
$1, , .
which leaves much to the imagination. Perhaps we should add zeros to
the endangered "specie" list?

Dear Sir,

While researching moderately-priced shortwave receivers, make sure you check the Sony ICF-SW7600GR, which, in my personal opinion, is the best of the currently-available (new) compact shortwave (as well as AM and FM) radios. Amazon is selling it for $148.44 which includes shipping. This is no more than the Eton E5/Grundig G5, though it is more than the Kaito KA-1103. Note that the (made-in-Japan) Sony's build quality, not even to mention its performance, is better than that of any Chinese-built radio, at least at the present time.

Just go to Amazon's site and, in their search box, enter < Sony ICF-SW7600GR >. That will give you the whole picture. Also read the reviews at < http://www.eham.net/reviews/products/8 >.

I wish you the best of luck with whatever you choose.

Joe

Well, same radio or not (and I'm not a techie expert) but for $100,
you couldn't go wrong with the DE or Kaito 1103.

Bought a DE1103 for ~$CDN90 including shipping from Heung Kong two
years ago, and never regretted it.

Its basic sensitivity gives my newer Eton E1 a run for its money; the
E1 of course has Whistles and Bangs but for "garden variety" Major SW
Broadcaster reception, you'd be hard-pressed to beat the DE/Kaito
1103.

Space does not collapse except in the vicinity of a black hole. Space
also tends to collapse during department reorganizations, where
there's never enough space left.

There's also the problem of accounting for the missing nulls. Where
did they go and what was the exchange rate?

Such things are fairly important. For example, did you ever notice
that Roman Numerals do not have a zero or a null? There was a half
hearted attempt at inventing zero or null (nulla), but fortunately
that failed for many centuries. Rome survived much decadence and some
really weird Emperors without much difficulty.
<http://en.wikipedia.org/wiki/Roman_numerals>
However, no sooner than the Romans adopted the bad habits of their
conquered neighbors, which included zero and null, did their
civilzation falter and eventually die. At the least, this should be
an obvious clue that messing with zero and null should not be taken
lightly.

Maybe my next one will be an E1.....50 miles from Durham Radio.
I had a Grundig Satellit 700 with a full compliment of eprom memories about
10 years ago.
I found that it wasn't that sensitive, even connected to an outside arial.
The YB 400 seemed to grab stations better but oh the toys on the '700.
That alpha numeric display was great.
I bought the set "nearly new" so maybe the original owner had accidentally
placed a static charge either on the whip or at the ant. IN and may have
damaged the first RF input transistor leaving the set in a poor receive
condition.
I'll bet the E1 has great receive capability.

No offense but all you're really interested in is getting
unsuspecting people with good hearts to respond to your inane
trolls.

It's painfully obvious that you're not even a neophyte when it comes
to science, so your persistence in wasting everyone's time with your
foolishness indicates that you're not looking for answers, only
attention.

There's the troubling rumour that Zero fiddled while Rome burned. It's

> Earth wobbles on it's axis.

One wobble takes 26-thousand years. This too has no effect on the seasons or climate. It just changes the direction that the earth's axis points towards in space.

> Earth is gradually slowing down, that is why we sometimes add one second to the lenght of the year.

This is caused by the tidal (gravitational) interaction of the earth and moon. The earth's rotation is slowing down and the moon is moving farther away from the earth in it's orbit.

> The solar system which Earth is in which is also in the Milky Way Galaxie is moving through Space at about 60,000 miles per hour.

It's all relative. The earth is moving (rotating) at 1000-miles per hour at the equator. The earth revolves at about 66,000-mph in it's orbit around the sun. The solar system is revolving around the center of the galaxy at about 550,000-mph. Our Milky Way galaxy is moving through space at millions of miles per hour relative to most other galaxies but we are actually approaching the Andromeda galaxy, which is currently about 2-million light years away. (11,600,000-trillion miles) It will still take about 3-billion years before the big collison.

This is true only for the northern hemisphere and it's not what causes the seasons.

The tilt of the axis causes seasons, but your distance theories are out
to lunch.

==========
The difference between the distances on 4 January and 4 July is about 3
percent, which corresponds to about 5 million km or 3 million mi.

Nothing in the stores. It was supposed to arrive *last* August.

The staff seems to be more concerned about selling you a cell phone than
a radio. A while back they tried to tell me that a 5k pot was variable

I'm glad they didn't have one, as I've found this:

The Earth reaches perihelion - the point in its orbit closest to the Sun - in early January, only about two weeks after the December solstice. Thus winter begins in the northern hemisphere at about the time that the Earth is nearest the Sun. Is this important? Is there a reason why the times of solstice and perihelion are so close? It turns out that the proximity of the two dates is a coincidence of the particular century we live in. The date of perihelion does not remain fixed, but, over very long periods of time, slowly regresses (moves later) within the year. There is some evidence that this long-term change in the date of perihelion influences the Earth's climate.

It was my keyboard that said Earth spins around at 24,000 miles per hour.Actually it is 1,000 miles per hour.Earth's circumference at the equator is about 24,000 miles, so 1,000 miles per hour equals one 24 hour day.
I am going to fire my keyboard and get another one.

As mentioned many a time, I dropped out of high school because it was boring and because I put my first radio station on the air as I was about to finish school. That station became #1 in its large market immediately; I took the tests and was on the Dean's List in college about 10 years later... until I got a group management job that was vastly more interesting.

So, to me being a dropout is hardly an insult. I'm really happy that I did what I did and that I did not continue my education until I had a decade of management level experience to show me what was relevant and what was not.

"Hispanic" as you fail to realize, is a culture. People who spend most of
their life in a culture are _of_ that culture.

But, I'm not fake! I was merely born. 'Edweenie' on the other hand decided to pick up his 'Hispanic' shtick around the year 2000. Though he denies it, the record does not support his claims.

You, on the other hand, are merely just another dumbass Canuck.

Mohawks got y'all worried?

I moved to Mexico in the early 60's and then on to Ecuador and Puerto Rico. I have worked exclusively in Spanish all my adult life... not just since 2000. I have never spoken to my duaghters in English that any of us recall... in other words, I live a different culture than the one I wos born to because of the nearly 50 years I have been a part of it.

You, on the other hand, have _no_ culture. There is nobody above your insults, especially when you go on a binge on the weekends and start cussing. I read Cervantes in the original, Garc&#65533;a Lorca and Neruda. You read the label on the Jack Daniels bottle.

Your culture is based upon fabrication. Anyone who chooses to check you out will readily discover that.

3649. AM electromagnetic waves: 20 KHz modulation frequency on an astronomically-low carrier frequency

Newsgroup: rec.radio.shortwave
Date: 2007-06-30 02:41:22 UTC
From: Radium <glucegen1@gmail.com>
Message-ID: <1183171282.335634.129040@a26g2000pre.googlegroups.com>
Source record: 117230

Hi:

Please don't be annoyed/offended by my question as I decreased the modulation frequency to where it would actually be realistic.

I have a very weird question about electromagnetic radiation, carriers, and modulators.

Is it mathematically-possible to carry a modulator signal [in this case, a pure-sine-wave-tone] with a frequency of 20 KHz and an amplitude of 1-watt-per-meter-squared on a AM carrier signal whose frequency is 10^-(1,000,000,000-to-the-power-10^1,000,000,000) nanocycle* every 10^1,000,000,000-to-the-power-10^1,000,000,000 giga-eons and whose amplitude is a minimum of 10^1,000,000,000-to-the-power-10^1,000,000,000 gigaphotons per 10^-(1,000,000,000-to-the-power-10^1,000,000,000) nanosecond?

If it is not mathematically-possible, then please explain why.

10^-(1,000,000,000-to-the-power-10^1,000,000,000) second is an extremely short amount of time. 10^-(1,000,000,000-to-the-power-10^1,000,000,000) nanosecond is even shorter because a nanosecond is shorter than a second.

Giga-eon = a billion eons

Eon = a billion years

*nanocycle = billionth of a cycle

Gigaphoton = a billion photons

10^1,000,000,000-to-the-power-10^1,000,000,000 -- now that is one large large number.

10^1,000,000,000 = 10-to-the-power-1,000,000,000

So you get:

(10-to-the-power-1,000,000,000) to the power (10-to-the-power-1,000,000,000)

10^-(1,000,000,000-to-the-power-10^1,000,000,000) = 10^-(10-to-the-power-1,000,000,000)-to-the-power-(10-to-the-power-1,000,000,000)

10^-(10-to-the-power-1,000,000,000) to the power (10-to-the-power-1,000,000,000) is an extremely small number at it equals 10-to-

the-power-NEGATIVE-[(10-to-the-power-1,000,000,000) to the power (10-to-the-power-1,000,000,000)]

No offense but please respond with reasonable answers & keep out the jokes, off-topic nonsense, taunts, insults, and trivializations. I am really interested in this.

Thanks,

Radium

The 20 Khz is obviously NOT an audio tone, but exists as VLF, what you are terming "modulation" is actually a mixing of carriers then ... and the problem with your question ONLY BEGINS there!

Yes it is. 20 KHz is the highest audible frequency. Humans hear from
20 to 20,000 Hz. No offense but WTF are you thinking??

A carrier wave is modulated by the modulator wave. On most AM
stations, the modulator wave consists of the voice of someone
speaking.

Most AM stations have carrier frequencies in the medium wave band - in
the range of 520,000 to 1,160,000 cycles every 1 second.

In the case I am describing, the modulator wave is a 20 KHz pure sine-
wave tone on a carrier frequency of 10^-(1,000,000,000-to-the-
power-10^1,000,000,000) nanocycle every 10^1,000,000,000-to-the-
power-10^1,000,000,000 giga-eons. Is this scenario mathematically-
possible? If not, then why??

With respect to the London, UK car bombing attempts:

Would it not be better for Islamic Liberation Fronts to destroy the
BBG-VOA-RFE-RFA shortwave transmission facilities in
* Morocco
* Sao Tome
* Kuwait
* Sri Lanka
* etc ...
??????????????????????????????????

==========
As a geopolitical strategy, it would be considered disadvantageous to allow
the US to broadcast pro-US propaganda as it could be said to be generally
disadvantageous to the needs of these liberation fronts. Destroying as many
BBG-VOA relay sites is just merely a reasonable tactic for self protection.
Islamic libeation fronts have no transmission facilities to speak of, so one
could argue this tatics change would merely be creating a level playing
field.
==========

Note:
Most of VOA's shortwave transmitters are made by companies that have shut
down or left the shortwave transmitter business: MARCONI and ALLIED-HARRIS.

Most of the BBG external broadcasting money is flowing into Television, not
Radio specifically Shortwave and Mediumwave.

BBG-VOA probably needs to move over to ALLISS transmission technology to
allow it to have instant international crisis reaction times in the 15
minute range -- like RADIO FRANCE INTERNATIONAL.

BBG-VOA is so raft with nepotism, favoritism, kickbacks etc ... that
replacing its transmitter infrastructure may take 5 years -- however all the
BBG-VOA transmission facilities outside the US could be destroyed in 5
weeks.

I am assuming that only the transmitters would be destroyed -- destroying
the antennas takes more time.

RIZ, CROATIA -- could only provide one portable 300 kw SW transmitter per 2
months at best -- as Continental and Thales-Grass Valley don't do portable
SW transmitters.

It could be assumed that an operation to destroy a transmission facility would be around 100,000 EUR per facility (averaged).
I could assume 50,000 EUR for Sao Tome, but 300,000 EUR for Thailand -- and around 150,000 EUR for Sri Lanka.

BBG-VOA would not be that heavily impacted as there is a glut of SW transmission capacity in Eurasia that is up for lease at a moments notice (for Eurasian targets, Oceania aka Australasia still has -350% undercapsity). There would no impact in the Americas if BBG-VOA lost all of its 'Old World' transmission facilities.

Sorry that should be 1 X [10^-6] Watts-per-m^2

1 X [10^-6] Watts-per-m^2 is about the loudness of a "normal

My basic question is if I have an AM receiver which receives signals
on a carrier frequency of Fc, is it mathematically-possible for me to
receive a modulator signal -- on that station -- of a frequency higher
than Fc? If not, then why? If not, then how are the submarines which
use ELFs [Extremely Low carrier Frequencies around 3 to 30 Hz] able to
perform voice communications?

I just stretched the question out to astronomical extremes. I have a
habit of doing that.

The fact that you specified the modulation in W/M^2 immediately
says you don't know WTF you are talking about and the question
is meaningless.

You can AM modulate any frequency 0 < Fc < infinity with any other
frequency 0 < Fm < infinity.

Whether it's physically possible or results in massive distortion
is a separate issue.

What is the design bandwidth of the "fixed frequency" receiver?

When you say "modulator signal" do you mean a sideband of the transmitted
signal, or do you mean at least one sideband and the Carrier, or do you mean

the Carrier and both of it's sidebands?

It would be good if you would attempt to understand AM modulation, and generally some of the factors of receiver design.

Why not simply ask the question you mean to ask, then, rather
than the absurd numbers you put in the original version of this
(and which you then expect everyone to work through, just to
see what the hell you might be talking about)?

The answer to the question you seem to be asking is obvious
if you simply work through the mathematics of what is going on
in amplitude modulation. So why not simply do that, and not
ask such incredibly obtuse questions?

One hint: the ELF submarine communications to which you refer
are NOT carrying voice communications, but very low-rate
CW ("Morse code," if you want to think of it that way) signalling.

MP,

Just like AM/MW Radio DXers who add up to a
Statistical Zero {according to DE} : Shortwave
Radio Listeners (SWLs) are also a very little
'statistical zero' -so- any attack on the VOA, BBC
RFE RL DW RFI VOR etc would go unnoticed by
the vast majority of the people in the world.

What "TERROR" is there in Blowing up a
Radio Tower -but- a Car Bomb on a Busy
London Street in front of a Night Club filled
with Hundreds of Young People is a Sure
News Maker for the Islam-O-Facist.

* Plus most of the Shortwave Broadcasters
are now available to the younger listeners
via the Internet and local {in country} FM
Radio re-distribution {re-broadcasting}

* Also the destruction of Shortwave Radio
Transmitters and Towers would allow many
Governments to use that as an excuse to
get out of the Shortwave Broadcasting
business and focus on the younger listeners
via the Internet and local {in country} FM
Radio re-distribution {re-broadcasting}

- 110' of wire clipped to the whip of a Sony 7600GR, in Houston TX.

Dave,

1 - Consider using a good 'earthen' Ground
with your Radio and Antenna.

2 - Use the Radio's External Antenna Jack {Input}
for your Wire Antenna -vice- a direct connection to
the Whip Antenna.

3 - Experiment with a 'shorter' Wire Antenna Element
- - - Often 35 Feet to 60 Feet of outside Wire Antenna
will work well with a 'portable' AM/FM Shortwave Radio :
While a longer piece of Wire simply causes RF Signal
Overload and more Static Noise to be heard on the
Radio.

Radium

It is not possible to modulate a carrier frequency at a frequency higher than the carrier frequency. It wouldn't be a carrier frequency then, the higher frequency would become the carrier frequency by default.

ELF communications are carried out at very slow data rates, only a few characters per hour at best. Normal demodulation techniques are useless at these frequencies and messages are received by what amounts to comparing the noise levels on a given very narrow frequency band over long periods. Computers are easily capable of performing this task. Messages are generally sent as 3 character codes which are then looked up in a code book to read the full text of the message. Each message can take half an hour or more to send. Only a very limited set of pre arranged messages can be passed but this is enough to tell a sub to approach the surface and establish line of sight comms direct to a satellite, when more detailed messages can be passed securely and at high speeds on higher frequencies (i.e voice and data communications). Voice comms cannot be passed at VLF or ELF frequencies.

Nuclear subs are extremely autonomous. There is no quick way to establish communications once they have left port and submerged.

It is possible to communicate at a base band frequency of 0Hz. This is what happens when you talk down a hard wired telephone or intercom. At a telephone exchange (switching centre), the signals from each line are modulated onto a higher frequency for onward transmission down a trunk wire cable or fibre optic cable. The multiplexed high frequency modulated signals are down converted back to audio frequencies once they reach the intended destination.

It is also possible to transmit this signal through the air (at incredibly low efficiencies and powers). The miles of cables snaking through the trenches in World War One were so long that messages could be intercepted by the enemy listening in without any direct connection to the system. A good ground connection and half a mile of wire rolled out across no mans land was sufficient to pick up the signals from the other side. Systems were also discovered which employed two widely separated ground connections and avoided the need to send men out on a suicide mission to carry wires towards the enemy trenches.

Not sure who's distance theories you're referring to but I was replying
to the first poster's quote (above) about the distance of the sun from
the earth during the (northern) summer and winter, which as you
acknowledge, has nothing to do with the cause of the seasons. In fact
the southern summer and winter tend to be more extreme because the earth
happens to be closest and farthest from the sun respectively, during
those seasons in the southern hemisphere. We happen to live in an era
where this is the case. As the earth's axis precesses over a period of
26-thousand years, the seasons of the year when perihelion and aphelion
occur in each hemisphere slowly shifts. In about 13-thousand years from
now the situation will be reversed for each hemisphere.

By the time he's likely proven to be correct, most of his detractors

Totally fake. Just the Ingsocs justifying more crackdowns by
suggesting you can make a scary bomb with ordinary gasoline and
propane. It'll make a fireball, but won't throw nails very well.
This crap has nothing to do with any competent terrorists.

''The term "detonation" is used to describe an explosive phenomenon
whereby the decomposition is propagated by the explosive shockwave
traversing the explosive material. The shockwave front is capable of
passing through the high explosive material at great speeds, typically
thousands of meters per second.

Explosives usually have less potential energy than, say, petroleum
fuels, but their high rate of energy release produces the great blast
pressure. TNT has a detonation velocity of 6,940 m/s compared to 1,680
m/s for the detonation of a pentane-air mixture, and the 0.34-m/s
stoichiometric flame speed of gasoline combustion in air.''

Correct...the fiddle wasn't invented for another thousand years.

[quote Wiki]

It was said by Suetonius and Cassius Dio that Nero sang the "Sack of Ilium"
in stage costume while the city burned. However, Tacitus' account has Nero
in Antium at the time of the fire. Tacitus said that Nero playing his lyre
and singing while the city burned was only rumor. Popular legend remembers
Nero fiddling-- that is, playing the fiddle-- while Rome burned, but this
is an anachronism as the instrument had not yet been invented, and would
not be for over 1,000 years.

Why not?

I am getting conflicting answers. Some say it's possible to modulate a
carrier frequency at a frequency higher than the carrier frequency,
others say it isn't.

Who is right?

Radium:

Use simple logic, you can modulate a dc (0 Hz) with higher freq (voice),
(hint, your telephone line is an example) right?

However, when you get into RF--possible, usable, desirable are seperate
and distinct things.

Again, with simple logic, modulating a 30 CPS signal with limited voice
freq (say 5K wide) is going to create a LOT of harmonics and mixed
signals, ain't it? Suggesting a very wide band receiver would be needed
to begin with ... in my humble opinion, and for various reasons, NO, it
is NOT possible ...

Partly it's because you formulate piss poor questions.

Neither if stated as an "absolute rule," a.k.a. a Universal Generalization.
It depends on what you want as a result. However, IMHO opinion, I believe
it is best to have the Carrier at a higher frequency than the modulating
frequency.

If you are amplitude modulating a Carrier with a voice band signal, then it
is mandatory, for a reasonable result, that the Carrier have a much higher
frequency than the modulating frequency.

If you are AM modulating (a.k.a. RF mixing or converting) two signals for
the purpose of creating sum and difference "Carriers" in, for example, a
synthesizer, you could use the low frequency to "modulate" the high
frequency frequency, but I donï¿½t recommend it unless some special effect is
desired.

Start with the question of what is it you wish to accomplish then ask real
questions, not some far-out hypothetical drivel.

Me

Read my entire earlier reply. Then go to the library and spend several years reading through the electronics section with particular emphasis on the origins of electrical technology and early wireless. Then take a technical biased university course incorporating logic and critical analysis and all will become clear.

Without a basic knowledge of the subject, you are unable to make any form of critical judgement as to the accuracy or correctness of what people are telling you and all your questions become valueless because you do not have the nous to evaluate the answers you receive.

Start with the basics and then try working up from there. Many inadvisable things are technically possible, putting a dead short across the mains will generate a pretty good example of electromagnetic pulse, but it is far better to use a capacitive discharge circuit to do the same job. You could try modulating carriers at all different sorts of frequencies to generate harmonics, far better to use a square wave generator. You get the idea.

Unfortunately, this is a good question and literally the first and
probably only good question you've asked so far. Yes, it's possible,
but you won't get the results you're expecting. See below.

>I am getting conflicting answers. Some say it's possible to modulate a
>carrier frequency at a frequency higher than the carrier frequency,
>others say it isn't.
>
>Who is right?

What does my politics have to do with anything? For what it's worth,
I'm politically somewhat left of center on most of my views.

An AM modulator is just a simple multiplier (mixer). The modulator
takes two signals, multiplies (or mixes) them together, and produces
an amplitude modulated output. For one of about 10 assorted JAVA
applets Google found that illustrate the waveforms see:
<http://cnyack.homestead.com/files/modulation/modam.htm>
Lots more at:
<http://www.educypedia.be/electronics/javamodulation.htm>

Note that a simple multiplier (mixer) doesn't care which frequency is
the carrier and which is the modulation. The two input ports are
essentially identical. The carrier is always higher in fequency than
the modulation input. If your derranged experiment somehow causes the
modulation input frequency to exceed the carrier frequency, the
multiplier produces exactly the same output as if the frequencies were
reversed. The modulation frequency becomes the carrier, and the
carrier frequency becomes the modulation input. In other words, with
AM it doesn't matter which input is the higher frequency, the output
is exactly the same.

If you happen to own some audio test equipment, you can easily
demonstrate this with two audio oscillators, a mixer of some sorts,
and an oscilloscope. Setup the equipment with two different input

frequencies and look at the output waveform. Now, swap inputs and look again. It's the same. There's no question of which input is modulating which other input. With AM, it's ALWAYS the high frequency that acts as the carrier and the lower that acts as the modulation.

Now, please go back to your cave and read something on the basics of modulation. If words confuse you, see the above JAVA applets which will do it with pictures.

The problem is not the true terroists its the want a be terrorists who rig
up stuff like this becuse there mad one day at the world or are looking for
attention look at me and look at what i have done.
maybe kill one pr two and cause big headlines.

Just look at all the caos caused at abortion clinics etc.
in the USA last decade.

and the same exact tactics used by dillan and klebold at the collumbine
massacare.

Its the home grown we need to keep an eye out for but always keeep in imd
the real terrorists as well.
